ASSIGNMENT

I, the undersigned, **Byeong Chang of Thousand Oaks, California**, hereby irrevocably sell, transfer, convey and assign to **Integrity Bio, Inc.**, a California non-profit public benefit corporation located at **820 Calle Plano, Camarillo, California 93012**, its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements by us which are subject of an application for Letters Patent filed in the United States Patent and Trademark Office on **March 13, 2014**, under Application Serial No. **14/209,605** and entitled **CHIMERIC CYTOKINE FORMULATIONS FOR OCULAR DELIVERY** including said patents, applications, any and all continuations, continuations-in-part, and divisional applications, other applications based in whole or in part thereon or which claim priority or are related by terminal disclaimer thereto or therefrom and any and all United States and foreign patents (including reissues, reexaminations, extensions) granted for any of said inventions or improvements, and the right to claim priority based on the filing dates of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the right to sue for past infringement.

I acknowledge having received consideration for this Assignment and agree for said consideration that I and my respective heirs and legal representatives will execute all deeds, rightful oaths, powers of attorney, assignments and separate written forms of assignment necessary to perfect the Assignment in specific countries and patent regions, or other instruments, and to do all acts reasonably necessary or proper to assist Assignee in securing the grant of Letters Patent in the United States and all other countries and patent regions including communicating to said Assignee all facts known to me relating to said inventions and improvements and the history thereof, and to vest and confirm in Assignee and its successors and assigns, the legal title to any and all the aforementioned inventions, improvements patents and applications on said invention and improvement.

I hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and the equivalent authority in each other country and patent region in the world to issue such Letter Patent as shall be granted upon said aforementioned inventions and applications to Assignee, its successors and assigns.
