SCANADU INCORPORATED

CONFIDENTIAL INFORMATION AND  
INVENTION ASSIGNMENT AGREEMENT

Employee Name: BERNARD BURG

Effective Date: ~~DECEMBER 10, 2012~~

~~Sept 10 2013~~

December 10, 2012

Bernard Burg  
oct 1st / 2013

As a condition of my becoming employed (or my employment being continued) by Scanadu Incorporated, a Delaware corporation, or any of its current or future subsidiaries, affiliates, successors or assigns (collectively, the "Company"), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following:

1. **Relationship.** This Confidential Information and Invention Assignment Agreement (this "Agreement") will apply to my employment relationship with the Company. If that relationship ends and the Company, within a year thereafter, either reemploys me or engages me as a consultant, I agree that this Agreement will also apply to such later employment or consulting relationship, unless the Company and I otherwise agree in writing. Any such employment or consulting relationship between the parties hereto, whether commenced prior to, upon or after the date of this Agreement, is referred to herein as the "Relationship."

2. **Duties.** I will perform for the Company such duties as may be designated by the Company from time to time or that are otherwise within the scope of the Relationship and not contrary to instructions from the Company. During the Relationship, I will devote my entire best business efforts to the interests of the Company and will not engage in other employment or in any activities detrimental to the best interests of the Company without the prior written consent of the Company.

3. **Confidential Information.**

(a) **Protection of Information.** I understand that during the Relationship, the Company intends to provide me with information, including Confidential Information (as defined below), without which I would not be able to perform my duties to the Company. I agree, at all times during the term of the Relationship and thereafter, to hold in strictest confidence, and not to use, except for the benefit of the Company to the extent necessary to perform my obligations to the Company under the Relationship, and not to disclose to any person, firm, corporation or other entity, without written authorization from the Company in each instance, any Confidential Information that I obtain, access or create during the term of the Relationship, whether or not during working hours, until such Confidential Information becomes publicly and widely known and made generally available through no wrongful act of mine or of others who were under confidentiality obligations as to the item or items involved. I further agree not to make copies of such Confidential Information except as authorized by the Company.

(b) **Confidential Information.** I understand that "Confidential Information" means information and physical material not generally known or available outside the Company

and information and physical material entrusted to the Company in confidence by third parties. Confidential Information includes, without limitation: (i) Company Inventions (as defined below); and (ii) technical data, trade secrets, know-how, research, product or service ideas or plans, software codes and designs, algorithms, developments, inventions, patent applications, laboratory notebooks, processes, formulas, techniques, biological materials, mask works, engineering designs and drawings, hardware configuration information, agreements with third parties, lists of, or information relating to, employees and consultants of the Company (including, but not limited to, the names, contact information, jobs, compensation, and expertise of such employees and consultants), lists of, or information relating to, suppliers and customers (including, but not limited to, customers of the Company on whom I called or with whom I became acquainted during the Relationship), price lists, pricing methodologies, cost data, market share data, marketing plans, licenses, contract information, business plans, financial forecasts, historical financial data, budgets or other business information disclosed to me by the Company either directly or indirectly, whether in writing, electronically, orally, or by observation.

(c) **Third Party Information.** My agreements in this Section 3 are intended to be for the benefit of the Company and any third party that has entrusted information or physical material to the Company in confidence. I further agree that, during the term of the Relationship and thereafter, I will not improperly use or disclose to the Company any confidential, proprietary or secret information of my former employer(s) or any other person, and I agree not to bring any such information onto the Company's property or place of business.

(d) **Other Rights.** This Agreement is intended to supplement, and not to supersede, any rights the Company may have in law or equity with respect to the protection of trade secrets or confidential or proprietary information.

#### 4. **Ownership of Inventions.**

(a) **Inventions Retained and Licensed.** I have attached hereto, as Exhibit A, a complete list describing with particularity all Inventions (as defined below) that, as of the Effective Date: (i) I made, and/or (ii) belong solely to me or belong to me jointly with others or in which I have an interest, and that relate in any way to any of the Company's actual or proposed businesses, products, services, or research and development, and which are not assigned to the Company hereunder; or, if no such list is attached, I represent that there are no such Inventions at the time of signing this Agreement, and to the extent such Inventions do exist and are not listed on Exhibit A, I hereby forever waive any and all rights or claims of ownership to such Inventions. I understand that my listing of any Inventions on Exhibit A does not constitute an acknowledgement by the Company of the existence or extent of such Inventions, nor of my ownership of such Inventions. I further understand that I must receive the formal approval of the Company before commencing my Relationship with the Company.

(b) **Use or Incorporation of Inventions.** If in the course of the Relationship, I use or incorporate into a product, service, process or machine any Invention not covered by Section 4(d) of this Agreement in which I have an interest, I will promptly so inform the Company in writing. Whether or not I give such notice, I hereby irrevocably grant to the Company a nonexclusive, fully paid-up, royalty-free, assumable, perpetual, worldwide license, with right to transfer and to sublicense, to practice and exploit such Invention and to make, have

made, copy, modify, make derivative works of, use, sell, import, and otherwise distribute such Invention under all applicable intellectual property laws without restriction of any kind.

(c) **Inventions.** I understand that “Inventions” means discoveries, developments, concepts, designs, ideas, know how, improvements, inventions, trade secrets and/or original works of authorship, whether or not patentable, copyrightable or otherwise legally protectable. I understand this includes, but is not limited to, any new product, machine, article of manufacture, biological material, method, procedure, process, technique, use, equipment, device, apparatus, system, compound, formulation, composition of matter, design or configuration of any kind, or any improvement thereon. I understand that “Company Inventions” means any and all Inventions that I may solely or jointly author, discover, develop, conceive, or reduce to practice during the period of the Relationship, except as otherwise provided in Section 4(g) below.

(d) **Assignment of Company Inventions.** I agree that I will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assign to the Company, or its designee, all my right, title and interest throughout the world in and to any and all Company Inventions and all patent, copyright, trademark, trade secret and other intellectual property rights therein. I hereby waive and irrevocably quitclaim to the Company or its designee any and all claims, of any nature whatsoever, that I now have or may hereafter have for infringement of any and all Company Inventions. I further acknowledge that all Company Inventions that are made by me (solely or jointly with others) within the scope of and during the period of the Relationship are “works made for hire” (to the greatest extent permitted by applicable law) and are compensated by my salary. Any assignment of Company Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as “moral rights,” “artist’s rights,” “droit moral,” or the like (collectively, “Moral Rights”). To the extent that Moral Rights cannot be assigned under applicable law, I hereby waive and agree not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

(e) **Maintenance of Records.** I agree to keep and maintain adequate and current written records of all Company Inventions made or conceived by me (solely or jointly with others) during the term of the Relationship. The records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, laboratory notebooks, or any other format. The records will be available to and remain the sole property of the Company at all times. I agree not to remove such records from the Company’s place of business except as expressly permitted by Company policy which may, from time to time, be revised at the sole election of the Company for the purpose of furthering the Company’s business. I agree to deliver all such records (including any copies thereof) to the Company at the time of termination of the Relationship as provided for in Section 5 and Section 6.

(f) **Patent and Copyright Rights.** I agree to assist the Company, or its designee, at its expense, in every proper way to secure the Company’s, or its designee’s, rights in the Company Inventions and any copyrights, patents, trademarks, mask work rights, Moral Rights, or other intellectual property rights relating thereto in any and all countries, including the

disclosure to the Company or its designee of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, recordations, and all other instruments which the Company or its designee shall deem necessary in order to apply for, obtain, maintain and transfer such rights, or if not transferable, waive and agree never to assert such rights, and in order to assign and convey to the Company or its designee, and any successors, assigns and nominees the sole and exclusive right, title and interest in and to such Company Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue during and at all times after the end of the Relationship and until the expiration of the last such intellectual property right to expire in any country of the world. I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and in my behalf and stead to execute and file any such instruments and papers and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent, copyright, mask work and other registrations related to such Company Inventions. This power of attorney is coupled with an interest and shall not be affected by my subsequent incapacity.

(g) **Exception to Assignments.** Subject to the requirements of applicable state law, if any, I understand that the Company Inventions will not include, and the provisions of this Agreement requiring assignment of inventions to the Company do not apply to, any invention which qualifies fully for exclusion under the provisions of applicable state law, if any, attached hereto as Exhibit B. In order to assist in the determination of which inventions qualify for such exclusion, I will advise the Company promptly in writing, during and after the term of the Relationship, of all Inventions solely or jointly conceived or developed or reduced to practice by me during the period of the Relationship.

5. **Company Property; Returning Company Documents.** I acknowledge and agree that I have no expectation of privacy with respect to the Company's telecommunications, networking or information processing systems (including, without limitation, files, e-mail messages, and voice messages) and that my activity and any files or messages on or using any of those systems may be monitored or reviewed at any time without notice. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice. I agree that, at the time of termination of the Relationship, I will deliver to the Company (and will not keep in my possession, recreate or deliver to anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, materials, flow charts, equipment, other documents or property, or reproductions of any of the aforementioned items developed by me pursuant to the Relationship or otherwise belonging to the Company, its successors or assigns.

6. **Termination Certification.** In the event of the termination of the Relationship, I agree to sign and deliver the "Termination Certification" attached hereto as Exhibit C; however, my failure to sign and deliver the Termination Certification shall in no way diminish my continuing obligations under this Agreement.

7. **Notice to Third Parties.** I agree that during the periods of time during which I am restricted in taking certain actions by the terms of this Agreement (the "Restriction Period"), I shall inform any entity or person with whom I may seek to enter into a business relationship (whether as an owner, employee, independent contractor or otherwise) of my contractual obligations under this Agreement. I also understand and agree that the Company may, with or without prior notice to me and during or after the term of the Relationship, notify third parties of my agreements and obligations under this Agreement. I further agree that, upon written request by the Company, I will respond to the Company in writing regarding the status of my employment or proposed employment with any party during the Restriction Period.

8. **Solicitation of Employees, Consultants and Other Parties.** As described above, I acknowledge and agree that the Company's Confidential Information includes information relating to the Company's employees, consultants, customers and others, and that I will not use or disclose such Confidential Information except as authorized by the Company. I further agree as follows:

(a) **Employees, Consultants.** I agree that during the term of the Relationship, and for a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, I shall not, directly or indirectly, solicit, induce, recruit or encourage any of the Company's employees or consultants to terminate their relationship with the Company, or attempt to solicit, induce, recruit, encourage or take away employees or consultants of the Company, either for myself or for any other person or entity.

(b) **Other Parties.** I agree that during the term of the Relationship, I will not negatively influence any of the Company's clients, licensors, licensees or customers from purchasing Company products or services or solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. In addition, I acknowledge that the Company has valuable Trade Secrets (as defined by applicable law from time to time) to which I will have access during the term of the Relationship. I understand that the Company intends to vigorously pursue its rights under applicable Trade Secrets law if, during a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, I solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. Thereafter, the Company intends to vigorously pursue its rights under applicable Trade Secrets law as the circumstances warrant.

9. **At-Will Relationship.** I understand and acknowledge that, except as may be otherwise explicitly provided in a separate written agreement between the Company and me, my Relationship with the Company is and shall continue to be at-will, as defined under applicable law, meaning that either I or the Company may terminate the Relationship at any time for any reason or no reason, without further obligation or liability, other than those provisions of this Agreement that explicitly continue in effect after the termination of the Relationship.

10. **Representations and Covenants.**

(a) **Facilitation of Agreement.** I agree to execute promptly, both during and after the end of the Relationship, any proper oath, and to verify any proper document, required to carry out the terms of this Agreement, upon the Company's written request to do so.

(b) **No Conflicts.** I represent that my performance of all the terms of this Agreement does not and will not breach any agreement I have entered into, or will enter into, with any third party, including without limitation any agreement to keep in confidence proprietary information or materials acquired by me in confidence or in trust prior to or during the Relationship. I will not disclose to the Company or use any inventions, confidential or non-public proprietary information or material belonging to any previous client, employer or any other party. I will not induce the Company to use any inventions, confidential or non-public proprietary information, or material belonging to any previous client, employer or any other party. I acknowledge and agree that I have listed on Exhibit A all agreements (e.g., non-competition agreements, non-solicitation of customers agreements, non-solicitation of employees agreements, confidentiality agreements, inventions agreements, etc.), if any, with a current or former client, employer, or any other person or entity, that may restrict my ability to accept employment with the Company or my ability to recruit or engage customers or service providers on behalf of the Company, or otherwise relate to or restrict my ability to perform my duties for the Company or any obligation I may have to the Company. I agree not to enter into any written or oral agreement that conflicts with the provisions of this Agreement.

(c) **Voluntary Execution.** I certify and acknowledge that I have carefully read all of the provisions of this Agreement, that I understand and have voluntarily accepted such provisions, and that I will fully and faithfully comply with such provisions.

11. **Electronic Delivery.** Nothing herein is intended to imply a right to participate in any of the Company's equity incentive plans, however, if I do participate in such plan(s), the Company may, in its sole discretion, decide to deliver any documents related to my participation in the Company's equity incentive plan(s) by electronic means or to request my consent to participate in such plan(s) by electronic means. I hereby consent to receive such documents by electronic delivery and agree, if applicable, to participate in such plan(s) through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

12. **Miscellaneous.**

(a) **Governing Law.** The validity, interpretation, construction and performance of this Agreement, and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the state of California, without giving effect to the principles of conflict of laws.

(b) **Entire Agreement.** This Agreement sets forth the entire agreement and understanding between the Company and me relating to its subject matter and merges all prior discussions between us. No amendment to this Agreement will be effective unless in writing signed by both parties to this Agreement. The Company shall not be deemed hereby to have

waived any rights or remedies it may have in law or equity, nor to have given any authorizations or waived any of its rights under this Agreement, unless, and only to the extent, it does so by a specific writing signed by a duly authorized officer of the Company, it being understood that, even if I am an officer of the Company, I will not have authority to give any such authorizations or waivers for the Company under this Agreement without specific approval by the Board of Directors. Any subsequent change or changes in my duties, obligations, rights or compensation will not affect the validity or scope of this Agreement.

(c) **Successors and Assigns.** This Agreement will be binding upon my heirs, executors, administrators and other legal representatives, and my successors and assigns, and will be for the benefit of the Company, its successors, and its assigns.

(d) **Notices.** Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address as set forth on the signature page, as subsequently modified by written notice, or if no address is specified on the signature page, at the most recent address set forth in the Company's books and records.

(e) **Severability.** If one or more of the provisions in this Agreement are deemed void or unenforceable to any extent in any context, such provisions shall nevertheless be enforced to the fullest extent allowed by law in that and other contexts, and the validity and force of the remainder of this Agreement shall not be affected. The Company and I have attempted to limit my right to use, maintain and disclose the Company's Confidential Information, and to limit my right to solicit employees and customers only to the extent necessary to protect the Company from unfair competition. Should a court of competent jurisdiction determine that the scope of the covenants contained in Section 8 exceeds the maximum restrictiveness such court deems reasonable and enforceable, the parties intend that the court should reform, modify and enforce the provision to such narrower scope as it determines to be reasonable and enforceable under the circumstances existing at that time.

(f) **Remedies.** I acknowledge and agree that violation of this Agreement by me may cause the Company irreparable harm, and therefore I agree that the Company will be entitled to seek extraordinary relief in court, including, but not limited to, temporary restraining orders, preliminary injunctions and permanent injunctions without the necessity of posting a bond or other security (or, where such a bond or security is required, I agree that a \$1,000 bond will be adequate), in addition to and without prejudice to any other rights or remedies that the Company may have for a breach of this Agreement.

(g) **Advice of Counsel.** I ACKNOWLEDGE THAT, IN EXECUTING THIS AGREEMENT, I HAVE HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND I HAVE READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS AGREEMENT. THIS AGREEMENT SHALL NOT BE CONSTRUED AGAINST ANY PARTY BY REASON OF THE DRAFTING OR PREPARATION HEREOF.

(h) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and all of which together shall constitute one and the same agreement.

### **TERMINATION CERTIFICATION**

This is to certify that I do not have in my possession, nor have I failed to return, any devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, flow charts, materials, equipment, other documents or property, or copies or reproductions of any aforementioned items belonging to Scanadu Incorporated, a Delaware corporation, its subsidiaries, affiliates, successors or assigns (collectively, the "Company").

**SCANADU INCORPORATED**

**CONFIDENTIAL INFORMATION AND  
INVENTION ASSIGNMENT AGREEMENT**

*Employee Name:*  Babak Aghazadeh \_\_\_\_\_

*Effective Date:*  October 2, 2015 \_\_\_\_\_

As a condition of my becoming employed (or my employment being continued) by Scanadu Incorporated, a Delaware corporation, or any of its current or future subsidiaries, affiliates, successors or assigns (collectively, the "Company"), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following:

1. **Relationship.** This Confidential Information and Invention Assignment Agreement (this "Agreement") will apply to my employment relationship with the Company. If that relationship ends and the Company, within a year thereafter, either reemploys me or engages me as a consultant, I agree that this Agreement will also apply to such later employment or consulting relationship, unless the Company and I otherwise agree in writing. Any such employment or consulting relationship between the parties hereto, whether commenced prior to, upon or after the date of this Agreement, is referred to herein as the "Relationship."

2. **Duties.** I will perform for the Company such duties as may be designated by the Company from time to time or that are otherwise within the scope of the Relationship and not contrary to instructions from the Company. During the Relationship, I will devote my entire best business efforts to the interests of the Company and will not engage in other employment or in any activities detrimental to the best interests of the Company without the prior written consent of the Company.

3. **Confidential Information.**

(a) **Protection of Information.** I understand that during the Relationship, the Company intends to provide me with information, including Confidential Information (as defined below), without which I would not be able to perform my duties to the Company. I agree, at all times during the term of the Relationship and thereafter, to hold in strictest confidence, and not to use, except for the benefit of the Company to the extent necessary to perform my obligations to the Company under the Relationship, and not to disclose to any person, firm, corporation or other entity, without written authorization from the Company in each instance, any Confidential Information that I obtain, access or create during the term of the Relationship, whether or not during working hours, until such Confidential Information becomes publicly and widely known and made generally available through no wrongful act of mine or of others who were under confidentiality obligations as to the item or items involved. I further agree not to make copies of such Confidential Information except as authorized by the Company.

(b) **Confidential Information.** I understand that "Confidential Information" means information and physical material not generally known or available outside the Company

and information and physical material entrusted to the Company in confidence by third parties. Confidential Information includes, without limitation: (i) Company Inventions (as defined below); and (ii) technical data, trade secrets, know-how, research, product or service ideas or plans, software codes and designs, algorithms, developments, inventions, patent applications, laboratory notebooks, processes, formulas, techniques, biological materials, mask works, engineering designs and drawings, hardware configuration information, agreements with third parties, lists of, or information relating to, employees and consultants of the Company (including, but not limited to, the names, contact information, jobs, compensation, and expertise of such employees and consultants), lists of, or information relating to, suppliers and customers (including, but not limited to, customers of the Company on whom I called or with whom I became acquainted during the Relationship), price lists, pricing methodologies, cost data, market share data, marketing plans, licenses, contract information, business plans, financial forecasts, historical financial data, budgets or other business information disclosed to me by the Company either directly or indirectly, whether in writing, electronically, orally, or by observation.

(c) **Third Party Information.** My agreements in this Section 3 are intended to be for the benefit of the Company and any third party that has entrusted information or physical material to the Company in confidence. I further agree that, during the term of the Relationship and thereafter, I will not improperly use or disclose to the Company any confidential, proprietary or secret information of my former employer(s) or any other person, and I agree not to bring any such information onto the Company's property or place of business.

(d) **Other Rights.** This Agreement is intended to supplement, and not to supersede, any rights the Company may have in law or equity with respect to the protection of trade secrets or confidential or proprietary information.

#### **4. Ownership of Inventions.**

(a) **Inventions Retained and Licensed.** I have attached hereto, as Exhibit A, a complete list describing with particularity all Inventions (as defined below) that, as of the Effective Date: (i) I made, and/or (ii) belong solely to me or belong to me jointly with others or in which I have an interest, and that relate in any way to any of the Company's actual or proposed businesses, products, services, or research and development, and which are not assigned to the Company hereunder; or, if no such list is attached, I represent that there are no such Inventions at the time of signing this Agreement, and to the extent such Inventions do exist and are not listed on Exhibit A, I hereby forever waive any and all rights or claims of ownership to such Inventions. I understand that my listing of any Inventions on Exhibit A does not constitute an acknowledgement by the Company of the existence or extent of such Inventions, nor of my ownership of such Inventions. I further understand that I must receive the formal approval of the Company before commencing my Relationship with the Company.

(b) **Use or Incorporation of Inventions.** If in the course of the Relationship, I use or incorporate into a product, service, process or machine any Invention not covered by Section 4(d) of this Agreement in which I have an interest, I will promptly so inform the Company in writing. Whether or not I give such notice, I hereby irrevocably grant to the Company a nonexclusive, fully paid-up, royalty-free, assumable, perpetual, worldwide license, with right to transfer and to sublicense, to practice and exploit such Invention and to make, have

made, copy, modify, make derivative works of, use, sell, import, and otherwise distribute such Invention under all applicable intellectual property laws without restriction of any kind.

(c) **Inventions.** I understand that “Inventions” means discoveries, developments, concepts, designs, ideas, know how, improvements, inventions, trade secrets and/or original works of authorship, whether or not patentable, copyrightable or otherwise legally protectable. I understand this includes, but is not limited to, any new product, machine, article of manufacture, biological material, method, procedure, process, technique, use, equipment, device, apparatus, system, compound, formulation, composition of matter, design or configuration of any kind, or any improvement thereon. I understand that “Company Inventions” means any and all Inventions that I may solely or jointly author, discover, develop, conceive, or reduce to practice during the period of the Relationship, except as otherwise provided in Section 4(g) below.

(d) **Assignment of Company Inventions.** I agree that I will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assign to the Company, or its designee, all my right, title and interest throughout the world in and to any and all Company Inventions and all patent, copyright, trademark, trade secret and other intellectual property rights therein. I hereby waive and irrevocably quitclaim to the Company or its designee any and all claims, of any nature whatsoever, that I now have or may hereafter have for infringement of any and all Company Inventions. I further acknowledge that all Company Inventions that are made by me (solely or jointly with others) within the scope of and during the period of the Relationship are “works made for hire” (to the greatest extent permitted by applicable law) and are compensated by my salary. Any assignment of Company Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as “moral rights,” “artist’s rights,” “droit moral,” or the like (collectively, “Moral Rights”). To the extent that Moral Rights cannot be assigned under applicable law, I hereby waive and agree not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

(e) **Maintenance of Records.** I agree to keep and maintain adequate and current written records of all Company Inventions made or conceived by me (solely or jointly with others) during the term of the Relationship. The records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, laboratory notebooks, or any other format. The records will be available to and remain the sole property of the Company at all times. I agree not to remove such records from the Company’s place of business except as expressly permitted by Company policy which may, from time to time, be revised at the sole election of the Company for the purpose of furthering the Company’s business. I agree to deliver all such records (including any copies thereof) to the Company at the time of termination of the Relationship as provided for in Section 5 and Section 6.

(f) **Patent and Copyright Rights.** I agree to assist the Company, or its designee, at its expense, in every proper way to secure the Company’s, or its designee’s, rights in the Company Inventions and any copyrights, patents, trademarks, mask work rights, Moral Rights, or other intellectual property rights relating thereto in any and all countries, including the

disclosure to the Company or its designee of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, recordations, and all other instruments which the Company or its designee shall deem necessary in order to apply for, obtain, maintain and transfer such rights, or if not transferable, waive and agree never to assert such rights, and in order to assign and convey to the Company or its designee, and any successors, assigns and nominees the sole and exclusive right, title and interest in and to such Company Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue during and at all times after the end of the Relationship and until the expiration of the last such intellectual property right to expire in any country of the world. I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and in my behalf and stead to execute and file any such instruments and papers and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent, copyright, mask work and other registrations related to such Company Inventions. This power of attorney is coupled with an interest and shall not be affected by my subsequent incapacity.

(g) **Exception to Assignments.** Subject to the requirements of applicable state law, if any, I understand that the Company Inventions will not include, and the provisions of this Agreement requiring assignment of inventions to the Company do not apply to, any invention which qualifies fully for exclusion under the provisions of applicable state law, if any[, attached hereto as Exhibit B]. In order to assist in the determination of which inventions qualify for such exclusion, I will advise the Company promptly in writing, during and after the term of the Relationship, of all Inventions solely or jointly conceived or developed or reduced to practice by me during the period of the Relationship.

5. **Company Property; Returning Company Documents.** I acknowledge and agree that I have no expectation of privacy with respect to the Company's telecommunications, networking or information processing systems (including, without limitation, files, e-mail messages, and voice messages) and that my activity and any files or messages on or using any of those systems may be monitored or reviewed at any time without notice. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice. I agree that, at the time of termination of the Relationship, I will deliver to the Company (and will not keep in my possession, recreate or deliver to anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, materials, flow charts, equipment, other documents or property, or reproductions of any of the aforementioned items developed by me pursuant to the Relationship or otherwise belonging to the Company, its successors or assigns.

6. **Termination Certification.** In the event of the termination of the Relationship, I agree to sign and deliver the "Termination Certification" attached hereto as Exhibit [C/ B]; however, my failure to sign and deliver the Termination Certification shall in no way diminish my continuing obligations under this Agreement.

7. **Notice to Third Parties.** I agree that during the periods of time during which I am restricted in taking certain actions by the terms of this Agreement (the “Restriction Period”), I shall inform any entity or person with whom I may seek to enter into a business relationship (whether as an owner, employee, independent contractor or otherwise) of my contractual obligations under this Agreement. I also understand and agree that the Company may, with or without prior notice to me and during or after the term of the Relationship, notify third parties of my agreements and obligations under this Agreement. I further agree that, upon written request by the Company, I will respond to the Company in writing regarding the status of my employment or proposed employment with any party during the Restriction Period.

8. **Solicitation of Employees, Consultants and Other Parties.** As described above, I acknowledge and agree that the Company’s Confidential Information includes information relating to the Company’s employees, consultants, customers and others, and that I will not use or disclose such Confidential Information except as authorized by the Company. I further agree as follows:

(a) **Employees, Consultants.** I agree that during the term of the Relationship, and for a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, I shall not, directly or indirectly, solicit, induce, recruit or encourage any of the Company’s employees or consultants to terminate their relationship with the Company, or attempt to solicit, induce, recruit, encourage or take away employees or consultants of the Company, either for myself or for any other person or entity.

(b) **Other Parties.** I agree that during the term of the Relationship, I will not negatively influence any of the Company’s clients, licensors, licensees or customers from purchasing Company products or services or solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. In addition, I acknowledge that the Company has valuable Trade Secrets (as defined by applicable law from time to time) to which I will have access during the term of the Relationship. I understand that the Company intends to vigorously pursue its rights under applicable Trade Secrets law if, during a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, I solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. Thereafter, the Company intends to vigorously pursue its rights under applicable Trade Secrets law as the circumstances warrant.

9. **At-Will Relationship.** I understand and acknowledge that, except as may be otherwise explicitly provided in a separate written agreement between the Company and me, my Relationship with the Company is and shall continue to be at-will, as defined under applicable law, meaning that either I or the Company may terminate the Relationship at any time for any reason or no reason, without further obligation or liability, other than those provisions of this Agreement that explicitly continue in effect after the termination of the Relationship.

10. **Representations and Covenants.**

(a) **Facilitation of Agreement.** I agree to execute promptly, both during and after the end of the Relationship, any proper oath, and to verify any proper document, required to carry out the terms of this Agreement, upon the Company's written request to do so.

(b) **No Conflicts.** I represent that my performance of all the terms of this Agreement does not and will not breach any agreement I have entered into, or will enter into, with any third party, including without limitation any agreement to keep in confidence proprietary information or materials acquired by me in confidence or in trust prior to or during the Relationship. I will not disclose to the Company or use any inventions, confidential or non-public proprietary information or material belonging to any previous client, employer or any other party. I will not induce the Company to use any inventions, confidential or non-public proprietary information, or material belonging to any previous client, employer or any other party. I acknowledge and agree that I have listed on Exhibit A all agreements (e.g., non-competition agreements, non-solicitation of customers agreements, non-solicitation of employees agreements, confidentiality agreements, inventions agreements, etc.), if any, with a current or former client, employer, or any other person or entity, that may restrict my ability to accept employment with the Company or my ability to recruit or engage customers or service providers on behalf of the Company, or otherwise relate to or restrict my ability to perform my duties for the Company or any obligation I may have to the Company. I agree not to enter into any written or oral agreement that conflicts with the provisions of this Agreement.

(c) **Voluntary Execution.** I certify and acknowledge that I have carefully read all of the provisions of this Agreement, that I understand and have voluntarily accepted such provisions, and that I will fully and faithfully comply with such provisions.

11. **Electronic Delivery.** Nothing herein is intended to imply a right to participate in any of the Company's equity incentive plans, however, if I do participate in such plan(s), the Company may, in its sole discretion, decide to deliver any documents related to my participation in the Company's equity incentive plan(s) by electronic means or to request my consent to participate in such plan(s) by electronic means. I hereby consent to receive such documents by electronic delivery and agree, if applicable, to participate in such plan(s) through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

12. **Miscellaneous.**

(a) **Governing Law.** The validity, interpretation, construction and performance of this Agreement, and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the state of California, without giving effect to the principles of conflict of laws.

(b) **Entire Agreement.** This Agreement sets forth the entire agreement and understanding between the Company and me relating to its subject matter and merges all prior discussions between us. No amendment to this Agreement will be effective unless in writing signed by both parties to this Agreement. The Company shall not be deemed hereby to have

waived any rights or remedies it may have in law or equity, nor to have given any authorizations or waived any of its rights under this Agreement, unless, and only to the extent, it does so by a specific writing signed by a duly authorized officer of the Company, it being understood that, even if I am an officer of the Company, I will not have authority to give any such authorizations or waivers for the Company under this Agreement without specific approval by the Board of Directors. Any subsequent change or changes in my duties, obligations, rights or compensation will not affect the validity or scope of this Agreement.

(c) **Successors and Assigns.** This Agreement will be binding upon my heirs, executors, administrators and other legal representatives, and my successors and assigns, and will be for the benefit of the Company, its successors, and its assigns.

(d) **Notices.** Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address as set forth on the signature page, as subsequently modified by written notice, or if no address is specified on the signature page, at the most recent address set forth in the Company's books and records.

(e) **Severability.** If one or more of the provisions in this Agreement are deemed void or unenforceable to any extent in any context, such provisions shall nevertheless be enforced to the fullest extent allowed by law in that and other contexts, and the validity and force of the remainder of this Agreement shall not be affected. The Company and I have attempted to limit my right to use, maintain and disclose the Company's Confidential Information, and to limit my right to solicit employees and customers only to the extent necessary to protect the Company from unfair competition. Should a court of competent jurisdiction determine that the scope of the covenants contained in Section 8 exceeds the maximum restrictiveness such court deems reasonable and enforceable, the parties intend that the court should reform, modify and enforce the provision to such narrower scope as it determines to be reasonable and enforceable under the circumstances existing at that time.

(f) **Remedies.** I acknowledge and agree that violation of this Agreement by me may cause the Company irreparable harm, and therefore I agree that the Company will be entitled to seek extraordinary relief in court, including, but not limited to, temporary restraining orders, preliminary injunctions and permanent injunctions without the necessity of posting a bond or other security (or, where such a bond or security is required, I agree that a \$1,000 bond will be adequate), in addition to and without prejudice to any other rights or remedies that the Company may have for a breach of this Agreement.

(g) **Advice of Counsel.** I ACKNOWLEDGE THAT, IN EXECUTING THIS AGREEMENT, I HAVE HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND I HAVE READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS AGREEMENT. THIS AGREEMENT SHALL NOT BE CONSTRUED AGAINST ANY PARTY BY REASON OF THE DRAFTING OR PREPARATION HEREOF.

(h) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and all of which together shall constitute one and the same agreement.

## EXHIBIT C

### TERMINATION CERTIFICATION

1. This is to certify that I do not have in my possession, nor have I failed to return, any devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, flow charts, materials, equipment, other documents or property, or copies or reproductions of any aforementioned items belonging to Scanadu Incorporated, a Delaware corporation, its subsidiaries, affiliates, successors or assigns (collectively, the "Company").

2. I certify that I have complied with all the terms of the Company's Confidential Information and Invention Assignment Agreement ("CIIAA") signed by me, including the reporting of any Inventions (as defined therein), conceived or made by me (solely or jointly with others) covered by that agreement, and I acknowledge my continuing obligations under that agreement.

3. I agree that, in compliance with the CIIAA, I will preserve as confidential all trade secrets, confidential knowledge, data or other proprietary information relating to products, processes, know-how, designs, formulas, developmental or experimental work, computer programs, data bases, other original works of authorship, customer lists, business plans, financial information or other subject matter pertaining to any business of the Company or any of its employees, clients, consultants or licensees.

4. I agree that for twelve (12) months from the date of this Certification, I shall not either directly or indirectly solicit, induce, recruit or encourage any of the Company's employees or consultants to terminate their relationship with the Company, or attempt to solicit, induce, recruit, encourage or take away employees or consultants of the Company, either for myself or for any other person or entity.

5. In addition, I agree that I shall not use any Confidential Information of the Company to negatively influence any of the Company's clients or customers from purchasing Company products or services or to solicit or influence or attempt to influence any client, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company.

6. Further, I acknowledge that the Company has valuable Trade Secrets (as defined by applicable law from time to time) to which I have had access. I promise I will not disclose to anyone, use, or induce anyone to use any of the Company's confidential information or trade secrets. I agree that if a future work situation arises in which disclosure or inducement of the Company's confidential information or trade secrets is a concern, or if I inadvertently disclose or induce anyone to use any of the Company's confidential information or trade secrets, I will immediately bring the situation to the attention of the Company and my then-employer.

**SCANADU INCORPORATED**

**CONFIDENTIAL INFORMATION AND  
INVENTION ASSIGNMENT AGREEMENT**

*Employee Name: Sheena Menezes*

*Effective Date: September 2, 2014*

As a condition of my becoming employed (or my employment being continued) by Scanadu Incorporated, a Delaware corporation, or any of its current or future subsidiaries, affiliates, successors or assigns (collectively, the "Company"), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following:

1. **Relationship.** This Confidential Information and Invention Assignment Agreement (this "Agreement") will apply to my employment relationship with the Company. If that relationship ends and the Company, within a year thereafter, either reemploys me or engages me as a consultant, I agree that this Agreement will also apply to such later employment or consulting relationship, unless the Company and I otherwise agree in writing. Any such employment or consulting relationship between the parties hereto, whether commenced prior to, upon or after the date of this Agreement, is referred to herein as the "Relationship."

2. **Duties.** I will perform for the Company such duties as may be designated by the Company from time to time or that are otherwise within the scope of the Relationship and not contrary to instructions from the Company. During the Relationship, I will devote my entire best business efforts to the interests of the Company and will not engage in other employment or in any activities detrimental to the best interests of the Company without the prior written consent of the Company.

3. **Confidential Information.**

(a) **Protection of Information.** I understand that during the Relationship, the Company intends to provide me with information, including Confidential Information (as defined below), without which I would not be able to perform my duties to the Company. I agree, at all times during the term of the Relationship and thereafter, to hold in strictest confidence, and not to use, except for the benefit of the Company to the extent necessary to perform my obligations to the Company under the Relationship, and not to disclose to any person, firm, corporation or other entity, without written authorization from the Company in each instance, any Confidential Information that I obtain, access or create during the term of the Relationship, whether or not during working hours, until such Confidential Information becomes publicly and widely known and made generally available through no wrongful act of mine or of others who were under confidentiality obligations as to the item or items involved. I further agree not to make copies of such Confidential Information except as authorized by the Company.

(b) **Confidential Information.** I understand that “Confidential Information” means information and physical material not generally known or available outside the Company and information and physical material entrusted to the Company in confidence by third parties. Confidential Information includes, without limitation: (i) Company Inventions (as defined below); and (ii) technical data, trade secrets, know-how, research, product or service ideas or plans, software codes and designs, algorithms, developments, inventions, patent applications, laboratory notebooks, processes, formulas, techniques, biological materials, mask works, engineering designs and drawings, hardware configuration information, agreements with third parties, lists of, or information relating to, employees and consultants of the Company (including, but not limited to, the names, contact information, jobs, compensation, and expertise of such employees and consultants), lists of, or information relating to, suppliers and customers (including, but not limited to, customers of the Company on whom I called or with whom I became acquainted during the Relationship), price lists, pricing methodologies, cost data, market share data, marketing plans, licenses, contract information, business plans, financial forecasts, historical financial data, budgets or other business information disclosed to me by the Company either directly or indirectly, whether in writing, electronically, orally, or by observation.

(c) **Third Party Information.** My agreements in this Section 3 are intended to be for the benefit of the Company and any third party that has entrusted information or physical material to the Company in confidence. I further agree that, during the term of the Relationship and thereafter, I will not improperly use or disclose to the Company any confidential, proprietary or secret information of my former employer(s) or any other person, and I agree not to bring any such information onto the Company’s property or place of business.

(d) **Other Rights.** This Agreement is intended to supplement, and not to supersede, any rights the Company may have in law or equity with respect to the protection of trade secrets or confidential or proprietary information.

#### **4. Ownership of Inventions.**

(a) **Inventions Retained and Licensed.** I have attached hereto, as Exhibit A, a complete list describing with particularity all Inventions (as defined below) that, as of the Effective Date: (i) I made, and/or (ii) belong solely to me or belong to me jointly with others or in which I have an interest, and that relate in any way to any of the Company’s actual or proposed businesses, products, services, or research and development, and which are not assigned to the Company hereunder; or, if no such list is attached, I represent that there are no such Inventions at the time of signing this Agreement, and to the extent such Inventions do exist and are not listed on Exhibit A, I hereby forever waive any and all rights or claims of ownership to such Inventions. I understand that my listing of any Inventions on Exhibit A does not constitute an acknowledgement by the Company of the existence or extent of such Inventions, nor of my ownership of such Inventions. I further understand that I must receive the formal approval of the Company before commencing my Relationship with the Company.

(b) **Use or Incorporation of Inventions.** If in the course of the Relationship, I use or incorporate into a product, service, process or machine any Invention not covered by Section 4(d) of this Agreement in which I have an interest, I will promptly so inform the Company in writing. Whether or not I give such notice, I hereby irrevocably grant to the Company a nonexclusive, fully paid-up, royalty-free, assumable, perpetual, worldwide license, with right to transfer and to sublicense, to practice and exploit such Invention and to make, have made, copy, modify, make derivative works of, use, sell, import, and otherwise distribute such Invention under all applicable intellectual property laws without restriction of any kind.

(c) **Inventions.** I understand that “Inventions” means discoveries, developments, concepts, designs, ideas, know how, improvements, inventions, trade secrets and/or original works of authorship, whether or not patentable, copyrightable or otherwise legally protectable. I understand this includes, but is not limited to, any new product, machine, article of manufacture, biological material, method, procedure, process, technique, use, equipment, device, apparatus, system, compound, formulation, composition of matter, design or configuration of any kind, or any improvement thereon. I understand that “Company Inventions” means any and all Inventions that I may solely or jointly author, discover, develop, conceive, or reduce to practice during the period of the Relationship, except as otherwise provided in Section 4(g) below.

(d) **Assignment of Company Inventions.** I agree that I will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assign to the Company, or its designee, all my right, title and interest throughout the world in and to any and all Company Inventions and all patent, copyright, trademark, trade secret and other intellectual property rights therein. I hereby waive and irrevocably quitclaim to the Company or its designee any and all claims, of any nature whatsoever, that I now have or may hereafter have for infringement of any and all Company Inventions. I further acknowledge that all Company Inventions that are made by me (solely or jointly with others) within the scope of and during the period of the Relationship are “works made for hire” (to the greatest extent permitted by applicable law) and are compensated by my salary. Any assignment of Company Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as “moral rights,” “artist’s rights,” “droit moral,” or the like (collectively, “Moral Rights”). To the extent that Moral Rights cannot be assigned under applicable law, I hereby waive and agree not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

(e) **Maintenance of Records.** I agree to keep and maintain adequate and current written records of all Company Inventions made or conceived by me (solely or jointly with others) during the term of the Relationship. The records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, laboratory notebooks, or any other format. The records will be available to and remain the sole property of the Company at all times. I agree not to remove such records from the Company’s place of business except as expressly permitted by Company policy which

may, from time to time, be revised at the sole election of the Company for the purpose of furthering the Company's business. I agree to deliver all such records (including any copies thereof) to the Company at the time of termination of the Relationship as provided for in Section 5 and Section 6.

(f) **Patent and Copyright Rights.** I agree to assist the Company, or its designee, at its expense, in every proper way to secure the Company's, or its designee's, rights in the Company Inventions and any copyrights, patents, trademarks, mask work rights, Moral Rights, or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company or its designee of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, recordations, and all other instruments which the Company or its designee shall deem necessary in order to apply for, obtain, maintain and transfer such rights, or if not transferable, waive and agree never to assert such rights, and in order to assign and convey to the Company or its designee, and any successors, assigns and nominees the sole and exclusive right, title and interest in and to such Company Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue during and at all times after the end of the Relationship and until the expiration of the last such intellectual property right to expire in any country of the world. I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and in my behalf and stead to execute and file any such instruments and papers and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent, copyright, mask work and other registrations related to such Company Inventions. This power of attorney is coupled with an interest and shall not be affected by my subsequent incapacity.

(g) **Exception to Assignments.** Subject to the requirements of applicable state law, if any, I understand that the Company Inventions will not include, and the provisions of this Agreement requiring assignment of inventions to the Company do not apply to, any invention which qualifies fully for exclusion under the provisions of applicable state law, if any[, attached hereto as Exhibit B]. In order to assist in the determination of which inventions qualify for such exclusion, I will advise the Company promptly in writing, during and after the term of the Relationship, of all Inventions solely or jointly conceived or developed or reduced to practice by me during the period of the Relationship.

5. **Company Property; Returning Company Documents.** I acknowledge and agree that I have no expectation of privacy with respect to the Company's telecommunications, networking or information processing systems (including, without limitation, files, e-mail messages, and voice messages) and that my activity and any files or messages on or using any of those systems may be monitored or reviewed at any time without notice. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without

notice. I agree that, at the time of termination of the Relationship, I will deliver to the Company (and will not keep in my possession, recreate or deliver to anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, materials, flow charts, equipment, other documents or property, or reproductions of any of the aforementioned items developed by me pursuant to the Relationship or otherwise belonging to the Company, its successors or assigns.

6. **Termination Certification.** In the event of the termination of the Relationship, I agree to sign and deliver the "Termination Certification" attached hereto as Exhibit [C/ B]; however, my failure to sign and deliver the Termination Certification shall in no way diminish my continuing obligations under this Agreement.

7. **Notice to Third Parties.** I agree that during the periods of time during which I am restricted in taking certain actions by the terms of this Agreement (the "Restriction Period"), I shall inform any entity or person with whom I may seek to enter into a business relationship (whether as an owner, employee, independent contractor or otherwise) of my contractual obligations under this Agreement. I also understand and agree that the Company may, with or without prior notice to me and during or after the term of the Relationship, notify third parties of my agreements and obligations under this Agreement. I further agree that, upon written request by the Company, I will respond to the Company in writing regarding the status of my employment or proposed employment with any party during the Restriction Period.

8. **Solicitation of Employees, Consultants and Other Parties.** As described above, I acknowledge and agree that the Company's Confidential Information includes information relating to the Company's employees, consultants, customers and others, and that I will not use or disclose such Confidential Information except as authorized by the Company. I further agree as follows:

(a) **Employees, Consultants.** I agree that during the term of the Relationship, and for a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, I shall not, directly or indirectly, solicit, induce, recruit or encourage any of the Company's employees or consultants to terminate their relationship with the Company, or attempt to solicit, induce, recruit, encourage or take away employees or consultants of the Company, either for myself or for any other person or entity.

(b) **Other Parties.** I agree that during the term of the Relationship, I will not negatively influence any of the Company's clients, licensors, licensees or customers from purchasing Company products or services or solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. In addition, I acknowledge that the Company has valuable Trade Secrets (as defined by applicable law from time to time) to which I will have access during the term of the Relationship. I understand that the Company intends to vigorously pursue its rights under

applicable Trade Secrets law if, during a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, I solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. Thereafter, the Company intends to vigorously pursue its rights under applicable Trade Secrets law as the circumstances warrant.

9. **At-Will Relationship.** I understand and acknowledge that, except as may be otherwise explicitly provided in a separate written agreement between the Company and me, my Relationship with the Company is and shall continue to be at-will, as defined under applicable law, meaning that either I or the Company may terminate the Relationship at any time for any reason or no reason, without further obligation or liability, other than those provisions of this Agreement that explicitly continue in effect after the termination of the Relationship.

10. **Representations and Covenants.**

(a) **Facilitation of Agreement.** I agree to execute promptly, both during and after the end of the Relationship, any proper oath, and to verify any proper document, required to carry out the terms of this Agreement, upon the Company's written request to do so.

(b) **No Conflicts.** I represent that my performance of all the terms of this Agreement does not and will not breach any agreement I have entered into, or will enter into, with any third party, including without limitation any agreement to keep in confidence proprietary information or materials acquired by me in confidence or in trust prior to or during the Relationship. I will not disclose to the Company or use any inventions, confidential or non-public proprietary information or material belonging to any previous client, employer or any other party. I will not induce the Company to use any inventions, confidential or non-public proprietary information, or material belonging to any previous client, employer or any other party. I acknowledge and agree that I have listed on Exhibit A all agreements (e.g., non-competition agreements, non-solicitation of customers agreements, non-solicitation of employees agreements, confidentiality agreements, inventions agreements, etc.), if any, with a current or former client, employer, or any other person or entity, that may restrict my ability to accept employment with the Company or my ability to recruit or engage customers or service providers on behalf of the Company, or otherwise relate to or restrict my ability to perform my duties for the Company or any obligation I may have to the Company. I agree not to enter into any written or oral agreement that conflicts with the provisions of this Agreement.

(c) **Voluntary Execution.** I certify and acknowledge that I have carefully read all of the provisions of this Agreement, that I understand and have voluntarily accepted such provisions, and that I will fully and faithfully comply with such provisions.

11. **Electronic Delivery.** Nothing herein is intended to imply a right to participate in any of the Company's equity incentive plans, however, if I do participate in such plan(s), the Company may, in its sole discretion, decide to deliver any documents related to my participation in the Company's equity incentive plan(s) by electronic means or to request my consent to participate in such plan(s) by electronic means. I hereby consent to receive such documents by electronic delivery and agree, if applicable, to participate in such plan(s) through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

12. **Miscellaneous.**

(a) **Governing Law.** The validity, interpretation, construction and performance of this Agreement, and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the state of California, without giving effect to the principles of conflict of laws.

(b) **Entire Agreement.** This Agreement sets forth the entire agreement and understanding between the Company and me relating to its subject matter and merges all prior discussions between us. No amendment to this Agreement will be effective unless in writing signed by both parties to this Agreement. The Company shall not be deemed hereby to have waived any rights or remedies it may have in law or equity, nor to have given any authorizations or waived any of its rights under this Agreement, unless, and only to the extent, it does so by a specific writing signed by a duly authorized officer of the Company, it being understood that, even if I am an officer of the Company, I will not have authority to give any such authorizations or waivers for the Company under this Agreement without specific approval by the Board of Directors. Any subsequent change or changes in my duties, obligations, rights or compensation will not affect the validity or scope of this Agreement.

(c) **Successors and Assigns.** This Agreement will be binding upon my heirs, executors, administrators and other legal representatives, and my successors and assigns, and will be for the benefit of the Company, its successors, and its assigns.

(d) **Notices.** Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address as set forth on the signature page, as subsequently modified by written notice, or if no address is specified on the signature page, at the most recent address set forth in the Company's books and records.

(e) **Severability.** If one or more of the provisions in this Agreement are deemed void or unenforceable to any extent in any context, such provisions shall nevertheless be enforced to the fullest extent allowed by law in that and other contexts, and the validity and force of the remainder of this Agreement shall not be affected. The Company and I have attempted to limit my right to use, maintain and disclose the

Company's Confidential Information, and to limit my right to solicit employees and customers only to the extent necessary to protect the Company from unfair competition. Should a court of competent jurisdiction determine that the scope of the covenants contained in Section 8 exceeds the maximum restrictiveness such court deems reasonable and enforceable, the parties intend that the court should reform, modify and enforce the provision to such narrower scope as it determines to be reasonable and enforceable under the circumstances existing at that time.

(f) **Remedies.** I acknowledge and agree that violation of this Agreement by me may cause the Company irreparable harm, and therefore I agree that the Company will be entitled to seek extraordinary relief in court, including, but not limited to, temporary restraining orders, preliminary injunctions and permanent injunctions without the necessity of posting a bond or other security (or, where such a bond or security is required, I agree that a \$1,000 bond will be adequate), in addition to and without prejudice to any other rights or remedies that the Company may have for a breach of this Agreement.

(g) **Advice of Counsel.** I ACKNOWLEDGE THAT, IN EXECUTING THIS AGREEMENT, I HAVE HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND I HAVE READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS AGREEMENT. THIS AGREEMENT SHALL NOT BE CONSTRUED AGAINST ANY PARTY BY REASON OF THE DRAFTING OR PREPARATION HEREOF.

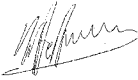

(h) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and all of which together shall constitute one and the same agreement.

The parties have executed this Agreement on the respective dates set forth below, to be effective as of the Effective Date first above written.

**AGREEMENT REGARDING  
TRADE SECRETS, CONFIDENTIAL INFORMATION, AND  
ASSIGNMENT OF INVENTIONS**

**I. INTRODUCTION**

In consideration for my becoming employed and compensated by Scanadu and/or any of its past, present, and future parent companies, subsidiaries, predecessors, successors, affiliates, and acquisitions (collectively "the Company"), I agree as follows:

I acknowledge that the nature of my employment with the Company permits me to have access to certain of its trade secrets and confidential and proprietary information. Nevertheless, such information is, and shall always remain, the sole and exclusive property of the Company. Any unauthorized acquisition, disclosure or use of this information would be wrongful and would cause the Company irreparable harm. I also acknowledge that if in the course of my employment I develop inventions (as defined herein), I agree to assign these inventions to the Company.

**II. TRADE SECRETS AND CONFIDENTIAL INFORMATION**

During the course of my employment I may acquire knowledge of Confidential Information, including the Company's Trade Secrets and other proprietary information relating to its business, business methods, personnel, and customers. "Trade Secrets" are defined as information, including but not limited to, a formula, pattern, compilation, program, device, method, technique, or process, that: (1) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use and (2) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. The Company's Trade Secrets include, but are not limited to, the following:

- the names, address, and contact information of the Company's customers and prospective customers, as well any other personal or financial information relating to any customer or prospect, including, without limitation, account numbers, balances, portfolios, maturity and/or expiration or renewal dates, loans, policies, investment activities, purchasing practices, and objectives;
- any information concerning the Company's operations, including without limitation, information related to its methods, services, pricing, costs, margins and mark ups, finances, practices, strategies, business plans, agreements, decision-making, systems, technology, policies, procedures, marketing, sales, techniques and processes;
- any other proprietary and/or confidential information relating to the Company's customers, employees, products, services, sales, technologies, or business affairs.

I understand that Records of the Company also constitute Confidential Information and that my obligation to maintain the confidentiality thereof continues at all times during and after my employment. "Records" include, but are not limited to, original, duplicated, computerized, memorized, handwritten or any other form of information, whether contained in materials provided to me by the Company, or by any institution acquired by the Company, or compiled by me in any form or manner including information in documents or electronic devices, such as software, flowcharts, graphs, spreadsheets, resource manuals, videotapes, calendars, day timers, planners, rolodaxes, or telephone directories maintained in personal computers, laptop computers, personal digital assistants or any other device. These records do not become any less confidential or proprietary to the Company because I may commit some of them to memory or because I may otherwise maintain them outside of the Company's offices.

I agree that Confidential Information of the Company is to be used by me solely and exclusively for the purpose of conducting business on behalf of the Company. I am expected to keep such Confidential Information confidential and not to divulge, use, or disclose this information except for that purpose. If I resign or am terminated from my employment for any reason, I agree to immediately return to the Company all Records and Confidential Information, including information maintained by me in my office, personal electronic devices, and/or at home.

**III. COMPLIANCE WITH OTHER AGREEMENTS**

It is understood that I have complied and will continue to comply with any other policies covering trade secrets, inventions, confidential information or solicitation from any former employer. I certify that, to the best of my information and belief, I am not a party to any other agreement that will interfere with my full compliance with this Agreement, including any agreement relating to the non-disclosure of information of any other individual or entity, or that prior to my employment I disclosed any such agreements to the Company for proper legal review. I also certify

that I will not disclose to the Company, or induce the Company to use, any confidential or proprietary information or material belonging to any previous employer or others. I agree not to enter into any agreement either written or oral that conflicts with any provision of this Agreement.

#### IV. ASSIGNMENT OF INVENTIONS

I agree to disclose to the Company promptly in writing complete information regarding all inventions that I make, conceive or first reduce to practice (alone or in conjunction with others) during my employment with the Company. For the purposes of this Assignment, the term "invention" means any invention, discovery, design, formula, modification, improvement, new idea, business method, process, algorithm, software program, know how or trade secret, whether recorded in a written document, electronically or not recorded at all and whether or not copyrightable or patentable. In addition, with respect to any such invention that falls into one (or both) of the categories below, I shall automatically and irrevocably and worldwide assign to the Company, or its designee, my entire right, title and interest (including any intellectual property rights) in and to such invention. I further waive any moral rights I may have in the inventions, to the fullest extent permitted by law. The categories of inventions that are subject to my promise to assign under this Agreement are: (1) All inventions that relate to the subject matter of projects I worked on during the period of my employment with the Company whether or not I made, conceived or first reduced the inventions to practice during normal working hours; and (2) All inventions involving the use of any time, material, information, or facility of the Company.

By entering into this Assignment, I understand that I am not conveying any rights in inventions I may have made, conceived or first reduced to practice before my employment with the Company ("Prior Inventions"). If I claim ownership in any Prior Inventions, I have identified and provided a non-confidential description of each such Prior Invention in the space provided below (and on additional pages as necessary):

.....

.....

Notwithstanding the foregoing, my obligation to assign inventions as set forth above does not apply to an invention that I developed entirely on my own time without using the Company's equipment, supplies, facilities, or trade secret information except for those inventions that either: (i) relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or (ii) result from any work performed by me for the Company. (*California residents only*: I agree that this statement is intended to meet the Company's obligations to comply with the requirements of California Labor Code sections 2870-2872).

I further agree, without charge and at the Company's expense, to give the Company all assistance it reasonably requires to evidence, establish, maintain, perfect, protect, and use the rights to the inventions I have agreed herein to assign to it. In particular but without limitation I agree to sign all documents and supply all information that the Company may deem necessary or desirable to (i) transfer or record the transfer of my entire right, title, and interest in the assigned inventions; and (ii) enable the Company to obtain patent protection for such inventions anywhere in the world.

#### V. DISCLOSURE OF SUBSEQUENT INVENTIONS

I will also disclose to the Authorized Company Officer(s) listed in my Company handbook all inventions made, conceived, reduced to practice, or developed by me within six months of the termination of my employment with the Company that resulted from my prior work with the Company. Such disclosures shall be received by the Company in confidence and do not extend the assignment of inventions disclosed beyond that required by law.

#### VI. EMPLOYMENT AT WILL

I understand that my employment with the Company is "at will" and nothing in this document changes, alters or modifies my "at will" status. My employment at will status may not be changed except in writing, signed by me and an executive officer of the Company.

#### VII. PARTIAL INVALIDITY

If any provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, such provision shall be enforced to the greatest extent permitted and the remainder of this Agreement shall remain in full force and effect.

**CONFIDENTIAL INFORMATION AND  
INVENTION ASSIGNMENT AGREEMENT**

*Consultant Name: MARTIN ZIZI (“Consultant”)*

*Effective Date: March 1, 2013*

As a condition of becoming retained (or Consultant’s consulting relationship being continued) by Scanadu Incorporated, a Delaware corporation, or any of its current or future subsidiaries, affiliates, successors or assigns (collectively, the “Company”), and in consideration of Consultant’s consulting relationship with the Company and receipt of the compensation now and hereafter paid by the Company, Consultant agrees to the following:

1. **Relationship.** This Confidential Information and Invention Assignment Agreement (this “Agreement”) will apply to Consultant’s consulting relationship with the Company. If that relationship ends and the Company, within a year thereafter, either employs Consultant or re-engages Consultant as a consultant, this Agreement will also apply to such later employment or consulting relationship, unless the parties hereto otherwise agree in writing. Any such employment or consulting relationship between the parties hereto, whether commenced prior to, upon or after the date of this Agreement, is referred to herein as the “Relationship.”

2. **Duties.** Consultant will perform for the Company such duties as may be required pursuant to Consultant’s agreement with the Company entered into on or about the date hereof to provide various services to the Company (the “Consulting Agreement”). The services to be rendered by Consultant under the Consulting Agreement are referred to herein as the “Services” and this Agreement is intended to supplement and form an integral part of the Consulting Agreement. In the event of any conflict between provisions of this Agreement and the Consulting Agreement, this Agreement shall govern.

3. **Confidential Information.**

(a) **Protection of Information.** Consultant understands that during the Relationship, the Company intends to provide Consultant with information, including Confidential Information (as defined below), without which Consultant would not be able to perform Consultant’s duties to the Company. Consultant agrees, at all times during the term of the Relationship and thereafter, to hold in strictest confidence, and not to use, except for the benefit of the Company to the extent necessary to perform the Services, and not to disclose to any person, firm, corporation or other entity, without written authorization from the Company in each instance, any Confidential Information that Consultant obtains from the Company or otherwise obtains, accesses or creates in connection with, or as a result of, the Services during the term of the Relationship, whether or not during working hours, until such Confidential Information becomes publicly and widely known and made generally available through no wrongful act of Consultant or of others who were under confidentiality obligations as to the item

or items involved. Consultant further agrees not to make copies of such Confidential Information except as authorized by the Company.

(b) **Confidential Information.** Consultant understands that “Confidential Information” means information and physical material not generally known or available outside the Company and information and physical material entrusted to the Company in confidence by third parties. Confidential Information includes, without limitation: (i) Company Inventions (as defined below); and (ii) technical data, trade secrets, know-how, research, product or service ideas or plans, software codes and designs, algorithms, developments, inventions, patent applications, laboratory notebooks, processes, formulas, techniques, biological materials, mask works, engineering designs and drawings, hardware configuration information, agreements with third parties, lists of, or information relating to, employees and consultants of the Company (including, but not limited to, the names, contact information, jobs, compensation, and expertise of such employees and consultants), lists of, or information relating to, suppliers and customers (including, but not limited to, customers of the Company on whom Consultant called or with whom Consultant became acquainted during the Relationship), price lists, pricing methodologies, cost data, market share data, marketing plans, licenses, contract information, business plans, financial forecasts, historical financial data, budgets or other business information disclosed to Consultant by the Company either directly or indirectly, whether in writing, electronically, orally, or by observation.

(c) **Third Party Information.** Consultant’s agreements in this Section 3 are intended to be for the benefit of the Company and any third party that has entrusted information or physical material to the Company in confidence. Consultant further agrees that, during the term of the Relationship and thereafter, Consultant will not improperly use or disclose to the Company any confidential, proprietary or secret information of Consultant’s former clients or any other person, and Consultant agrees not to bring any such information onto the Company’s property or place of business.

(d) **Other Rights.** This Agreement is intended to supplement, and not to supersede, any rights the Company may have in law or equity with respect to the protection of trade secrets or confidential or proprietary information.

#### 4. **Ownership of Inventions.**

(a) **Inventions Retained and Licensed.** Consultant has attached hereto, as Exhibit A, a complete list describing with particularity all Inventions (as defined below) that, as of the Effective Date: (i) Consultant made, and/or (ii) belong solely to Consultant or belong to Consultant jointly with others or in which Consultant has an interest, and that relate in any way to any of the Company’s actual or proposed businesses, products, services, or research and development, and which are not assigned to the Company hereunder; or, if no such list is attached, Consultant represents that there are no such Inventions at the time of signing this Agreement, and to the extent such Inventions do exist and are not listed on Exhibit A, Consultant hereby forever waives any and all rights or claims of ownership to such Inventions. Consultant understands that Consultant’s listing of any Inventions on Exhibit A does not constitute an acknowledgement by the Company of the existence or extent of such Inventions, nor of Consultant’s ownership of such Inventions. Consultant further understands that Consultant

must receive the formal approval of the Company before commencing Consultant's Relationship with the Company.

(b) **Use or Incorporation of Inventions.** If in the course of the Relationship, Consultant uses or incorporates into a product, service, process or machine any Invention not covered by Section 4(d) of this Agreement in which Consultant has an interest, Consultant will promptly so inform the Company in writing. Whether or not Consultant gives such notice, Consultant hereby irrevocably grants to the Company a nonexclusive, fully paid-up, royalty-free, assumable, perpetual, worldwide license, with right to transfer and to sublicense, to practice and exploit such Invention and to make, have made, copy, modify, make derivative works of, use, sell, import, and otherwise distribute such Invention under all applicable intellectual property laws without restriction of any kind.

(c) **Inventions.** Consultant understands that "Inventions" means discoveries, developments, concepts, designs, ideas, know how, improvements, inventions, trade secrets and/or original works of authorship, whether or not patentable, copyrightable or otherwise legally protectable. Consultant understands this includes, but is not limited to, any new product, machine, article of manufacture, biological material, method, procedure, process, technique, use, equipment, device, apparatus, system, compound, formulation, composition of matter, design or configuration of any kind, or any improvement thereon. Consultant understands that "Company Inventions" means any and all Inventions that Consultant or Consultant's personnel may solely or jointly author, discover, develop, conceive, or reduce to practice in connection with, or as a result of, the Services performed for the Company, except as otherwise provided in Section 4(g) below.

(d) **Assignment of Company Inventions.** Consultant agrees that Consultant will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assigns to the Company, or its designee, all Consultant's right, title and interest throughout the world in and to any and all Company Inventions and all patent, copyright, trademark, trade secret and other intellectual property rights therein. Consultant hereby waives and irrevocably quitclaims to the Company or its designee any and all claims, of any nature whatsoever, that Consultant now has or may hereafter have for infringement of any and all Company Inventions. Any assignment of Company Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively, "Moral Rights"). To the extent that Moral Rights cannot be assigned under applicable law, Consultant hereby waives and agrees not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

(e) **Maintenance of Records.** Consultant agrees to keep and maintain adequate and current written records of all Company Inventions made or conceived by Consultant or Consultant's personnel (solely or jointly with others) during the term of the Relationship. The records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, laboratory notebooks, or any other format. The records will be available to and remain the sole property of the Company at all times. Consultant agrees not to remove such records from the Company's place of business except as expressly permitted by

Company policy which may, from time to time, be revised at the sole election of the Company for the purpose of furthering the Company's business. Consultant agrees to deliver all such records (including any copies thereof) to the Company at the time of termination of the Relationship as provided for in Section 5 and Section 6.

(f) **Patent and Copyright Rights.** Consultant agrees to assist the Company, or its designee, at its expense, in every proper way to secure the Company's, or its designee's, rights in the Company Inventions and any copyrights, patents, trademarks, mask work rights, Moral Rights, or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company or its designee of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, recordations, and all other instruments which the Company or its designee shall deem necessary in order to apply for, obtain, maintain and transfer such rights, or if not transferable, waive and agree never to assert such rights, and in order to assign and convey to the Company or its designee, and any successors, assigns and nominees the sole and exclusive right, title and interest in and to such Company Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. Consultant further agrees that Consultant's obligation to execute or cause to be executed, when it is in Consultant's power to do so, any such instrument or papers shall continue during and at all times after the end of the Relationship and until the expiration of the last such intellectual property right to expire in any country of the world. Consultant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Consultant's agent and attorney-in-fact, to act for and in Consultant's behalf and stead to execute and file any such instruments and papers and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent, copyright, mask work and other registrations related to such Company Inventions. This power of attorney is coupled with an interest and shall not be affected by Consultant's subsequent incapacity.

(g) **Exception to Assignments.** Subject to the requirements of applicable state law, if any, Consultant understands that the Company Inventions will not include, and the provisions of this Agreement requiring assignment of inventions to the Company do not apply to, any invention which qualifies fully for exclusion under the provisions of applicable state law, if any, attached hereto as Exhibit B. In order to assist in the determination of which inventions qualify for such exclusion, Consultant will advise the Company promptly in writing, during and after the term of the Relationship, of all Inventions solely or jointly conceived or developed or reduced to practice by Consultant or Consultant's personnel in connection with, or as a result of, the Services performed for the Company during the period of the Relationship.

5. **Company Property; Returning Company Documents.** Consultant acknowledges and agrees that Consultant has no expectation of privacy with respect to the Company's telecommunications, networking or information processing systems (including, without limitation, files, e-mail messages, and voice messages) and that Consultant's activity and any files or messages on or using any of those systems may be monitored or reviewed at any time without notice. Consultant further agrees that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice. Consultant agrees that, at the time of termination of the Relationship, Consultant will deliver to the Company (and will not keep in Consultant's possession, recreate or deliver to

anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, materials, flow charts, equipment, other documents or property, or reproductions of any of the aforementioned items developed by Consultant or Consultant's personnel pursuant to the Relationship or otherwise belonging to the Company, its successors or assigns.

6. **Termination Certification.** In the event of the termination of the Relationship, Consultant agrees to sign and deliver the "Termination Certification" attached hereto as Exhibit C; however, Consultant's failure to sign and deliver the Termination Certification shall in no way diminish Consultant's continuing obligations under this Agreement.

7. **Notice to Third Parties.** Consultant agrees that during the periods of time during which Consultant is restricted in taking certain actions by the terms of this Agreement (the "Restriction Period"), Consultant shall inform any entity or person with whom Consultant may seek to enter into a business relationship (whether as an owner, employee, independent contractor or otherwise) of Consultant's contractual obligations under this Agreement. Consultant also understands and agrees that the Company may, with or without prior notice to Consultant and during or after the term of the Relationship, notify third parties of Consultant's agreements and obligations under this Agreement. Consultant further agrees that, upon written request by the Company, Consultant will respond to the Company in writing regarding the status of Consultant's engagement or proposed engagement with any party during the Restriction Period.

8. **Solicitation of Employees, Consultants and Other Parties.** As described above, Consultant acknowledges and agrees that the Company's Confidential Information includes information relating to the Company's employees, consultants, customers and others, and that Consultant will not use or disclose such Confidential Information except as authorized by the Company. Consultant further agrees as follows:

(a) **Employees, Consultants.** Consultant agrees that during the term of the Relationship, and for a period of twelve (12) months immediately following the termination of the Relationship for any reason, whether with or without cause, Consultant shall not, directly or indirectly, solicit, induce, recruit or encourage any of the Company's employees or consultants to terminate their relationship with the Company, or attempt to solicit, induce, recruit, encourage or take away employees or consultants of the Company, either for Consultant or for any other person or entity.

(b) **Other Parties.** Consultant agrees that during the term of the Relationship, Consultant will not negatively influence any of the Company's clients, licensors, licensees or customers from purchasing Company products or services or solicit or influence or attempt to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. In addition, Consultant acknowledges that the Company has valuable Trade Secrets (as defined by applicable law from time to time) to which Consultant will have access during the term of the Relationship. Consultant understands that the Company intends to vigorously pursue its rights under applicable Trade Secrets law if, during a period of twelve (12) months immediately following the

termination of the Relationship for any reason, whether with or without cause, Consultant solicits or influences or attempts to influence any client, licensor, licensee, customer or other person either directly or indirectly, to direct any purchase of products and/or services to any person, firm, corporation, institution or other entity in competition with the business of the Company. Thereafter, the Company intends to vigorously pursue its rights under applicable Trade Secrets law as the circumstances warrant.

9. **No Change to Duration of Relationship.** Consultant understands and acknowledges that this Agreement does not alter, amend or expand upon any rights Consultant may have to continue in the consulting relationship with, or in the duration of Consultant's consulting relationship with, the Company under any existing agreements between the Company and Consultant, including without limitation the Consulting Agreement, or under applicable law.

10. **Representations and Covenants.**

(a) **Facilitation of Agreement.** Consultant agrees to execute promptly, both during and after the end of the Relationship, any proper oath, and to verify any proper document, required to carry out the terms of this Agreement, upon the Company's written request to do so.

(b) **No Conflicts.** Consultant represents that Consultant's performance of all the terms of this Agreement does not and will not breach any agreement Consultant has entered into, or will enter into, with any third party, including without limitation any agreement to keep in confidence proprietary information or materials acquired by Consultant in confidence or in trust prior to or during the Relationship. Consultant will not disclose to the Company or use any inventions, confidential or non-public proprietary information or material belonging to any previous client, employer or any other party. Consultant will not induce the Company to use any inventions, confidential or non-public proprietary information, or material belonging to any previous client, employer or any other party. Consultant acknowledges and agrees that Consultant has listed on Exhibit D all agreements (*e.g.*, non-competition agreements, non-solicitation of customers agreements, non-solicitation of employees agreements, confidentiality agreements, inventions agreements, etc.), if any, with a current or former client, employer, or any other person or entity, that may restrict Consultant's ability to perform services for the Company or Consultant's ability to recruit or engage customers or service providers on behalf of the Company, or otherwise relate to or restrict Consultant's ability to perform Consultant's duties for the Company or any obligation Consultant may have to the Company. Consultant agrees not to enter into any written or oral agreement that conflicts with the provisions of this Agreement.

Consultant further represents that Consultant does not presently perform or intend to perform, during the term of the Consulting Agreement, consulting or other services for, and Consultant is not presently employed by and has no intention of being employed by, companies whose businesses or proposed businesses in any way involve products or services that would be competitive with the Company's products or services, or those products or services proposed or in development by the Company during the term of the Consulting Agreement (except for those companies, if any, listed on Exhibit D attached hereto). If, however, Consultant decides to do so, Consultant agrees that, in advance of accepting such employment or agreeing to perform such services, Consultant will promptly notify the Company in writing, specifying the organization to

which Consultant proposes to render services, and provide information sufficient to allow the Company to determine if such work would conflict with the interests of the Company.

(c) **Voluntary Execution.** Consultant certifies and acknowledges that Consultant has carefully read all of the provisions of this Agreement, that Consultant understands and has voluntarily accepted such provisions, and that Consultant will fully and faithfully comply with such provisions.

11. **Electronic Delivery.** Nothing herein is intended to imply a right to participate in any of the Company's equity incentive plans, however, if Consultant does participate in such plan(s), the Company may, in its sole discretion, decide to deliver any documents related to Consultant's participation in the Company's equity incentive plan(s) by electronic means or to request Consultant's consent to participate in such plan(s) by electronic means. Consultant hereby consents to receive such documents by electronic delivery and agrees, if applicable, to participate in such plan(s) through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

12. **Miscellaneous.**

(a) **Governing Law.** The validity, interpretation, construction and performance of this Agreement, and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the state of California, without giving effect to the principles of conflict of laws.

(b) **Entire Agreement.** Except as described in Section 2, this Agreement sets forth the entire agreement and understanding between the Company and Consultant relating to its subject matter and merges all prior discussions between the parties to this Agreement. No amendment to this Agreement will be effective unless in writing signed by both parties to this Agreement. The Company shall not be deemed hereby to have waived any rights or remedies it may have in law or equity, nor to have given any authorizations or waived any of its rights under this Agreement, unless, and only to the extent, it does so by a specific writing signed by a duly authorized officer of the Company. Any subsequent change or changes in Consultant's duties, obligations, rights or compensation will not affect the validity or scope of this Agreement.

(c) **Successors and Assigns.** This Agreement will be binding upon Consultant's successors and assigns, and will be for the benefit of the Company, its successors, and its assigns.

(d) **Notices.** Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address as set forth on the signature page, as subsequently modified by written notice, or if no address is specified on the signature page, at the most recent address set forth in the Company's books and records.

(e) **Severability.** If one or more of the provisions in this Agreement are deemed void or unenforceable to any extent in any context, such provisions shall nevertheless be

enforced to the fullest extent allowed by law in that and other contexts, and the validity and force of the remainder of this Agreement shall not be affected. The Company and Consultant have attempted to limit Consultant's right to use, maintain and disclose the Company's Confidential Information, and to limit Consultant's right to solicit employees and customers only to the extent necessary to protect the Company from unfair competition. Should a court of competent jurisdiction determine that the scope of the covenants contained in Section 8 exceeds the maximum restrictiveness such court deems reasonable and enforceable, the parties intend that the court should reform, modify and enforce the provision to such narrower scope as it determines to be reasonable and enforceable under the circumstances existing at that time. In the event that any court or government agency of competent jurisdiction determines that, notwithstanding the terms of the Consulting Agreement specifying Consultant's Relationship with the Company as that of an independent contractor, Consultant's provision of services to the Company is not as an independent contractor but instead as an employee under the applicable laws, then solely to the extent that such determination is applicable, references in this Agreement to the Relationship between Consultant and the Company shall be interpreted to include an employment relationship, and this Agreement shall not be invalid and unenforceable but shall be read to the fullest extent as may be valid and enforceable under the applicable laws to carry out the intent and purpose of the Agreement.

(f) **Remedies.** Consultant acknowledges and agrees that violation of this Agreement by Consultant may cause the Company irreparable harm, and therefore Consultant agrees that the Company will be entitled to seek extraordinary relief in court, including, but not limited to, temporary restraining orders, preliminary injunctions and permanent injunctions without the necessity of posting a bond or other security (or, where such a bond or security is required, Consultant agrees that a \$1,000 bond will be adequate), in addition to and without prejudice to any other rights or remedies that the Company may have for a breach of this Agreement.

(g) **Advice of Counsel.** CONSULTANT ACKNOWLEDGES THAT, IN EXECUTING THIS AGREEMENT, CONSULTANT HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND CONSULTANT HAS READ AND UNDERSTANDS ALL OF THE TERMS AND PROVISIONS OF THIS AGREEMENT. THIS AGREEMENT SHALL NOT BE CONSTRUED AGAINST ANY PARTY BY REASON OF THE DRAFTING OR PREPARATION HEREOF.

(h) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and all of which together shall constitute one and the same agreement.

Section 2870 of the California Labor Code is as follows:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

**CONSULTING AGREEMENT**

This Consulting Agreement (this "*Agreement*") is made and entered into as of July 1<sup>st</sup>, 2011 (the "*Effective Date*") by and between Scanadu Incorporated, a Delaware corporation (the "*Company*"), and Dr. Anthony Smart ("*Consultant*") (each herein referred to individually as a "*Party*," or collectively as the "*Parties*").

The Company desires to retain Consultant as an independent contractor to perform consulting services for the Company, and Consultant is willing to perform such services, on the terms described below. In consideration of the mutual promises contained herein, the Parties agree as follows:

**1. Services and Compensation**

Consultant shall perform the services described in **Exhibit A** (the "*Services*") for the Company (or its designee), and the Company agrees to pay Consultant the compensation described in **Exhibit A** for Consultant's performance of the Services.

**2. Applicability to Past Activities**

Consultant agrees that if and to the extent that Consultant provided any services or made efforts on behalf of or for the benefit of Company, or related to the current or prospective business of Company in anticipation of Consultant's involvement with the Company, that would have been "*Services*" if performed during the term of this Agreement (the "*Prior Consulting Period*") and to the extent that during the Prior Consulting Period: (i) Consultant received access to any information from or on behalf of Company that would have been "*Confidential Information*" (as defined below) if Consultant received access to such information during the term of this Agreement; or (ii) Consultant conceived, created, authored, invented, developed or reduced to practice any item (including any intellectual property rights with respect thereto) on behalf of or for the benefit of Company, or related to the current or prospective business of Company in anticipation of Consultant's involvement with Company, that would have been an "*Invention*" (as defined below) if conceived, created, authored, invented, developed or reduced to practice during the term of this Agreement; then any such information shall be deemed "*Confidential Information*" hereunder and any such item shall be deemed an "*Invention*" hereunder, and this Agreement shall apply to such activities, information or item as if disclosed, conceived, created, authored, invented, developed or reduced to practice during the term of this Agreement. Consultant further acknowledges that Consultant has been fully compensated for all services provided during any such Prior Consulting Period.

**3. Confidentiality**

a. **Definition of Confidential Information.** "*Confidential Information*" means any non-public information that relates to the actual or anticipated business and/or products, research or development of the Company, its affiliates or subsidiaries, or to the Company's, its affiliates' or subsidiaries' technical data, trade secrets, or know-how, including, but not limited to, research, product plans, or other information regarding the Company's, its affiliates' or subsidiaries' products or services and markets therefor, customer lists and customers (including, but not limited to, customers of the Company on whom Consultant called or with whom Consultant became acquainted as a result of said association with the Company during the term of this Agreement), software, developments, inventions, processes, formulas, technology, designs, drawings, engineering, hardware configuration information, marketing, finances, and other business information disclosed by the Company, its affiliates or subsidiaries, either directly or indirectly, in writing, orally or by drawings or inspection of premises, parts, equipment, or other property of Company, its affiliates or subsidiaries. Notwithstanding the foregoing, Confidential Information shall not include any such information which Consultant can establish (i) was publicly known or made generally available prior to the time of disclosure to Consultant; (ii) becomes publicly known or made generally available after disclosure to Consultant through no wrongful action or

inaction of Consultant; or (iii) is in the rightful possession of Consultant, without confidentiality obligations, at the time of disclosure as shown by Consultant's then-contemporaneous written records.

b. **Nonuse and Nondisclosure.** During and after the term of this Agreement, Consultant will hold in the strictest confidence, and take all reasonable precautions to prevent any unauthorized use or disclosure of Confidential Information, and Consultant will not (i) use the Confidential Information for any purpose whatsoever other than as necessary for the performance of the Services on behalf of the Company, or (ii) disclose the Confidential Information to any third party without the prior written consent of an authorized representative of Company. Consultant may disclose Confidential Information to the extent compelled by applicable law; *provided however*, prior to such disclosure, Consultant shall provide prior written notice to Company and seek a protective order or such similar confidential protection as may be available under applicable law. Consultant agrees that no ownership of Confidential Information is conveyed to the Consultant. Without limiting the foregoing, Consultant shall not use or disclose any Company property, intellectual property rights, trade secrets or other proprietary know-how of the Company to invent, author, make, develop, design, or otherwise enable others to invent, author, make, develop, or design identical or substantially similar designs as those developed under this Agreement for any third party. Without the Company's prior written approval, Consultant shall not directly or indirectly disclose to anyone the existence of this Agreement or the fact that Consultant has this arrangement with the Company. Consultant agrees that Consultant's obligations under this Section 3.B shall continue after the termination of this Agreement.

c. **Other Client Confidential Information.** Consultant agrees that Consultant will not improperly use, disclose, or induce the Company to use any proprietary information or trade secrets of any former or concurrent employer of Consultant or other person or entity with which Consultant has an obligation to keep in confidence. Consultant also agrees that Consultant will not bring onto the Company's premises or transfer onto the Company's technology systems any unpublished document, proprietary information, or trade secrets belonging to any third party unless disclosure to, and use by, the Company has been consented to in writing by such third party.

d. **Third Party Confidential Information.** Consultant recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Consultant agrees that at all times during the term of this Agreement and thereafter, Consultant owes the Company and such third parties a duty to hold all such confidential or proprietary information in the strictest confidence and not to use it or to disclose it to any person, firm, corporation, or other third party except as necessary in carrying out the Services for the Company consistent with the Company's agreement with such third party.

#### 4. Ownership

a. **Assignment of Inventions.** Consultant agrees that all right, title, and interest in and to any copyrightable material, notes, records, drawings, designs, inventions, improvements, developments, discoveries and trade secrets conceived, discovered, authored, invented, developed or reduced to practice by Consultant, solely or in collaboration with others, during the term of this Agreement and arising out of, or in connection with, performing the Services under this Agreement and any copyrights, patents, trade secrets, mask work rights or other intellectual property rights relating to the foregoing (collectively, "**Inventions**"), are the sole property of the Company. Consultant also agrees to promptly make full written disclosure to the Company of any Inventions and to deliver and assign (or cause to be assigned) and hereby irrevocably assigns fully to the Company all right, title and interest in and to the Inventions.

b. **Pre-Existing Materials.** Subject to Section 4.A, Consultant agrees that if, in the course of performing the Services, Consultant incorporates into any Invention or utilizes in the performance of the Services any pre-existing invention, discovery, original works of authorship, development, improvements, trade secret, concept, or other proprietary information or intellectual property right owned by Consultant or in which Consultant has an interest ("**Prior Inventions**"), (i) Consultant will provide the Company with prior written notice and (ii) the Company is hereby granted

a nonexclusive, royalty-free, perpetual, irrevocable, transferable, worldwide license (with the right to grant and authorize sublicenses) to make, have made, use, import, offer for sale, sell, reproduce, distribute, modify, adapt, prepare derivative works of, display, perform, and otherwise exploit such Prior Inventions, without restriction, including, without limitation, as part of or in connection with such Invention, and to practice any method related thereto. Consultant will not incorporate any invention, improvement, development, concept, discovery, work of authorship or other proprietary information owned by any third party into any Invention without Company's prior written permission, including without limitation any free software or open source software.

c. **Moral Rights.** Any assignment to the Company of Inventions includes all rights of attribution, paternity, integrity, modification, disclosure and withdrawal, and any other rights throughout the world that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively, "**Moral Rights**"). To the extent that Moral Rights cannot be assigned under applicable law, Consultant hereby waives and agrees not to enforce any and all Moral Rights, including, without limitation, any limitation on subsequent modification, to the extent permitted under applicable law.

d. **Maintenance of Records.** Consultant agrees to keep and maintain adequate, current, accurate, and authentic written records of all Inventions made by Consultant (solely or jointly with others) during the term of this Agreement, and for a period of three (3) years thereafter. The records will be in the form of notes, sketches, drawings, electronic files, reports, or any other format that is customary in the industry and/or otherwise specified by the Company. Such records are and remain the sole property of the Company at all times and upon Company's request, Consultant shall deliver (or cause to be delivered) the same.

e. **Further Assurances.** Consultant agrees to assist Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in Inventions in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments and all other instruments that the Company may deem necessary in order to apply for, register, obtain, maintain, defend, and enforce such rights, and in order to deliver, assign and convey to the Company, its successors, assigns and nominees the sole and exclusive right, title, and interest in and to all Inventions and testifying in a suit or other proceeding relating to such Inventions. Consultant further agrees that Consultant's obligations under this Section 4.E shall continue after the termination of this Agreement.

f. **Attorney-in-Fact.** Consultant agrees that, if the Company is unable because of Consultant's unavailability, dissolution, mental or physical incapacity, or for any other reason, to secure Consultant's signature with respect to any Inventions, including, without limitation, for the purpose of applying for or pursuing any application for any United States or foreign patents or mask work or copyright registrations covering the Inventions assigned to the Company in Section 4.A, then Consultant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Consultant's agent and attorney-in-fact, to act for and on Consultant's behalf to execute and file any papers and oaths and to do all other lawfully permitted acts with respect to such Inventions to further the prosecution and issuance of patents, copyright and mask work registrations with the same legal force and effect as if executed by Consultant. This power of attorney shall be deemed coupled with an interest, and shall be irrevocable.

## 5. Conflicting Obligations

a. Consultant represents and warrants that Consultant has no agreements, relationships, or commitments to any other person or entity that conflict with the provisions of this Agreement, Consultant's obligations to the Company under this Agreement, and/or Consultant's ability to perform the Services. Consultant will not enter into any such conflicting agreement during the term of this Agreement.

b. In light of the unique and specialized nature of Consultant's services, Consultant shall have the right to subcontract the performance of any Services only with the prior written permission of the Company. In the event the Company authorizes Consultant to subcontract the performance of any Services, Consultant shall require all Consultant's employees, contractors, or other third-parties

performing Services under this Agreement to execute a Confidential Information and Assignment Agreement in a form acceptable to the Company, and promptly provide a copy of each such executed agreement to the Company. Consultant's violation of this Article 5 will be considered a material breach under Section 8.B.

#### 6. Return of Company Materials

Upon the termination of this Agreement, or upon Company's earlier request, Consultant will immediately deliver to the Company, and will not keep in Consultant's possession, recreate, or deliver to anyone else, any and all Company property, including, but not limited to, Confidential Information, tangible embodiments of the Inventions, all devices and equipment belonging to the Company, all electronically-stored information and passwords to access such property, those records maintained pursuant to Section 4.D and any reproductions of any of the foregoing items that Consultant may have in Consultant's possession or control.

#### 7. Reports

Consultant agrees that Consultant will periodically keep the Company advised as to Consultant's progress in performing the Services under this Agreement. Consultant further agrees that Consultant will, as requested by the Company, prepare written reports with respect to such progress. The Company and Consultant agree that the reasonable time expended in preparing such written reports will be considered time devoted to the performance of the Services.

#### 8. Term and Termination

a. *Term.* The term of this Agreement will begin on the Effective Date of this Agreement and will continue until the earlier of (i) final completion of the Services or (ii) termination as provided in Section 8.B. The parties agree that there will be regular six (6) month reviews as to the performance of the services provided by the Consultant and that the Consultant along with the Company, shall as part of this review process, discuss the responsibilities and/or compensation of the Consultant which may result in an amendment and or termination to this Agreement consistent with Section 8.B.

b. *Termination.* The Company may terminate this Agreement upon giving Consultant fourteen (14) days prior written notice of such termination pursuant to Section 14.G of this Agreement. The Company may terminate this Agreement immediately and without prior notice if Consultant refuses to or is unable to perform the Services or is in breach of any material provision of this Agreement.

c. *Survival.* Upon any termination, all rights and duties of the Company and Consultant toward each other shall cease except:

i. The Company will pay, within thirty (30) days after the effective date of termination, all amounts owing to Consultant for Services completed and accepted by the Company prior to the termination date and related reimbursable expenses, if any, submitted in accordance with the Company's policies and in accordance with the provisions of Article 1 of this Agreement; and

ii. Article 3 (Confidentiality), Article 4 (Ownership), Section 5.B (Conflicting Obligations), Article 6 (Return of Company Materials), Article 8 (Term and Termination), Article 9 (Independent Contractor; Benefits), Article 10 (Indemnification), Article 11 (Noninterference), Article 12 (Limitation of Liability), Article 13 (Arbitration and Equitable Relief), and Article 14 (Miscellaneous) will survive termination or expiration of this Agreement in accordance with their terms.

#### 9. Independent Contractor; Benefits

a. *Independent Contractor.* It is the express intention of the Company and Consultant that Consultant perform the Services as an independent contractor to the Company. Nothing in this Agreement shall in any way be construed to constitute Consultant as an agent, employee or representative of the Company. Without limiting the generality of the foregoing, Consultant is not authorized to bind the Company to any liability or obligation or to represent that Consultant has any such authority. Consultant agrees to furnish (or reimburse the Company for) all tools and materials necessary to accomplish this Agreement and shall incur all expenses associated with performance, except as expressly provided in

**Exhibit A.** Consultant acknowledges and agrees that Consultant is obligated to report as income all compensation received by Consultant pursuant to this Agreement. Consultant agrees to and acknowledges the obligation to pay all self-employment and other taxes on such income.

b. **Benefits.** The Company and Consultant agree that Consultant will receive no Company-sponsored benefits from the Company where benefits include, but are not limited to, paid vacation, sick leave, medical insurance and 401k participation. If Consultant is reclassified by a state or federal agency or court as the Company's employee, Consultant will become a reclassified employee and will receive no benefits from the Company, except those mandated by state or federal law, even if by the terms of the Company's benefit plans or programs of the Company in effect at the time of such reclassification, Consultant would otherwise be eligible for such benefits. The parties agree that if there is a change of the Company ownership due to an IPO, or due to any other event, foreseeable or not, that the stock options granted to Consultant in **Exhibit A** shall vest and that all of the stock options granted by the Company shall be guaranteed to vest, as of the date of the change of ownership, to the Consultant regardless of the reason for the change of Company ownership. The parties further agree that in the event of Termination of this Contract, the Consultant shall be entitled to any and all stock option shares up to the date of Termination that the Consultant is entitled to under Exhibit A attached hereto. Said shares shall vest for the Consultant as of the date of Termination.

#### 10. Indemnification

Consultant agrees to indemnify and hold harmless the Company and its affiliates and their directors, officers and employees from and against all taxes, losses, damages, liabilities, costs and expenses, including attorneys' fees and other legal expenses, arising directly or indirectly from or in connection with (i) any negligent, reckless or intentionally wrongful act of Consultant or Consultant's assistants, employees, contractors or agents, (ii) a determination by a court or agency that the Consultant is not an independent contractor, (iii) any breach by the Consultant or Consultant's assistants, employees, contractors or agents of any of the covenants contained in this Agreement and corresponding Confidential Information and Invention Assignment Agreement, (iv) any failure of Consultant to perform the Services in accordance with all applicable laws, rules and regulations, or (v) any violation or claimed violation of a third party's rights resulting in whole or in part from the Company's use of the Inventions or other deliverables of Consultant under this Agreement.

#### 11. Nonsolicitation

To the fullest extent permitted under applicable law, from the date of this Agreement until twelve (12) months after the termination of this Agreement for any reason (the "**Restricted Period**"), Consultant will not, without the Company's prior written consent, directly or indirectly, solicit any of the Company's employees to leave their employment, or attempt to solicit employees of the Company, either for Consultant or for any other person or entity. Consultant agrees that nothing in this Article 11 shall affect Consultant's continuing obligations under this Agreement during and after this twelve (12) month period, including, without limitation, Consultant's obligations under Article 3.

#### 12. Limitation of Liability

IN NO EVENT SHALL COMPANY BE LIABLE TO CONSULTANT OR TO ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOST PROFITS OR LOSS OF BUSINESS, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHER THEORY OF LIABILITY, REGARDLESS OF WHETHER COMPANY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. IN NO EVENT SHALL COMPANY'S LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT EXCEED THE AMOUNTS PAID BY COMPANY TO CONSULTANT UNDER THIS AGREEMENT FOR THE SERVICES, DELIVERABLES OR INVENTION GIVING RISE TO SUCH LIABILITY.

### 13. Arbitration and Equitable Relief

a. **Arbitration.** In consideration of Consultant's consulting relationship with Company, its promise to arbitrate all disputes related to Consultant's consulting relationship with the Company and Consultant's receipt of the compensation and other benefits paid to Consultant by Company, at present and in the future, Consultant agrees that any and all controversies, claims, or disputes with anyone (including Company and any employee, officer, director, shareholder or benefit plan of the Company in their capacity as such or otherwise), WHETHER BROUGHT ON AN INDIVIDUAL, GROUP, OR CLASS BASIS, arising out of, relating to, or resulting from Consultant's consulting relationship with the Company or the termination of Consultant's consulting relationship with the Company, including any breach of this Agreement, shall be subject to binding arbitration under the Arbitration Rules set forth in California Code of Civil Procedure Section 1280 through 1294.2, including Section 1281.8 (the "ACT") and pursuant to California law. THE FEDERAL ARBITRATION ACT SHALL CONTINUE TO APPLY WITH FULL FORCE AND EFFECT NOTWITHSTANDING THE APPLICATION OF PROCEDURAL RULES SET FORTH IN THE ACT. Disputes which Consultant agrees to arbitrate, and thereby agrees to waive any right to a trial by jury, include any statutory claims under LOCAL, state, or federal law, including, but not limited to, claims under Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, the Age Discrimination in Employment Act of 1967, the Older Workers Benefit Protection Act, the SARBANES-OXLEY ACT, THE WORKER ADJUSTMENT AND RETRAINING NOTIFICATION ACT, THE California Fair Employment and Housing Act, the FAMILY AND MEDICAL LEAVE ACT, THE CALIFORNIA FAMILY RIGHTS ACT, THE California Labor Code, claims of harassment, discrimination AND wrongful termination and any statutory OR COMMON LAW claims. Consultant further understands that this Agreement to arbitrate also applies to any disputes that the Company may have with Consultant.

b. **Procedure.** Consultant agrees that any arbitration will be administered by Judicial Arbitration & Mediation Services, Inc. ("JAMS") pursuant to its EMPLOYMENT Arbitration Rules & Procedures (the "JAMS Rules"). Consultant agrees that the arbitrator shall have the power to decide any motions brought by any party to the arbitration, including motions for summary judgment and/or adjudication and motions to dismiss and demurrers, prior to any arbitration hearing. Consultant agrees that the arbitrator shall issue a written decision on the merits. CONSULTANT ALSO AGREES THAT THE ARBITRATOR SHALL HAVE THE POWER TO AWARD ANY REMEDIES AVAILABLE UNDER APPLICABLE LAW, AND THAT THE ARBITRATOR SHALL AWARD ATTORNEYS' FEES AND COSTS TO THE PREVAILING PARTY, EXCEPT AS PROHIBITED BY LAW. CONSULTANT AGREES that the decree or award rendered by the arbitrator may be entered as a final and binding judgment in any court having jurisdiction thereof. Consultant agrees that the arbitrator shall administer and conduct any arbitration in ACCORDANCE with CALIFORNIA LAW, including the California Code of Civil Procedure, and that the arbitrator shall apply substantive and procedural California law to any dispute or claim, without reference to rules of conflict of law. To the extent that the JAMS Rules conflict with California law, California law shall take precedence. Consultant further agrees that any arbitration under this agreement shall be conducted in SANTA CLARA COUNTY, California.

c. **Remedy.** Except as provided by the ACT AND THIS AGREEMENT, arbitration shall be the sole, exclusive, and final remedy for any dispute between Consultant and the Company. Accordingly, except as provided for by the ACT AND this agreement, neither Consultant nor the Company will be permitted to pursue court action regarding claims that are subject to arbitration.

d. **Availability of Injunctive Relief.** In accordance with Rule 1281.8 of the California Code of Civil Procedure, the Parties agree that any party may also petition the court for injunctive relief where either party alleges or claims a violation of any agreement regarding INTELLECTUAL PROPERTY, confidential information OR NONINTERFERENCE. In the event either party seeks injunctive relief, the prevailing party shall be entitled to recover reasonable costs and attorneys' fees.

e. **Administrative Relief.** Consultant understands that except as permitted by law this Agreement does not prohibit Consultant from pursuing certain Administrative claims with local, state or

federal administrative bodies OR GOVERNMENT AGENCIES such as the Department of Fair Employment and Housing, the Equal Employment Opportunity Commission, the National Labor Relations Board, or the workers' compensation board. This agreement does, however, preclude consultant from bringing any alleged wage claims with the Department of labor standards enforcement. Likewise, This Agreement does preclude Consultant from pursuing court action regarding any Administrative claims, except as permitted by law.

f. **Voluntary Nature of Agreement.** Consultant acknowledges and agrees that he/she is executing this Agreement voluntarily and without any duress or undue influence by the Company or anyone else. Consultant further acknowledges and agrees that he/she has carefully read this Agreement and that Consultant has asked any questions needed for Consultant to understand the terms, consequences and binding effect of this Agreement and fully understand it, including that **Consultant is waiving his/her right to a jury trial.** Finally, Consultant agrees that he/she has been provided an opportunity to seek the advice of an attorney of Consultant's choice before signing this Agreement.

#### 14. Miscellaneous

a. **Governing Law; Consent to Personal Jurisdiction.** This Agreement shall be governed by the laws of the State of California, without regard to the conflicts of law provisions of any jurisdiction. To the extent that any lawsuit is permitted under this Agreement, the Parties hereby expressly consent to the personal and exclusive jurisdiction and venue of the state and federal courts located in California.

b. **Assignability.** This Agreement will be binding upon Consultant's heirs, executors, assigns, administrators, and other legal representatives, and will be for the benefit of the Company, its successors, and its assigns. There are no intended third-party beneficiaries to this Agreement, except as expressly stated. Except as may otherwise be provided in this Agreement, Consultant may not sell, assign or delegate any rights or obligations under this Agreement. Notwithstanding anything to the contrary herein, Company may assign this Agreement and its rights and obligations under this Agreement to any successor to all or substantially all of Company's relevant assets, whether by merger, consolidation, reorganization, reincorporation, sale of assets or stock, or otherwise.

c. **Entire Agreement.** This Agreement constitutes the entire agreement and understanding between the Parties with respect to the subject matter herein and supersedes all prior written and oral agreements, discussions, or representations between the Parties. Consultant represents and warrants that he/she is not relying on any statement or representation not contained in this Agreement. To the extent any terms set forth in any exhibit or schedule conflict with the terms set forth in this Agreement, the terms of this Agreement shall control unless otherwise expressly agreed by the Parties in such exhibit or schedule.

d. **Headings.** Headings are used in this Agreement for reference only and shall not be considered when interpreting this Agreement.

e. **Severability.** If a court or other body of competent jurisdiction finds, or the Parties mutually believe, any provision of this Agreement, or portion thereof, to be invalid or unenforceable, such provision will be enforced to the maximum extent permissible so as to effect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect.

f. **Modification, Waiver.** No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in a writing signed by the Parties. Waiver by the Company of a breach of any provision of this Agreement will not operate as a waiver of any other or subsequent breach.

g. **Notices.** Any notice or other communication required or permitted by this Agreement to be given to a Party shall be in writing and shall be deemed given (i) if delivered personally or by commercial messenger or courier service, (ii) when sent by confirmed facsimile, or (iii) if mailed by U.S. registered or certified mail (return receipt requested), to the Party at the Party's address written below or at such other address as the Party may have previously specified by like notice. If by mail, delivery shall be deemed effective three business days after mailing in accordance with this Section 14.G.

Parties to this Agreement to enforce or interpret the provisions of this Agreement, the prevailing Party  
will be entitled to reasonable attorneys' fees, in addition to any other relief to which that Party may be  
entitled.

i. **Signatures.** This Agreement may be signed in two counterparts, each of which shall
