THIS DEED OF ASSIGNMENT is made the

26th day of JANUARY 2015

BETWEEN

(1) **ANDREW CHAPMAN**, of 1 The Ashes, Peterborough, PE7 0LA, United Kingdom (hereinafter called the Inventor) of the first part

AND

(2) **42 TECHNOLOGY LIMITED** whose registered office is situated at Meadow Lane, St. Ives, Cambridgeshire, PE27 4LG, United Kingdom (hereinafter called the Assignor); of the second part

AND

(3) **MONDELEZ GLOBAL LLC** whose registered office is situated Three Parkway North, Suite 200, Deerfield, IL 60015, USA (hereinafter called the Assignee) of the third part

WHEREAS:

- (1) The Inventor claims to be a co-inventor of the inventions subject of the application for patents described in the Schedule hereto (hereinafter called the "Inventions");
- (2) In accordance with contracts of employment between the Assignor and the Inventor and in accordance with Section 39(1) UK Patents Act 1977, all the rights, title, interest and property in the Inventions held by the Inventor have passed from the Inventor to the Assignor;
- (3) The Inventor wishes to confirm the Assignor's ownership of all rights, title, interest and property in the Inventions and to transfer to the Assignor any and all of that which may not previously have been passed to the Assignor;
- (4) In accordance with a Master Services Agreement dated 22 December 2012 all the rights, title, interest and property in the Inventions held by the Assignor have passed from the Assignor to the Assignee;
- (5) The Assignor wishes to confirm the Assignee's ownership of all rights, title, interest and property in the Inventions and to transfer to the Assignee any and all of that which may not previously have been passed to the Assignee, including any such rights, title, interest and property transferred to the Assignor from the Inventor by virtue of the present agreement, under the following terms;

NOW THIS DEED WITNESSETH as follows:

- (1) IN pursuance of which the Inventor as beneficial owner hereby confirms or transfers as a gift with full title guarantee (as the case may be) unto the Assignor;
 - (i) the whole of the legal ownership of the property in the Inventions and all such rights including the right to claim priority therefrom;
 - (ii) the right to apply for and obtain patent(s) or other forms of protection in respect of the Inventions in the United Kingdom and throughout the world (including the right to make further applications in respect of any part or parts of the matter contained in any earlier application);
 - (iii) any existing or future applications for patents or other forms of protection in any part of the world made in respect of the Inventions and all rights in or under such applications;
 - (iv) any patents or other forms of protection whenever granted in respect of the Inventions in any part of the world together with the right to bring proceedings for any previous infringement or for any previous act.

- (2) IN pursuance of which the Assignor as beneficial owner hereby confirms or transfers as a gift with full title guarantee (as the case may be) unto the Assignee;
- (i) the whole of the legal ownership of the property in the Inventions and all such rights including the right to claim priority therefrom;
 - (ii) the right to apply for and obtain patent(s) or other forms of protection in respect of the Inventions in the United Kingdom and throughout the world (including the right to make further applications in respect of any part or parts of the matter contained in any earlier application);
 - (iii) any existing or future applications for patents or other forms of protection in any part of the world made in respect of the Inventions and all rights in or under such applications;
 - (iv) any patents or other forms of protection whenever granted in respect of the Inventions in any part of the world together with the right to bring proceedings for any previous infringement or for any previous act.
- (3) THIS Deed may be executed/acknowledged in counterparts and by each of the parties on separate counterparts each of which when executed and delivered shall be deemed to be an original and both counterparts together shall constitute one and the same Deed.
- (4) THIS Deed shall be governed by and interpreted in accordance with English law.

TO HOLD the same unto the Assignee absolutely

IN WITNESS whereof this document has been executed as a Deed and delivered the day and year first above written.

- (2) In accordance with contracts of employment between the Assignor and the Inventor and in accordance with Section 39(1) UK Patents Act 1977, all the rights, title, interest and property in the Inventions held by the Inventor have passed from the Inventor to the Assignor;
- (3) The Inventor wishes to confirm the Assignor's ownership of all rights, title, interest and property in the Inventions and to transfer to the Assignor any and all of that which may not previously have been passed to the Assignor;
- (4) In accordance with a Master Services Agreement dated 22 December 2012 all the rights, title, interest and property in the Inventions held by the Assignor have passed from the Assignor to the Assignee;
- (5) The Assignor wishes to confirm the Assignee's ownership of all rights, title, interest and property in the Inventions and to transfer to the Assignee any and all of that which may not previously have been passed to the Assignee, including any such rights, title, interest and property transferred to the Assignor from the Inventor by virtue of the present agreement, under the following terms;

NOW THIS DEED WITNESSETH as follows:

- (1) IN pursuance of which the Inventor as beneficial owner hereby confirms or transfers as a gift with full title guarantee (as the case may be) unto the Assignor;
 - (i) the whole of the legal ownership of the property in the Inventions and all such rights including the right to claim priority therefrom;
 - (ii) the right to apply for and obtain patent(s) or other forms of protection in respect of the Inventions in the United Kingdom and throughout the world (including the right to make further applications in respect of any part or parts of the matter contained in any earlier application);
 - (iii) any existing or future applications for patents or other forms of protection in any part of the world made in respect of the Inventions and all rights in or under such applications;
 - (iv) any patents or other forms of protection whenever granted in respect of the Inventions in any part of the world together with the right to bring proceedings for any previous infringement or for any previous act.

- (2) IN pursuance of which the Assignor as beneficial owner hereby confirms or transfers as a gift with full title guarantee (as the case may be) unto the Assignee;
- (i) the whole of the legal ownership of the property in the Inventions and all such rights including the right to claim priority therefrom;
 - (ii) the right to apply for and obtain patent(s) or other forms of protection in respect of the Inventions in the United Kingdom and throughout the world (including the right to make further applications in respect of any part or parts of the matter contained in any earlier application);
 - (iii) any existing or future applications for patents or other forms of protection in any part of the world made in respect of the Inventions and all rights in or under such applications;
 - (iv) any patents or other forms of protection whenever granted in respect of the Inventions in any part of the world together with the right to bring proceedings for any previous infringement or for any previous act.
- (3) THIS Deed may be executed/acknowledged in counterparts and by each of the parties on separate counterparts each of which when executed and delivered shall be deemed to be an original and both counterparts together shall constitute one and the same Deed.
- (4) THIS Deed shall be governed by and interpreted in accordance with English law.

TO HOLD the same unto the Assignee absolutely

IN WITNESS whereof this document has been executed as a Deed and delivered the day and year first above written.
