**CEMEX RESEARCH GROUP AG** (el "Cedente"), una sociedad organizada y existente conforme a las leyes de Suiza, con dirección en Römerstrasse 13, 2555 Brugg Bei Biel, Suiza., y

**CEMEX INNOVATION HOLDING LTD.** (formerly **CEMEX TRADEMARKS HOLDING LTD.**) (the "Assignee"), a corporation organized and existing under the laws of Switzerland, with business office located at General-Guisan-Strasse 6, 6300, Zug, Switzerland.

**CEMEX INNOVATION HOLDING LTD.** (anteriormente **CEMEX TRADEMARKS HOLDING LTD.**) (el "Cesionario"), una sociedad organizada y existente bajo las leyes de Suiza, con oficina comercial ubicada en General- Guisan- Strasse 6, 6300, Zug, Suiza.

Both Assignor and Assignee referred as to "the Parties".

El Cedente y el Cesionario en conjunto referidos como "las Partes".

**RECITALS**

**DECLARACIONES**

WHEREAS, Assignee acquired under its formerly name **CEMEX TRADEMARKS HOLDING LTD.** from Assignor, several intellectual property assets, including the patents listed in the Annex of this Agreement (the "Patents"), as of December 31, 2019 (the "Effective Date") according to the corresponding agreement and arrangement made on such date between the Parties.

Considerando que, con fecha 31 de diciembre de 2019 (la "Fecha Efectiva"), el Cesionario bajo su anterior denominación **CEMEX TRADEMARKS HOLDING LTD.**, adquirió diversos activos de propiedad intelectual del Cedente, incluidas las patentes enlistadas en el Anexo que forma parte del presente Contrato ("las Patentes"), bajo los términos y las condiciones pactadas en el contrato celebrado en dicha fecha entre las Partes.

WHEREAS, Assignee changed its company name to **CEMEX INNOVATION HOLDING LTD.**, with effective date 13 February 2020.

Considerando que, el Cesionario cambió su denominación a **CEMEX INNOVATION HOLDING LTD.**, con fecha efectiva 13 de febrero de 2020.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

POR LO TANTO, tomando en cuenta las declaraciones y acuerdos antes mencionados, las Partes convienen lo siguiente:

## CLAUSES

**FIRST.** Assignor declares to have sold, assigned and transferred to Assignee the entire right, title and interest in and to the Patents and to any patents which may be granted on any of the patent applications, and in and to all divisions of such Patents which may be granted, together with all rights and the right to apply in any and all countries, in Assignee's own name or in the name of its successors, designees, for patent and other proprietary protection, including any patent, patent of addition, utility model, revalidation patent, or patent of importation, which may be obtained on the subject matter Patents, the same to be held and enjoyed by the Assignee, for its own use and benefit.

**SECOND.** The Assignor hereby declares that the Patents are free of any burden and encumbrance, as well as that the Patents do not have any limitation that prohibits their normal use and exploitation.

**THIRD.** The Parties agree that Assignor will submit to Assignee all the documents related to the Patents and will respond to any claim arise by any third party related to the use and ownership of the Patents before were assigned.

**FOURTH.** Since the Effective Date the Assignee shall be responsible for the registration, maintenance, defense and all other current processes and fees related to the Patents.

**FIFTH.** Assignor represents and warrants that the execution and delivery of this Agreement, including the performance and observance of the terms thereof, has been duly authorized by all the necessary and appropriate corporate actions of Assignor, that the individual executing this Agreement on behalf of Assignor has likewise been duly authorized and that this Agreement constitutes a valid and binding obligation of Assignor.

Assignee represents and warrants that the execution and delivery of this Agreement, including the performance and observance of the terms thereof, has
