**PATENT**

**REEL: 052512 FRAME: 0162**

**ASSIGNMENT**

Whereas, **Robert T. Miller Sr.**, whose address is **121 Commercial Parkway Branford, CT 06405**, has made certain inventions and discoveries set forth in an application for Letters Patent of the United States of America entitled "**Device for Installing a Fence**" and is identified by IP Attorneys Group, LLC Docket No. 00249-P0001A.

**Regarding application number 16/820,792, filed March 17, 2020**

Whereas, **Quik-Link, LLC**, a United States corporation, whose address is **121 Commercial Parkway, Branford, CT 06405**, together with their successors and assigns hereinafter called "Assignees," are desirous of acquiring the title, right, benefits and privileges hereinafter recited:

Now, therefore, for valuable consideration furnished by Assignees to myself, the receipt and sufficiency of which I hereby acknowledge, I hereby, without reservation:

1. Assign, transfer and convey to Assignees the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent.

2. Authorize Assignees to file patent applications in any or all countries on any or all said inventions and discoveries in my name or in the name of Assignees or otherwise as Assignees may deem advisable, under the International Convention or otherwise.

3. Authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignees, as Assignees of the entire right, title and interest therein or otherwise as Assignees may direct.

4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries and that I have good right to assign the same to Assignees without encumbrance.

5. Bind my heirs, legal representatives and assigns, as well as myself, to do, upon Assignees' request and at its expense, but without additional consideration to me or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignees as fully and entirely as the same could have been held and enjoyed by me, my heirs, legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignees all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits inform and substance as may be requested by Assignees; to communicate to Assignees all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignees with any and all documents, photographs, models, samples and other physical exhibits in my control or in the control of my heirs, legal representatives or assigns and which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said inventions and discoveries.

In testimony of which I have signed my name below.
