Article 3. Scope

Seller hereby sells, assigns, transfers and conveys to Purchaser all the right, title and interest in and to the Assigned Patent Rights.

Article 4. Registration of Assigned Patent Rights

Seller agrees to transfer and register Assigned Patent Rights under this Agreement. Therefore, Seller shall provide the necessary documents upon request of Purchaser.

Article 5. Limitation

There shall be no established pledge right, permit or license issued to a third-party for the

use of all or part of Assigned Patent Rights as of the Effective Date. Otherwise, Seller shall compensate for all damages caused to Purchaser.

Article 6. Payment

Purchaser shall pay the agreed amount to Seller in exchange for transfer of Assigned Patent Rights described in Article 3. Seller shall promptly complete the transfer procedure of Assigned Patent Rights.

Article 7. Transfer Registration and Relevant Costs

Purchaser shall solely carry out the registration procedure of the Assigned Patents, bearing all relevant costs.

Article 8. Modification and Termination

In circumstances where modification to this Agreement is necessary, such modifications shall be made only by written consent between the two Parties, being effective the day after written consent has been signed.

Article 9. Dispute Settlement

In the event of dispute or disagreement arising in connection with this Agreement or in connection with obligations of this Agreement, Seller and Purchaser shall endeavor to resolve them with good faith through mutual consultation.

Article 10. Effective Date

This Agreement shall become effective on the date on which both parties sign.

Article 11. Miscellaneous
