**ASSIGNMENT**

For good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, I (we), the undersigned, **Thomas L. Fenton**, located at 14605 28<sup>th</sup> Avenue North, Minneapolis, MN 55447; **Jamie Krull**, located at 14605 28<sup>th</sup> Avenue North, Minneapolis, MN 55447; **Michael W. McKeand**, located at 14605 28<sup>th</sup> Avenue North, Minneapolis, MN 55447; and **Christopher Werthman**, located at 14605 28<sup>th</sup> Avenue North, Minneapolis, MN 55447,

**Hereby** sell, assign and transfer to **Crosstex International Inc.**, having a place of business at 10 Ranick Road, Hauppauge, NY 11788, its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions that are disclosed and claimed, and any and all inventions that are disclosed but not claimed, in the application for United States Patent that has been executed by the undersigned and is entitled:

**WATER TREATMENT DISPENSING APPARATUS**

U.S. Application Serial No.: 62/576,169 filed October 24, 2017

[The undersigned authorizes the attorney to insert the Serial number and filing date of the application when they become known.]

and in and to said application and all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries that have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents that have been or shall be issued on said inventions;

**Authorize** and request the Director of Patents of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions disclosed in said application;

**Agree** that said Assignee may apply for and receive foreign Letters Patents or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent

Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successor, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible that said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
