ASSIGNMENT

WHEREAS, the Cricket K. Braun and John T. Braun, MD Family LLC, a company organized under the laws of the state of Vermont (hereinafter “Assignor”), owns the entire right, title, and interest in United States Patent Application Serial No. 16/526,664 titled VERTEBRAL PROBES AND RELATED SURGICAL METHODS, which was filed with the United States Patent and Trademark Office on July 30, 2019 (hereinafter the “Patent Application”);

WHEREAS, BraunVest LLC, also a company organized and existing under the laws of the state of Vermont (hereinafter “Assignee”), is desirous of acquiring the entire right, title, and interest in the Patent Application and any and all inventions disclosed therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, said Assignor hereby grants and assigns unto said Assignee the entire right, title, and interest in the Patent Application, any and all inventions and in all patent applications based thereon, including but not limited to all non-provisionals, divisionals, continuations, and continuations-in-part of the Patent Application, or reissues or extensions of Letters Patent or patents granted thereon, and in all corresponding applications filed in countries foreign to the United States and in all patents issuing thereon in the United States and foreign countries; the right, power, and authority to file and prosecute U.S. and foreign patent applications on the Patent Application and/or said inventions, and to do so in its own name wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for

infringement of any right in any of said inventions in its own name, including past infringement in any jurisdiction.

The United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, are authorized and requested to issue any and all Letters Patents on the Patent Application and/or said inventions to said Assignee as the owner of the entire interest, for the sole use and benefit of said Assignee, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignor had this Assignment not been made.

This Assignment and agreement shall be binding upon heirs and legal representatives.
