ASSIGNMENT

This Assignment is made on the date indicated below, by **Anthony LOCCISANO**, Assignor, to **HEXCEL CORPORATION**, Assignee, having a place of business at **11711 DUBLIN BOULEVARD, DUBLIN, CA 94568**.

WHEREAS, Assignor has invented a new and useful invention, entitled **UNWINDING OF MATERIALS**, for which an application in the United States Patent and Trademark Office was filed on October 23, 2017, assigned Application No. 62/575,589 (Hexcel Docket No. A16-07US), an application in Great Britain was filed on November 30, 2017, under Application No. GB 1719981.1 (Hexcel Docket No. A16-07GB), and for which a Patent Cooperation Treaty (PCT) was filed on October 18, 2018, assigned International Application No. PCT/EP2018/078604 (Hexcel Docket No. A16-07WO); and for which a United States National Stage application was filed on April 14, 2020, assigned Application No. 16/756,074 (Hexcel Docket No. A16-07-1US).

WHEREAS, Assignor believes himself to be original inventor of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, the parties desire to have a recordable instrument assigning the Assignors entire right, title and interest in and to said invention, said International PCT application and any Letters Patent that may be granted for said invention in Europe, the United States and throughout the world;

NOW, THEREFORE, in accordance with the obligations to assign the invention and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor sells, assigns, and transfers to Assignee, Assignor's entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claims for any such foreign applications of any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or

desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed divisional, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as to the Assignee of the entire interest in said invention.

I hereby authorize and request my attorney, Mark Bielawski, to insert on this assignment the application number and filing date when known.

Executed on this 10th day of March, 2020
Assignor: 
Anthony LOCCISANO
