ASSIGNMENT AND ASSUMPTION AGREEMENT

WHEREAS, Rae Anderson of Maple Ridge, B.C. Canada, an individual (hereinafter referred to as "Assignor"), is a co-inventor of inventions, patent applications, and patents entitled WATER PRODUCING METHOD AND APPARATUS, serial no. 11/221,075, filed September 6, 2005, and granted as U.S. Pat. 7,272,947 on September 25, 2007, and entitled WATER PRODUCING METHOD AND APPARATUS WITH ADDITIVE CONTROL SYSTEM, serial no. 11/833,491, filed August 3, 2007, and granted as U.S. Pat. 7,886,557 on July 15, 2011, and foreign counterpart patent applications and patents of the same or similar titles including without limitation PCT/US2005/031948 & WO2006029249 (WIPO), AU2005282371 (Australia), BRPI0514848 (Brazil), CA2580623 (Canada), CN101084405 & CN200580037832 (China), EP1794517 & 05803635.8 (European Union), KR20070047366 & 1020077007084 (Korea), MX2007002621 (Mexico), and VN1200700763 (Viet Nam), among other related items.

AND WHEREAS, Everest Water, Ltd., a Canada Limited corporation residing at 13075 Alouette Road, Maple Ridge, B.C. Canada (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said patent applications and Letters Patent, including any continuations, divisions, renewals, reissues and extensions thereof and the inventions covered thereby,

NOW, THEREFORE, in consideration of **One Dollar (\$1.00)** and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has irrevocably sold, assigned, transferred and set over, and by these presents does irrevocably and unconditionally sell, assign, transfer and set over, unto Assignee, Assignee's successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, patent applications, and Letters Patent, and in and to any and all provisional rights or applications, direct and indirect divisions, continuations and continuations-in-part of said applications, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, and in and to any and all priority rights, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of Assignee's successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor has irrevocably sold, assigned, transferred and set over, and by these presents does irrevocably and unconditionally sell, assign, transfer and set over, unto Assignee, Assignee's successors, legal representatives and assigns, the entire right, title and interest in and to all other intellectual property rights of Assignor that relate to the above-mentioned inventions, patent applications & Letters Patent, including without limitation, all proprietary know-how, software, works of authorship & copyrights (& extensions and renewals, & derivative rights thereof), trade secrets rights as may exist under applicable law & database rights & the entire and exclusive right to file for and protect, enforce, exploit, abandon, defend and maintain such intellectual property rights anywhere ("Other Intellectual Property").

AND Assignor transfers, conveys and assigns to Assignee, Assignee's successors, legal representatives and assigns, the entire and exclusive right to sue, make demands and seek and retain damages and recoveries for (i) any past, existing or future infringement or other violation of any of the aforementioned inventions and all existing and future Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and (ii) the Other Intellectual Property, in each case without any accounting or other obligation to Assignor or Assignor's successors, legal representatives and assigns.

AND, for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, Assignor is the lawful owner of the entire right, title and interest in and to the above-mentioned inventions, patent applications, Letters Patent and Other Intellectual Property, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, Assignee's successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for (i) the effectuation and recordation of the assignment and conveyances contemplated herein; or (ii) the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, Assignee's successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of Assignee's successors, legal representatives and assigns, shall advise, that any proceeding in connection with said inventions, or said applications for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference and other administrative and court proceedings, is lawful and desirable; or, that any provisional, conventional, division, continuation or continuation-in-part of any application for Letters Patent and any application claiming priority to said applications, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, Assignee's successors, legal representatives and assigns, that Assignor will sign all papers and documents, to update this assignment with new application serial numbers, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Other Intellectual Property, without charge to Assignee, Assignee's successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of Assignee's successors, legal representatives and assigns, shall advise, that any such actions are desirable. In the event that Assignor is unable, unavailable, and/or unwilling to sign all such papers and documents and do all acts noted above, Assignor hereby grants a limited power of attorney to and appoints the attorneys associated with US Patent Office Customer # 62,993 as attorneys-in-fact to so sign and do all such acts hereby agreed to by Assignors, and which may be required of and desired by Assignee as contemplated by this Assignment and Assumption Agreement.

AND Assignee hereby assumes all rights and obligations with respect to the aforementioned inventions, applications, Letters Patent and Other Intellectual Property from and after the effective date hereof.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, Assignee's successors, legal representatives and assigns.

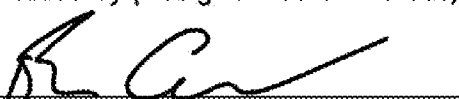

AND Assignor hereby grants the following individuals the power to insert on this Assignment and Assumption Agreement any further information and identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any foreign country for recordation of this document:
