**ASSIGNMENT OF PATENT RIGHTS (application stage)**

This is to certify that the signatories shown below (hereinafter referred to as Inventors/Assignors), did invent the subject matter disclosed in the patent application with the following Title:

**Cognitive Improvement System and Method of Testing**

Application Number: 16/735,544, filed Jan 6 2020

Further, Advanced Cognitive Concepts (an Alabama LLC, hereinafter referred to as "Assignee") is desirous of acquiring the entire right, title and interest in the same.

Assignee's contact information, including mailing address, is as follows.

**110 Holbrook Drive**

**Huntsville, AL 35806**

In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, I/we Inventors/Assignors do sell, assign and transfer to said Assignee the entire right, title and interest in and to the said Patent application referred to above, any follow-on child or foreign applications, as well as any patents that may result.

I hereby agree that the entire right, title and interest will be held by Assignee for its own use, and by its legal representatives and Assigns, to the full end of the term for which said Patent is granted, as fully and entirely as would have been held by me/us had this assignment and sale not been made.

Assignor further agrees to:

(a) cooperate with Assignee in the prosecution of the Application and any follow-on child or foreign counterparts should these be filed;

(b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and

(c) perform such other acts as Assignee lawfully may request to obtain or maintain any resulting Patents in any and all countries.

Executed this 25 day of March, 2020.
