ASSIGNMENT

WHEREAS ADIMAB, LLC, a corporation of Delaware, whose post office address 7 Lucent Drive, Lebanon, New Hampshire 03766 USA (hereinafter referred to as Assignor) is an owner of the patent applications listed in Schedule A.

WHEREAS, SURFACE ONCOLOGY, INC, a corporation of Delaware whose post office address is 50 Hampshire Street, Cambridge, Massachusetts, 02139 USA (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to these inventions in all countries throughout the world, and in and to these patent applications and any subsequent applications filed in any jurisdiction throughout the world claiming priority to these applications, and in and to any Letters Patent to be issued upon any applications claiming priority to these applications in any jurisdiction throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, ADIMAB, LLC, as Assignor(s), has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, its entire right, title, and interest in and to these inventions, in all countries throughout the world, and in and to this application, any and all applications describing these inventions, any and all applications claiming priority to the filed applications, and to any Letters Patent to be issued upon these inventions or any applications claiming priority to the filed applications, including continuations, divisionals, reissues, and the like in any country; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, ASSIGNOR covenants that it has the full right to convey the interest assigned by this Assignment, and it has not executed and will not execute any agreement in conflict with this Assignment;

AND, ASSIGNOR HEREBY further covenants and agrees that it will, without further consideration, communicate with Assignee, its successors and assigns, any known facts respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to these inventions in said Assignee, its successors or assigns, execute all nonprovisional divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these inventions in the United States and any foreign country.

IN TESTIMONY WHEREOF, the below-named individual authorized to sign on behalf of ASSIGNOR, ADIMAB, LLC, has executed this document on the date indicated below.
