## PATENT SECURITY AGREEMENT

THIS PATENT SECURITY AGREEMENT (this "Agreement") is made effective as of May 12, 2020 by and from **Under Armour, Inc.**, a Maryland corporation (the "Grantor"), to and in favor of **JPMORGAN CHASE BANK, N.A.**, as Administrative Agent (in such capacity, together with its successors and permitted assigns, the "Administrative Agent") for itself and for the Secured Parties (as defined in the Security Agreement defined below), is entered into in connection with that certain Amended and Restated Credit Agreement dated as of March 8, 2019 (as amended, restated, supplemented, extended, refinanced or otherwise modified from time to time, the "Credit Agreement") among UNDER ARMOUR, INC., a Maryland corporation (the "Company"), the Foreign Subsidiary Borrowers (as defined in the Credit Agreement) from time to time party thereto, the Lenders (as defined in the Credit Agreement) from time to time party thereto and the Administrative Agent.

This Agreement is executed pursuant to the terms of that certain Security and Pledge Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified, the "Security Agreement"), among the Company, the other grantors party thereto and the Administrative Agent, for itself and for the Secured Parties. The rights and remedies of the Administrative Agent with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern. Capitalized terms used herein but not defined herein shall have the meanings assigned to them in the Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce Lenders to enter into certain amendments to the Credit Agreement and to continue to extend credit to the Borrowers under the Credit Agreement, and to secure the prompt and complete payment and performance of the Secured Obligations, the Grantor hereby pledges, assigns and grants to the Administrative Agent, on behalf of and for the benefit of the Secured Parties, a security interest in all of the Grantor's right, title and interest in and to the following Collateral of the Grantor, in each case, arising under the state and federal laws of the United States (the "Patent Collateral"): (1) any and all patents and patent applications, including those referred to on Exhibit A hereto; (2) all inventions and improvements described and claimed therein; (3) all reissues, divisions, continuations, renewals, extensions, and continuations-in-part thereof; (4) all licenses of the foregoing whether as licensee or licensor; (5) all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages and payments for past and future infringements thereof; (6) all rights to sue for past, present, and future infringements thereof; and (7) all other rights corresponding to any of the foregoing in the United States. Upon the payment in full of all Secured Obligations (other than contingent indemnification and other contingent obligations), the Administrative Agent shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the security interest in the Patent Collateral acquired under this Agreement.

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement conflicts with any provision of the Security Agreement, the Security Agreement shall govern.

This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
