**ASSIGNMENT**

**FOR GOOD AND VALUABLE CONSIDERATION** including employment by **ENVENTURE GLOBAL TECHNOLOGY, INC.**, the receipt and sufficiency of which is hereby acknowledged, **Nanda Kishore Boddeda**, (“**ASSIGNOR**”), having made an invention in “**Expandable Connection**” while in the employ either as an employee or consultant of **ENVENTURE GLOBAL TECHNOLOGY, INC.**, a corporation doing business at 15995 N Barkers Landing, Suite 350, Houston, Texas 77079, (sometimes hereinafter called “**ASSIGNEE**”), do hereby **ASSIGN, SELL and CONVEY** to said **ASSIGNEE**, its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in “**Expandable Connection**”;
2. United States of America patent application Serial No. 62/537,644, filed July 27, 2017, entitled “**Expandable Connection**”;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention and for infringement of said patents and like protection;
7. The right in **ASSIGNEE** to file in its name applications for patents and like protection for said invention in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents, and like protection;

and I covenant that I, and my heirs, legal representatives, assigns, administrators, and executors, will, at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

Each ASSIGNOR hereby waives and forfeits any and all rights he/she presently has, or in the future may have, to challenge the validity and enforceability of any application or patent falling within the scope of this assignment, including but not limited to challenges in a court, before a patent office, or before any other body or entity, further including but not limited to *inter partes* proceedings, re-examination proceedings, covered business method review, or post-grant review before the United States Patent and Trademark Office.

EXECUTED on the date indicated below, opposite my signature.
