11. To the best of my knowledge and belief, the last known address for inventor Peter Ciurea that can be confirmed is: 12A Lost Valley Drive, Orinda, CA 94563.

SHOWING OF PROPRIETARY INTEREST

12. To the best of my knowledge and belief, all twenty eight inventors have accepted that as from the date that the invention(s) was(were) conceived, the invention(s) was(were) devised during the course of their employment with Visa and that all rights in and to the invention(s) reside with Visa absolutely.
13. The remaining twenty seven inventors, Ed Katzin, Julian Hua, Greg Storey, Michael Mori, Abhinav Shrivastava, Amit Bhargava, Andrew Beck, Ayman Hammad, Ben Pfisterer, Diane Salmon, Igor Karpenko, Jennifer Schulz, Miroslav Gavrilov, Patrick Faith, Phillip Kunnick, Saurav Chatterjee, Sebastian Badea, Shaw Li, Shipra Jha, Stacy Pourfallah, Susan French, Tenni Theurer, Ted Harris, Thomas Purves, Vanita Pandey, Victoria Graham, Prakash Hariramani, have each executed assignment and declaration documents.
14. As shown in Exhibit A, Peter Ciurea joined Visa 13 years ago. Peter Ciurea in his capacity as a Director was hired amongst other things, for the express purpose of making inventions to solve problems encountered by him in the course of his normal duties with Visa and as such under the U.S. law the rights in such inventions, including the invention(s) of the application, belong to Visa.
15. I also confirm that since the conception of the invention(s), at no time has Peter Ciurea or any of the other twenty seven inventors suggested to me that ownership of the invention(s) was held by anyone other than their employer Visa and I note that all of the other twenty seven inventors have executed assignments to demonstrate that all rights in the inventions reside with Visa.

16. I hereby declare that all statements made herein of my knowledge are true and that all statements made on information and brief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted.

Dear Peter,

I hope all is well with you in your new pursuits. You were a prolific inventor at Visa and we continue to acknowledge your many contributions. We are making progress prosecuting your patent applications to assure that they issue and you are able to count them among your granted patents. To keep the process moving, we've reached the point where there are Assignments and Declarations that need to be signed and returned by April 3, 2013. Unfortunately the patent office does not allow us to use one Assignment and Declaration for all of the applications, so I've included the following documents needing your review and signature:

- (1) An Assignment for U.S. Patent Application No. 61/658,055
- (2) An Assignment for U.S. Patent Application No. 61/658,047
- (3) An Assignment for U.S. Patent Application No. 61/678,492
- (4) An Assignment for U.S. Patent Application No. 61/767,709
- (5) An Assignment and Declaration for U.S. Patent Application No. 13/520,481
- (6) An Assignment and Declaration for U.S. Patent Application No. 13/553,131
- (7) An Assignment and Declaration for U.S. Patent Application No. 13/675,301
- (8) A Declaration for U.S. Patent Application No. 13/720,781

For each application requiring a signed Declaration, I've also included a copy of the application for your review prior to signing the Declaration.

To make it as easy as possible for you to get these back to us by the 3rd, I've enclosed a self-addressed, postage-paid envelop. If you have any questions, just let me know. My phone numbers and email address haven't changed; you'll find them below.

Warm regards,

Proprietary Information Agreement

As an employee of VISA International Service Association or VISA U.S.A. Inc., its subsidiaries, parent company or affiliates (together, the "Company"), and in consideration of the compensation paid to me, I agree to the following:

Maintaining Confidential Information

COMPANY AND THIRD PARTY INFORMATION

As an employee of the Company, I understand that I will have access to a wide range of confidential information that is valuable to the Company, its affiliates (including Visa Group and National Members), and third parties, such as the Company's clients, joint ventures, consultants, and licensees.

Confidential information includes trade secrets, knowledge, data, or other proprietary information relating to products, processes, know how, designs, formulas, developmental or experimental work, computer programs, data bases, other original works of authorship, customer lists and business plans, as well as Member cardholder or customer information and financial information.

During my employment with the Company and thereafter, I agree to keep such information confidential unless the Company agrees otherwise, in writing. I will not use confidential information, except for the benefit of the Company, nor disclose it to any person, firm, or corporation.

I also agree to keep information belonging to third parties confidential, and will only use it to carry out work based on the Company's agreement with the third party.

FORMER EMPLOYER INFORMATION

I will not use, disclose to the Company, nor induce the Company to use any confidential information belonging to a previous employer or other person.

I confirm that the Company has not asked or encouraged me to disclose confidential information belonging to a previous employer or other person.

I represent that my signature on this Agreement, and my status as an employee of the Company, does not and will not breach any prior confidentiality agreements I have signed. I will not enter into any written or oral agreement that conflicts with the provisions of this paragraph. I agree to indemnify, defend, and hold the Company harmless from losses or claims arising from any breach of my obligations in this paragraph.

Assigning and Retaining Intellectual Property

INTELLECTUAL PROPERTY ASSIGNED TO THE COMPANY

During my employment with the Company, I recognize that I may solely or jointly conceive, develop, or reduce to practice a wide range of intellectual properties. I hereby assign all my right, title, and interest to such intellectual properties to the Company. I waive and quitclaim to the Company any and all claims which I now or may have for infringement of any intellectual property rights assigned to the Company.

Intellectual properties may include inventions, original works of authorship, developments, improvements, or trade secrets

INVENTIONS

I understand that any invention that meets all of the following criteria is exempted from this agreement by Section 2870 of the California Labor Code.

- ◆ It was developed entirely on my own time.
- ◆ No equipment, supplies, facility, or trade secret of the Company was used in its development.
- ◆ At the time of its conception or reduction to practice, it did not relate to the Company's business nor to the Company's actual or demonstrably anticipated research and development.
- ◆ It did not result from any work I performed for the Company.

I will advise the Company promptly, in writing, of any invention I believe meets the above criteria and provide evidence to substantiate that belief.

I understand that the Company agrees not to disclose, without my consent, any confidential information I provide relating to inventions that qualify under the provisions of Section 2870 of the California Labor Code.

WORKS OF AUTHORSHIP

I understand that original works of authorship made by me (solely or jointly) within the scope of my employment that are protectable by copyright are "works made for hire," as defined in the United States Copyright Act (17 USCA Section 101).

PATENT AND COPYRIGHT REGISTRATIONS

As requested by the Company, I agree to assist in obtaining United States and/or foreign patent and copyright registrations for intellectual properties developed by me (solely or jointly) during my employment with the Company. My agreement to assist continues, even if my employment relationship with the Company ends, in which case I understand that I may be compensated at a reasonable rate for time spent on such assistance.

If mental or physical incapacity, or any other reason, prevents me from signing documents or otherwise providing the cooperation needed to obtain patent or copyright registrations, I designate the Company to act in my behalf to perform all acts needed to secure such registrations.

No Conflicting Employee Obligations

I am not a party to any written or oral employment agreement, non-competition agreement, or other contract that:

- ◆ prohibits my employment with the Company
- ◆ conflicts with my obligations to use my best efforts to promote the Company's interests; or
- ◆ conflicts with the business conducted and/or proposed to be conducted by the Company.

I agree not to enter into any agreement, written or oral, that conflicts with the provisions of this paragraph. I agree to indemnify, defend, and hold the Company harmless from any losses or claims arising from any breach of my obligations in this paragraph.

Returning Company Documents

I agree that when I leave the Company's employment, I will not keep nor give any person, firm, or corporation documents belonging to the Company.

Company documents include devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, other documents or property, or reproductions of any of these items.

NON-SOLICITATION

I recognize that the Company expends substantial time, effort, and expense in assembling its staff. Therefore, for a period of eighteen (18) months following termination of my employment with the Company, I agree not to solicit Company employees for employment by me or a business with which I am affiliated; nor urge them or cause them to be solicited to leave the Company.

General Provisions

CALIFORNIA LAW

This Agreement is governed by the laws of the State of California.

ENTIRE AGREEMENT

This Agreement is the entire agreement and understanding between the Company and me relating to the subject matter herein and merges all prior discussions between us. I understand that:

- ◆ No modification of or amendment to this Agreement, nor any waiver of any rights under this agreement, will be effective unless in writing signed by the party to be charged.
- ◆ Nothing in this Agreement implies any continued right to employment.

SEVERABILITY AND WAIVER

If one or more of the provisions of this Agreement are deemed void by law, the remaining provisions continue in full force and effect.

If the Company waives any breach of any provision of this Agreement, it will not act as or be interpreted as a waiver of any other or subsequent breach.

SUCCESSORS AND ASSIGNS

This Agreement is binding upon my heirs, executors, administrators, and other legal representatives and will be for the benefit of the Company, its successors, and its assigns.

AT-WILL EMPLOYMENT

I acknowledge that the Company and I are establishing an at will employment relationship. Continued employment is not an obligation on my part nor the Company's. Nothing in this Agreement nor in other Company documents I have signed shall interpret the relationship to be other than at will.
