WORLDWIDE ASSIGNMENT

WHEREAS, I (We),

Jerry KILBY of Central Point, Oregon -----

respectively, have created an invention entitled:

HIGH PERFORMANCE SILICON BASED COATING COMPOSITIONS

for which application for Letters Patent of the United States was executed on even date herewith unless otherwise indicated below:

Non-provisional Application No. **13/872,588** filed on **April 29, 2013**.

(Global Patent Group, LLC is hereby authorized to insert the series code, serial number and/or filing date hereon, when known)

AND, WHEREAS, **BURNING BUSH GROUP, LLC**, a corporation with a business address of **5300 E. 59th Street, Kansas City, MO 64130** (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire and exclusive right, title and interest thereunder;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I (We) do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the full, entire and exclusive right, title and interest in and to said invention, as well as all improvements and modifications of the above-identified invention (or inventions) and in and to all said US application(s) and all patents which may be granted therefor, applications converted from a provisional application, and all divisions, reissues, substitutions, continuations, continuations-in-part, any other patent application(s) claiming priority to the above application(s) and extensions thereof; and (I) we hereby authorize and request the Commissioner of US Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom to the said ASSIGNEE of our entire right, title and interest therein.

I (We) also hereby sell and assign to said ASSIGNEE, its successors, assigns and legal representatives the full, entire and exclusive rights, title and interest to the invention disclosed in said application(s) listed above, as well as all improvements and modifications of the above-identified invention (or inventions), throughout the world, together with all rights and benefits arising therefrom, and the right to claim the benefit of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, including any Patent Cooperation Treaty (PCT) or foreign application claiming priority therefrom, the right to file applications from said application(s) listed above or any PCT application(s) claiming priority therefrom, and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and I (we) further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in ASSIGNEE, its successors, assigns and legal representatives in any country of the world.

I (We) request that any and all patents for said inventions be issued to said ASSIGNEE, its successors, assigns and legal representatives, or to such nominees as it may designate.

I (We) hereby further agree that we will communicate to said ASSIGNEE, or to its successors, assigns and legal representatives, any facts known to us respecting any improvements in said invention; and, at the expense of said ASSIGNEE, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue, PCT applications and substitute applications, make all lawful oaths related to said invention and do everything possible to vest title in said ASSIGNEE and to aid said ASSIGNEE, its successors, assigns and legal representatives to obtain and enforce any patent(s) related to said invention in all countries of the world.

I (We) hereby agree for myself (ourselves) and for my (our) heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any divisional, continuing, reissue, PCT applications or other applications for patents of any country, that may be deemed necessary by said ASSIGNEE to fully secure to said ASSIGNEE its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them anywhere in the world.

AND I (We) hereby covenant for myself (ourselves) and my (our) legal representatives, and agree with said ASSIGNEE, its successors and assigns, that I (We) have granted no right or license to make, use or sell said invention, to anyone except said ASSIGNEE, that prior to the execution of this deed my right, title and interest in said invention had not been otherwise encumbered, and that I have not executed and will not execute any instrument in conflict herewith.
