PARTIES

WAYNE KEVIN CRAIG of 32 Vermillion Blvd. Hilbert, Western Australia and KARL VERNON PYETT of 71 Stafford Road, Kenwick, Western Australia (together the "Assignor");

AND:

SAVA IP PTY LTD ACN 614 328 497 of C/- MGI Parkinson, Level 1, 322 Hay Street, Subiaco, Western Australia (the "Assignee").

INTRODUCTION

- A. The Assignor has devised or contributed to the Invention.
- B. The Assignor acknowledges that the Assignee is or should be the legal and beneficial owner of the Invention and the Intellectual Property Rights for the portion so far as it pertains to WAYNE KEVIN CRAIG's interest as a joint owner.
- C. The Assignee is a company incorporated in Western Australia in which WAYNE KEVIN CRAIG is the sole director.
- D. The Assignor has made an application to have the Invention and Intellectual Property Rights registered worldwide under the international Patent Cooperation Treaty (PCT).
- E. The Assignor has agreed to assign the portion of the Invention and the Intellectual Property Rights in so far as it relates to WAYNE KEVIN CRAIG's ownership and use of the Invention and the Intellectual Property Rights to the Assignee subject to the terms and conditions of this Deed.

COVENANTS

1. DEFINITIONS

In this Deed, including the Introduction, the following terms will have the following meanings:-

Copyright means all copyrights and all rights in the nature of copyright, in any original artistic, literary and other works comprising or relating to the Invention, that exist or may in the future exist anywhere in the world;

Design Rights means all rights in and to the designs to be applied to articles of, or relating to, the Invention, that exist or may in the future exist anywhere in the world including,

but not limited to:

- a) the right to apply for and obtain protection for such designs in relation to such articles and the rights conferred by such protection when granted;
- b) the right to claim priority under any international convention or agreement, including the Paris Convention (as amended), from any such application referred to in paragraph (a); and
- c) all unregistered design rights arising from the Invention.

Intellectual Property Rights means all industrial and intellectual property rights (whether protectable by statute, at common law or in equity) in and to the Invention that exist or may in the future exist anywhere in the world and whether or not registered or registrable, including the Patent Rights, Copyright and Design Rights;

Invention means any and all inventions the subject of the Patent Applications as improved, modified, developed or amended at any time before execution of this Deed by the Assignor;

Patent Applications means the patent applications identified in the Schedule;

Patent Rights means all patent rights in and to the Invention that exist or may in the future exist anywhere in the world including, but not limited to:-

- (a) the right to apply for and obtain patents or other similar forms of protection for the Invention in any country;
- (b) the right to claim priority under any international convention or agreement, including the Paris Convention (as amended) from any application referred to in paragraph (a);
- (c) all rights conferred by any patents or similar forms of protection obtained from any applications referred to in paragraphs (a) and (b); and
- (d) the Patent Applications together with:
 - (i) any patent that may be granted pursuant to the Patent Applications; and
 - (ii) any future patent(s) and patent application(s) that are based on or derive priority from or have equivalent claims to the Patent Applications in any country in the world (including divisionals, continuations, continuations in part, supplementary protection certificates, reissues, extensions, innovation patents and petty patents).

2. ASSIGNMENT

2.1 The Assignor assigns to the Assignee absolutely all of the Assignor's rights, in so far as it relates to the ownership, use, title and interest in and to:

2.1.1. the Invention; and

2.1.2. the Intellectual Property Rights;

TO THE EXTENT that those rights apply to WAYNE KEVIN CRAIG's interest and ownership only.

2.2 The Assignee and Assignor acknowledge that the Invention and Intellectual Property Rights being assigned under this Deed, are linked to the Patent Applications and include those contained within Australia and any and all applications being made under the PCT relating to the worldwide use and worldwide registration of the Invention and Intellectual Property Rights derived from or as a result of information contained in the Patent Applications.

2.3 The Assignor acknowledges that it shall do all things necessary including signing of any further transfer of ownership documents to enable the Assignee to be registered as the new joint holder of the Invention and the Intellectual Property Rights in substitution of WAYNE KEVIN CRAIG under this Deed, such that the new owners of the Invention and Intellectual Property Rights will be held as tenants in common in equal shares between the Assignee and KARL VERNON PYETT.

2.4 The Assignor and Assignee acknowledge that the rights being assigned under this Deed are sufficiently identifiable. If any derivative or new application number is assigned to, by or for any of the Patent Applications as a result of the Patent Applications made, such assignment shall also relate to those new Patent Applications.

2.5 The assignments effected by clause 2.1 include the assignment and transfer of:

2.5.1. the right to sue for damages for infringement or misuse of the Intellectual Property Rights; and

2.5.2. all other rights of action, powers, legal and equitable remedies, and benefits arising from ownership of the Invention and the Intellectual Property Rights, in relation to all causes of action arising before, on or after the date of this Deed.

2.6 The Assignor:

2.6.1. waives all of the Assignor's moral rights arising from the Invention and Intellectual Property Rights throughout the world in so far as they relate to WAYNE KEVIN CRAIG's interest in the Invention and Intellectual Property. The Assignor does not waive any moral rights in relation to KARL VERNON PYETT by virtue of KARL VERNON PYETT

remaining as joint owner of the Invention and Intellectual Property; and
2.6.2. consents to all uses and treatments including licensing by and authorisation
of use by the Assignee of the Invention and the Intellectual Property
Rights;

to the extent that the Assignor may lawfully do so.

2.7 For the avoidance of doubt the Assignor does not assign any interest whatsoever in
the Patent Applications as listed in the Schedule so far as they relate to the Invention
and the Intellectual Property Rights in relation to KARL VERNON PYETT's
interest or ownership in the Invention and Intellectual Property Rights.

2.8 This Deed, shall bind the Assignor to assign the rights associated with this Deed
under the Patent Applications and those rights obtained under the applications made
under the PCT, such that they can be transferred and assigned to the Assignee and
the Assignee and Assignor by execution of this Deed agrees to instruct the
Assignor's patent solicitors to effect such transfer as soon as reasonably practicable
so as not to hinder or unreasonably delay the Assignee.

3. ATTORNEY

The Assignor hereby irrevocably appoints the Assignee to be the authorised attorney of
the Assignor with the power to and authority to, prepare and execute on the Assignor's
behalf, any and all documents of whatsoever nature, necessary and desirable to complete
the assignment of rights to the Assignee as reasonably required to give effect to this Deed
and in complying with the obligations and conditions of this Deed.

4. FURTHER ACTIONS

If requested by the Assignee the Assignor will, at the Assignee's expense, execute all
documents, give such assistance and do all other acts and things as may be necessary or
desirable to give effect to the assignment in this Deed and to enable the Assignee to
prosecute, maintain, renew, enforce and defend the Invention and Intellectual Property
Rights.

5. GENERAL

5.1 **Waiver:** No failure or delay by any party in exercising any right, power or privilege
under this Deed will operate as a waiver of such right, power or privilege, nor will
any single or partial exercise preclude any other or further exercise of any right,
power or privilege under this Deed.

5.2 Counterparts:

5.2.1. This Deed may be executed in any number of counterparts (including

facsimile or electronically scanned copies) all of which, when taken together, will constitute one and the same instrument.

5.2.2. A party may enter into this Deed by executing any counterpart. The parties acknowledge that this deed may be executed on the basis of an exchange of facsimile or electronically scanned copies and confirm that their respective execution of this Deed by such means will be a valid and sufficient execution.

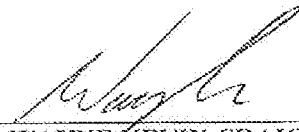

5.3 **Governing law:** The formation, validity, construction and performance of this deed will be governed by and construed in accordance with the laws of Western Australia. The parties irrevocably agree that the Courts of Western Australia will have non-exclusive jurisdiction to hear and determine all disputes under or in connection with this Deed.
