PATENT ASSIGNMENT

WHEREAS, Syndesy, LLC a Delaware limited liability company ("Assignee"), and Consent Depot, LLC a Delaware limited liability company ("Assignor"), have entered an Asset Purchase Agreement (the "Agreement") dated April 24, 2020, under which Assignor agreed to sell and Assignee agreed purchase certain assets of Assignor, including patents and/or all patent applications, which are listed below (collectively, the "Patents"), including the inventions described therein, the renewals therefore and all claims for past or future infringement thereof.

WHEREAS, the Assignor owns all right, title and interest in and to the patents and/or patent applications listed below, including the inventions described therein, the renewals therefor and all claims for past or future infringement thereof.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged in the Agreement, Assignor does hereby sell, assign, convey and transfer unto Assignee, its successors and assigns, free and clear of any and all liens, restrictions, claims and encumbrances, Assignor's entire right, title, and interest in and to the Patents and divisions, continuations or continuations-in-part thereof, together with all rights of registration, maintenance, and protection thereof in any form, all rights to income, royalties, damages and payments now due or hereafter due or payable in respect thereto, and all rights of recovery and of legal action for past or future infringements and of interference proceedings and reexaminations involving such Patents.

This Assignment is to be executed and delivered with the executed Agreement, and it is the intention of the parties that it shall be construed, interpreted and applied in accordance with the laws of the State of Delaware without regard to its conflicts of law principles.

Listing of Patents and Patent Applications assigned herein:

The provisional patent application entitled "Methods and Systems for Providing Mobile Consent Verification", filed on December 31, 2018 and assigned Serial No. 62/786,738, now expired;

The US patent application entitled "Methods and Systems for Providing Mobile Consent Verification", filed on April 6, 2019 and assigned Serial No. 16/377,202; and

The US patent application entitled "Methods and Systems for Providing Mobile Consent Verification", filed on November 4, 2019 and assigned Serial No. 16/593,650.

IN WITNESS WHEREOF, Assignor has duly executed this Assignment on this 24 day of April, 2020.

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.
