ASSIGNMENT - WORLDWIDE

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor has sold, assigned and transferred, and does hereby sell, assign and transfer, unto **SYMBOL TECHNOLOGIES, LLC** ("Assignee"), a limited liability company of the State of Delaware, having its principal place of business at **1 Zebra Plaza, Holtsville, NY 11742**, and its successors and assigns, the entire right, title and interest for the United States of America and the Territories and Possessions thereof and all countries foreign to the United States of America in and to inventions relating to

INTERCHANGEABLY CONNECTABLE CHARGING CRADLE, BATTERY PACK AND MOBILE DEVICE

as set forth in the following patent applications:

- executed concurrently herewith.
- U.S. Patent Application No. 16/476,927, filed July 10, 2019, entitled "Interchangeably Connectable Charging Cradle, Battery Pack and Mobile Device",
- International Application No. PCT/US2017/066773, filed December 15, 2017, entitled "Interchangeably Connectable Charging Cradle, Battery Pack and Mobile Device," which claims priority from U.S. Provisional Application No. 62/446,159, filed January 13, 2017, entitled "Battery and Charging Device," all applications listed above being hereinafter referred to as the "application(s)."

together with the entire right, title and interest in and to all divisionals, renewals, substitutes, continuations, provisionals, non-provisionals, continuation-in-parts, and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues, reexaminations, and extensions of Letters Patent granted for said inventions or upon said applications and every priority right that is or may be predicated upon or arise from said inventions, said applications, and said Letters Patent; said Assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said Assignee or otherwise as said Assignee may deem advisable, under the International Convention or otherwise.

The Commissioner of Patents and Trademarks of the United States of America being hereby authorized to issue or transfer all said Letters Patent to said Assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right theretofore given, and that the undersigned, without charge to Assignee, but at its expense, will do all acts reasonably serving to ensure that the said inventions, patent applications and Letters Patent shall be held and enjoyed by said Assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said Assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, declarations, and lawful affidavits in form and substance which may be requested by said Assignee, to furnish said Assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs,

models, samples or other physical exhibits which may embody said inventions, and to testify in any proceedings relating to said inventions, patent applications, and/or Letters Patent.

Each undersigned inventor hereby grant(s) an authorized representative of Assignee the power to insert in this Assignment any further identification that may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment, for example, application number and filing date.

This Assignment is deemed to be effective at least as early as the earliest priority date.
