ASSIGNMENT

WHEREAS, **Donald Roache**, residing in Westlake Village, California, **Bradley Collar**, residing in Valencia, California, and **Lewis Ostrover**, residing in Los Angeles, California, have made certain new and useful inventions in ADDING MOTION EFFECTS TO DIGITAL STILL IMAGES and have disclosed same in application(s) for Letters Patent of the United States therefor, said application(s) having been filed with the U.S. Patent and Trademark Office as set forth below:

<u>U.S. Provisional Serial No.</u>	<u>Filed Date:</u>
62/446,149	January 13, 2017

<u>International Application No.</u>	<u>Filed Date:</u>
PCT/US18/13651	January 12, 2018

WHEREAS, Warner Bros. Entertainment Inc., a corporation organized and existing under the laws of Delaware and having a place of business at 4000 Warner Boulevard, 156 South, Room 5158, Burbank, California 91522 (hereafter called the "ASSIGNEE"), is desirous of acquiring the entire interest in all inventions disclosed in said application(s);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we by these presents do sell, assign and transfer unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right to the inventions, as described in the aforesaid application, including patent, copyright and any other intellectual property rights, any provisional, non-provisional, continuation, continuation in part, divisional, reissue, reexamination, foreign, PCT or other patent application or like document, or any other application which claims priority to said application, including the rights to sue for all past and future causes of action related to said inventions, in the United States and all foreign countries, together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States adheres, and hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to ASSIGNEE, for the sole use and benefit of ASSIGNEE, its successors, assigns and legal representatives.

And we hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, we do hereby, for each of us and for our legal representatives, further covenant and agree with said Assignee, its successors

and assigns, that we have full and unencumbered title to the inventions and application above described and hereby assigned, which title we warrant unto said Assignee, its successors and assigns; that we have granted to others no license to make, use, or sell said inventions; and that we will not execute any instrument in conflict herewith.

And for the consideration aforesaid, we do hereby, for each of us and for our legal representatives, further covenant and agree with said Assignee, its successors and assigns, that upon request we will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignee, its successors and assigns, any facts known to us relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for said Assignee, may be necessary or convenient to secure the grant of Letters Patent to said Assignee, its successors and assigns, or its nominees, in the United States and in all other countries where said Assignee may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for said Assignee, and to vest and confirm and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable it to record said title, without further consideration than now paid but at the expense of said Assignee, its successors or assigns.
