ASSIGNMENT

I, alone or together with others listed below, have made a certain invention described and claimed in an application for United States Letters Patent such application entitled:

FLAME RETARDANT POLY(VINYL CHLORIDE) COMPOUNDS

Now, for good and valuable consideration, the receipt of which is acknowledged, I hereby sell, assign, and transfer unto **POLYONE CORPORATION**, an Ohio corporation, having its principal place of business at **PolyOne Center, 33587 Walker Road, Avon Lake, Ohio 44012**, its successors, legal representatives and assigns, my entire right, title and interest in, to and under such certain invention and application and any letters patent of the United States which may be issued thereon, together with all non-provisional applications claiming priority therefrom and all divisions, continuations, and common subject matter of continuations-in-part of said non-provisional applications, all reissues or reexaminations of any letters patent thereof, and all applications, industrial design rights, and patent rights for such certain invention in all countries other than the United States of America; and I further agree, alone or together with others listed below, to execute all further documents (paper or electronic) and do all further acts appropriate to fully vest in **POLYONE CORPORATION** my rights herein conveyed.

I also assign to **POLYONE CORPORATION** all rights that I have to claim any right of priority to this patent application in this or any other country under any applicable law or treaty.
