For good and valuable consideration, the receipt and adequacy whereof is accepted and acknowledged, I (We),

Krishna Kamath, residing at 4 Riverhurst Road, Unit 241, Billerica, MA 01821, a US citizen, hereafter individually or collectively referred to as "Assignor(s)";

Hereby, (I) acknowledge having previously assigned, sold and transferred to **Evoqua Water Technologies LLC**, a corporation organized and existing under the laws of DELAWARE, having its principal place of business at 210 Sixth Avenue, Suite 3300, Pittsburgh, PA 15222 hereinafter "Assignee", its successors, assigns and legal representatives, or to a predecessor of Assignee, pursuant to (A)(i) the laws of DELAWARE or (ii) a Patent & Secrecy Agreement or similar legal document such as, without limitation, an employee agreement executed at the time of entering into the employment of, or executed as a condition of continuing employment with, the Assignee or a predecessor of the Assignee, the entire right, including any and all priority rights, title and interest, in and for the United States and all foreign countries, and rights to claim priority under the laws of the United States and any international treaty, in and to any and all inventions or improvements which are disclosed in an invention disclosure and/or in the below-identified patent document(s) currently filed with this Assignment, already filed or granted for Letters Patent (in which case, any provision of the subject Assignment that is in conflict with or is in addition to any provision in the prior agreement(s) or assignment(s) then this Assignment shall govern, take precedence, and be of legal effect), or

(B)(i) to the extent such laws of DELAWARE or such Patent & Secrecy Agreement or similar legal document failed or fails, in whole or part, to have assigned, sold or transferred the entire right (including priority rights), title and interest, in and for the United States and all foreign countries, in and to all inventions or improvements which are disclosed in the below-identified application(s) or pending application(s) or granted Letters Patent, or (ii) if no such agreement(s) exist assigning, selling or transferring any such right, title or interest; then for good and valuable consideration, the receipt and adequacy whereof is accepted and acknowledged, Assignor(s) now and hereby, effective Nunc Pro Tunc on the filing date of the below-identified patent document(s), convey, assign, sell and transfer(s) to Assignee, for its own use and behoof, its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, including all priority rights and rights to claim priority under the laws of the United States and any international treaty, in and to any and all inventions and/or improvements disclosed in the below-identified document(s)

Patent Application Title : Composite Loop Chain
Application Filing Date : September 13, 2019
Application No. : 16/493,932
