ASSIGNMENT AND AGREEMENT

For valuable consideration, I/we, Sandi Češko of Izlake, Slovenia, and Heiko Peter Werner of Izlake, Slovenia, do hereby assign to Elisana S.A.R.L. a company organized under the laws of Luxembourg, having an office at 4 rue Albert Borschette, L-1246 Luxembourg, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of applications for United States Patent signed by us, entitled HOLLOW TUBULAR CENTER BULGING FOAM SPRING filed May 22, 2020, and assigned U.S. Patent Application Number 16/766,615, and I/we authorize and request the attorney(s) and/or patent agent(s) appointed in said applications to hereafter insert above the filing date and patent application number of said applications when known; these assignments including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I/we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I/we agree for myself/ourselves and my/our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully these assignments.
