**INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT AGREEMENT****THIS AGREEMENT**

is dated February 17<sup>th</sup>, 2020, and is made:

**BETWEEN**

- (1) Thule Inc. (reg. no. 33-749), a company organised and existing under the laws of United States and having its registered office in Seymour, United States (hereinafter referred to as "Assignor").

**AND**

- (2) Thule Sweden AB (reg. no. 556076-3970), a company organised and existing under the laws of Sweden and having its registered office in Hillerstorp, Sweden (hereinafter referred to as "Assignee").

Each of the Assignor and the Assignee is hereinafter referred to as a "**Party**" and jointly as the "**Parties**".

**WHEREAS**

- (A) The Assignor and Assignee are both members of the Thule group of companies (hereinafter referred to as "Thule Group"), which is a multinational group of companies;
- (B) The Assignor is the owner of certain Packs, Bags & Luggage ("PB&L") intellectual property ("IP") rights, as defined in paragraph I;
- (C) The Assignee is the main responsible entity within Thule Group for product development and also owns and manages some IP rights related to PB&L;
- (D) In order to centralize and have all Thule Group's IP rights related to PB&L managed and owned by the Assignee, the Assignor intends to assign all its PB&L IP rights as defined in paragraph I to the Assignee, and the Assignee intends to acquire said PB&L IP rights from the Assignor.

**NOW THEREFORE**, in consideration of the premises and mutual covenants hereinafter contained, the Parties hereby mutually agree as follows:

**I. Definitions**

PB&L IP rights – "PB&L IP rights" shall mean all IP owned by Assignor related to the PB&L product category without limitations, and includes both design- and functional IP of a both registered and non-registered nature. The registered IP is listed in Annex I to this Agreement.

**II. Assignment**

1. The Assignor hereby assigns to the Assignee, and its successors and assigns, all of its right, title and interest in and to the PB&L IP rights, including for the avoidance of doubt

all good-will and right to royalties related thereto, and the Assignee hereby accepts this assignment. The assignment shall take effect upon the signing of this Agreement.

2. The assignment under Section II.1 is complete and includes any and all rights of enforcement with respect to the PB&L IP rights, including all rights to sue and recover for past infringement hereof, and any and all causes of action related thereto. Furthermore, the Assignee may in its sole discretion transfer, license or otherwise dispose of all or any part of the rights assigned hereunder as well as make modifications or changes to the PB&L IP rights, as it sees fit.
3. The Assignee shall assume full responsibility for any pending opposition proceedings or applications before relevant IP authorities as well as any pending infringement actions with respect to the PB&L IP rights.
4. The Assignor agrees that it will, at any time upon request, free of charge execute and deliver all such documents, forms and authorizations and the similar as may be required by the relevant registration authorities in all jurisdictions concerned, for the registration of the assignment of the PB&L IP rights. However, the Assignee is under no obligation to register the assignment with all registration authorities.
5. The Assignee shall pay all fees charged by the registration authorities and IP agents and the similar assisting in connection with the registration of the assignment.

### **III. Consideration**

As full and final consideration of the assignment of the PB&L IP rights and in accordance with performed fair market valuation, the Assignee shall pay the sum of 3,600,000 USD to the Assignor within ten business days from the mutual signing of this Agreement.

### **IV. Warranty**

The Assignor warrants that it is the sole owner of the PB&L IP rights, that the Assignor has the full legal right to assign these rights to the Assignee and that the PB&L IP rights are not, as of the date hereof, pledged to a third party.

### **V. Confidentiality**

1. The Assignor shall maintain strict confidence and secrecy in respect of all information of a confidential or proprietary nature received by it directly or indirectly pursuant to this Agreement and shall use its reasonable endeavours to procure that its officers and employees and agents shall maintain strict confidence and secrecy in respect of such information (save only for such disclosures as it is appropriate to make to officers or employees of any member of the group of which the Assignor is also a member and whose province it is to know the same or when required by law or any regulatory body or authority).
2. The obligations as to confidentiality contained in Clause IV. shall not extend to information which is from time to time already public knowledge or becomes so at a later date (otherwise than as a result of a breach of this Clause IV.).
3. Notwithstanding any other provisions of this Agreement, the covenants and obligations of this Clause IV. shall survive indefinitely and the Provider shall continue to observe them.

**VI. Amendments**

No modification, amendment or waiver of this Agreement or provision hereof shall be binding upon any Party unless made in writing and confirmed by both Parties in writing by their duly authorised representatives.

**VII. Assignments**

This Agreement shall be binding upon and inure to the benefit of the successors of the Parties.

**VIII. Partial Invalidity**

In the event that any term or condition of this Agreement shall be declared or deemed void, invalid or unenforceable in whole or in part for any reason, this Agreement shall be construed as if the same had not been inserted and the remaining provisions of this Agreement shall continue in full force and effect.

**VIV. Notices**

Unless otherwise provided, all notices, demands, consents or other communications that are permitted, or required to be given, by one of the Parties to another Party to this Agreement shall be written in English. Such notices shall be deemed to be properly given if sent by electronic mail, telecopy or registered mail addresses to the facsimile number or registered office of all the Parties. Each Party may by notice to the other Party designate a new address and/or facsimile number to which all notices shall be delivered or mailed. Except as otherwise provide, all notices shall be effective upon receipt.

**X. Governing Law and Disputes**

1. This Agreement and the rights and obligations of the Parties hereto shall be governed by and construed in accordance with the laws of Sweden.
2. The courts of Sweden shall have exclusive jurisdiction over any dispute, controversy or claim arising out of or in connection with this Agreement.

**XI. Headings**

The headings or titles used herein are for the purpose of convenience only and are not to be used in construing the meaning or intent of this Agreement.

**XII. Language and Copies of the Agreement**

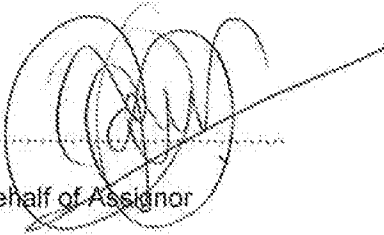

This Agreement has been duly executed in two (2) duplicate originals in English, of which each Party has received one (1) duplicate original, and all originals shall be equally valid.

This Agreement may be translated into languages other than English. However, in the event of conflict, the English language version shall prevail.

**IN WITNESS**

Whereof the Parties hereto have executed this Agreement the 17<sup>th</sup> of February 2020.
