ASSIGNMENT AND AGREEMENT

We, **Kerry COOPER** of 101 Sky Top Drive, Pleasantville, New York 10570, and **Luke JOHNSON** of 10 Brookwood Lane, Huntington, Connecticut 06484, hereby sell, assign, and transfer to **POLDER PRODUCTS, LLC**, with its principal place of business located at 195 Christian Street, Oxford, Connecticut 06478 ("**ASSIGNEE**"), and its successors, assigns, and legal representatives, the entire right, title, and interest, for the United States of America, in and to certain inventions described and shown in U.S. Design Patent Application S.N. 29/735,669, filed May 22, 2020, entitled "**STEP STOOL**", and any application for Letters Patent claiming priority thereto, and all the rights and privileges in said applications and under any and all Letters Patent and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **ASSIGNEE**, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **ASSIGNEE** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **ASSIGNEE** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **ASSIGNEE** in the United States and in all countries foreign to the United States, or to such nominees as **ASSIGNEE** may designate.
