## ASSIGNMENT

WHEREAS, I, David R. Bloch, have invented a new design for a utensil, for which an application for United States design patent has been prepared and filed on July 18, 2018, receiving Serial No. 29/657,046, and further identified as Attorney File No. 6562-4402US;

WHEREAS, Outdoor Edge Cutlery Corporation having a place of business at 5000 Osage Street, Suite 800, Denver, CO 80221 ("ASSIGNEE"), desires to acquire all right, title, and interest in and to the above-identified application and the design(s) and invention(s) described therein, and any patent issuing from the application in the United States and in all foreign countries;

NOW THEREFORE, be it known I, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is acknowledged, sell, assign, and transfer unto ASSIGNEE, their successors, legal representatives, and assigns, the application and the inventions and designs described therein for the territory of the United States of America and all continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications under the Hague Agreement Concerning the International Registration of Industrial Designs; all applications under the Patent Cooperation Treaty; all applications for extension filed or to be filed for the inventions; and all Letters Patent, Invention and Design Registrations, Utility Models, Extensions, Reissues, and other patent or registration rights obtained for the designs or inventions described in the application in the United States of America or any other country;

I also assign any right, title, and interest in and to the application and the designs and inventions described therein that have not already been transferred to the ASSIGNEE;

I warrant that I have made no assignment of the application, inventions, designs, patents, registrations, or other protections therefor to a party other than ASSIGNEE and I am under no obligation to make any assignment to any other party; and

I further agree to cooperate with the ASSIGNEE in obtaining and sustaining of any and all such patent and other protections contemplated herein and in confirming ASSIGNEE's exclusive ownership of the application and the designs and inventions described therein, but at the expense of ASSIGNEE.

The Commissioner of Patents is authorized and requested to issue any U.S. Letters Patent solely in accordance with the terms of this Assignment, to Outdoor Edge Cutlery Corporation, their successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date(s) indicated below.
