ASSIGNMENT OF PATENT APPLICATION

Whereas, **TRENDLINES MEDICAL SINGAPORE PTE. LTD.** (company registration No: 201619400H) a company incorporated in Singapore and having its registered address at Blk 77 Ayer Rajah Crescent #02-21/26, Singapore 139954 (the “**Assignor**”) is owner of an invention entitled Device and method for preventing catheter associated urinary tract infection (the “**Invention**”) for which an application for a PCT Patent was filed on 3 August 2018 serial number **PCT/SG2018/050395** (the “**Application**”);

Whereas, LOH, Chee Mun, Eric; HAZAN, Yosi the inventors of the Invention (the “**Inventors**”) each assigned all his rights in the Invention and the Application to Trendlines Medical Singapore Pte. Ltd., who thereafter assigned all its rights in the Invention and the Application to the **Assignee**;

Whereas, **InterVaal Pte Ltd.** (company registration No: 201727934M) a company incorporated in Singapore and having its registered address at Blk 77 Ayer Rajah Crescent #02-21/26, Singapore 139954 (the “**Assignee**”), is desirous of acquiring the entire right, title and interest in the Invention and the Application.

Now, therefore, in consideration of the sum of **zero US dollars (US\$ 0.00)** in cash or in kind, the Assignor, does hereby sell, assign and transfer unto the Assignee the full and exclusive right to the Invention and the Application in the United States and the entire world, including the entire, title, and interest in patents and patent applications related and/or derivative of the Invention and/or the Application. The Assignor hereby sells, assigns and transfers unto the Assignee the full and exclusive right of the Application in the United States and to any and all patents which may be granted therefor in the United States, and all divisional, continuing, substitute, and reissue applications for patents which have been or shall be filed in the United States of America, or any other country, or according to any treaty (e.g. the Patent Cooperation Treaty).

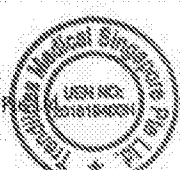

The Assignor agrees that, when requested, without charge to, but at the expense of, the Assignee, its successors, assigns and legal representatives, in order to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all original, divisional, continuing, substitute, reissue patent applications on said invention, execute all rightful oaths, affidavits, assignment, powers of attorney and other papers; communicate to the assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything reasonably possible which the Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for the Invention and the Application and for vesting title to said improvements, and all application for patents, in the Assignee, its successors, assigns and legal representatives.

The Assignor authorizes and requests the U.S. Commissioner of Patents and Trademarks and all patent issuing authorities worldwide to issue said patents to the Assignee as the Assignee of the entire right, title, and interest in and to the same, for its sole use and behalf, and for the use and behalf of its legal representatives, to the full end of the term for which said patents may be granted, as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made.

The Assignor hereby transfers to the Assignee the right to enforce, demand, bring suits and actions, and do any other act to request, order or otherwise have the Inventor to execute any document or do any act required to fully transfer to the Assignee all rights in the Invention and the Application, or provide Assignee any document or assistance required or necessary in the prosecution of the Invention and Application before any competent office.

The consideration hereunder along with applicable value added tax shall be paid by the Assignee to the Assignor within 30 days from the date that this Deed of Assignment is duly executed. Following payment Assignor shall issue Assignee a value added tax invoice with respect to such payment. Each of the undersigned parties shall be responsible for and bear all liability with respect to any and all taxes, levies, charges, dues or impositions applicable to it in connection with the assignment contemplated hereunder.
