ASSIGNMENT

THIS ASSIGNMENT, made by us, **William Wingfield**, with a mailing address of 2102 Stoneheather Road, Richmond, Virginia 23238;

WITNESSETH: That,

WHEREAS, I am the inventor of certain new and useful improvements in **Chelated Metal Oxide Gel Compositions** for which U.S. Provisional Patent Application No: 61/736,089 was filed on December 12, 2012, Patent Cooperation Treaty (PCT) Application No. PCT/US2013/00273 was filed on December 3, 2013; and U.S. Application No. 14/542,193 was filed on November 14, 2014 in the U.S. Patent and Trademark Office; and

WHEREAS, **AG Tech LLC**, a business having a principal place of business at 1601-C Overbrook Road, Richmond, Virginia 23220, hereinafter referred to as assignee, is desirous of acquiring my entire right, title and interest in and to said invention as described in said application(s), and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer and convey unto said assignee, its successors and assign, the entire right, title, and interest in and to the said invention and application(s), and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby request that said Letters Patent be issued in accordance with this assignment.

I further covenant and agree that, at the time of the execution and delivery of these presents, and to the extent such rights have not already been conveyed to the assignee, I possess

full title to the invention and applications above-mentioned, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to promptly communicate to said assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and I hereby instruct, and further covenant and agree to bind my heirs, legal representatives, and assign, to do same, without further compensation, but at the expense of said assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 5th day of May, 2020.
