ASSIGNMENT

WHEREAS, we, Barry N. Fulkerson, a citizen of the United States of America, residing at 833 Incurable Circle, Longmont, CO 80504 and Mark F. Smith, a citizen of the United States of America, residing at 2661 Beech Circle, Longmont, CO 80503, have invented certain new and useful improvements in a "Modular Reservoir Assembly for a Hemodialysis and Hemofiltration System", for which an application for Letters Patent in the United States has been filed on March 31, 2010 and has been assigned Serial No. 12/751,930, and which relies on United States Provisional Patent Application Number 61/165,389, of the same title, filed on March 31, 2009, for priority. In addition, United States Patent Application Number 12/751,930 is a continuation-in-part of United States Patent Application Number 12/610,032, which relies on United States Provisional Patent Application Number 61/109,834, filed on October 30, 2008, for priority;

AND WHEREAS, Fresenius Medical Care Holdings, Inc. (hereinafter "ASSIGNEE"), a corporation of New York, with its principal place of business at 920 Winter Street, Waltham, MA 02451-1457, desires to acquire the entire right, title, and interest in and to the said improvements and the said Application:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, the said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said improvements, and the said application and all provisional applications relating thereto, and all divisions, renewals and continuations or continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.
