DECLARATION AND ASSIGNMENT FOR SINGLE ASSIGNEE

Title of
Invention

ODOR EMISSION SYSTEM, DEVICE AND METHOD

As the below named inventor, I hereby declare that:

This declaration ☒ The attached application, or
is directed to: ☐ United States application or PCT international application number _____
filed on _____.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

WHEREAS, **Barron Associates, Inc.** (hereinafter referred to as "ASSIGNEE") having a place of business at **1410 Sachem Place, Suite 202, Charlottesville VA 22901** is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right to the said invention, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application) and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of said ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

I agree to assist ASSIGNEE, or ASSIGNEE's designee, at ASSIGNEE's expense, in every way to secure ASSIGNEE's rights in the above inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, including disclosing to ASSIGNEE all pertinent information and data with respect thereto, and executing all applications, specifications, oaths, assignments and all other instruments that ASSIGNEE shall deem necessary in order to apply for and obtain such rights and in order to assign and convey to ASSIGNEE, ASSIGNEE's successors, assigns, and nominees the sole and exclusive rights, title and interest in and to such inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or will continue after the termination of any existing relationship or agreement with the ASSIGNEE. If ASSIGNEE is unable because of my mental or physical incapacity or for any other reason to secure my signature to apply for or to pursue any application for any United States of America or foreign patents or copyright registrations covering such inventions or original works of authorship assigned to ASSIGNEE as above, then I hereby irrevocably designate and appoint ASSIGNEE and ASSIGNEE's duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent, or copyright registrations thereon with the same legal force and effect as if executed by me.

I hereby grant the firm of **WILLIAMS MULLEN, PC** and its agents the power to insert on this assignment any further identification, including but not limited to application number(s) and filing dates, which may be necessary or

desirable in order to comply with any rule or request of the United States Patent and Trademark Office or other country or regional patent office for the purposes of recording this document.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

WHEREAS, **Barron Associates, Inc.** (hereinafter referred to as "ASSIGNEE") having a place of business at **1410 Sachem Place, Suite 202, Charlottesville VA 22901** is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right to the said invention, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application) and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of said ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

I agree to assist ASSIGNEE, or ASSIGNEE's designee, at ASSIGNEE's expense, in every way to secure ASSIGNEE's rights in the above inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, including disclosing to ASSIGNEE all pertinent information and data with respect thereto, and executing all applications, specifications, oaths, assignments and all other instruments that ASSIGNEE shall deem necessary in order to apply for and obtain such rights and in order to assign and convey to ASSIGNEE, ASSIGNEE's successors, assigns, and nominees the sole and exclusive rights, title and interest in and to such inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or will continue after the termination of any existing relationship or agreement with the ASSIGNEE. If ASSIGNEE is unable because of my mental or physical incapacity or for any other reason to secure my signature to apply for or to pursue any application for any United States of America or foreign patents or copyright registrations covering such inventions or original works of authorship assigned to ASSIGNEE as above, then I hereby irrevocably designate and appoint ASSIGNEE and ASSIGNEE's duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent, or copyright registrations thereon with the same legal force and effect as if executed by me.

I hereby grant the firm of WILLIAMS MULLEN, PC and its agents the power to insert on this assignment any further identification, including but not limited to application number(s) and filing dates, which may be necessary or

desirable in order to comply with any rule or request of the United States Patent and Trademark Office or other country or regional patent office for the purposes of recording this document.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
