## ASSIGNMENT

WHEREAS, Express Scripts, Inc., a corporation duly organized under the laws of the State of Delaware, (hereinafter referred to as "Assignor"), having its principal office and place of business at One Express Way, St. Louis, Missouri 63121 is the sole owner of the entire right, title and interest in and to the listed patents and patent applications set forth in Schedule A attached hereto and in and to the inventions described therein; and

WHEREAS, Express Scripts Strategic Development, Inc., a corporation organized and existing under the laws of the State of New Jersey, with its principal office and place of business at One Express Way, St. Louis, Missouri 63121 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire rights, titles and interests in and to the inventions, patents and patent applications set forth in Schedule A including any patents that may issue based on the pending applications; and

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN THAT, for good and valuable consideration paid by Assignee, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents does hereby assign, sell, transfer and set over to said Assignee, Assignor's entire rights, titles and interests in and to said inventions and in and to the patents and patent applications set forth in Schedule A, including any patents that may issue therefore and including any and all continuations, divisions, reissues, continuations-in-part, and reexamination, together with the right to file and obtain foreign patents and applications therefor, all of said rights to be held and enjoyed by Assignee for its own use and for the use of its legal representatives, successors and assigns, to the full end of the term or terms for which said patents may be granted as fully and entirely as the same would have been held and enjoyed

by Assignor if this assignment and sale had not been made; and the same to include any and all past and present rights and powers, under statutory and common law, including the right to sue others for infringement and collect damages, which have accrued or may accrue to Assignor of any and all kind and nature pertaining to said inventions, patents and patent applications.

Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue in accordance with this Assignment any and all Letters Patent that may be granted on any of said patent applications, including any foreign patent applications, to said Assignee for its sole use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns.

IN WITNESS WHEREOF, Assignor has hereunto set his hand and seal.
