RM Confidentiality & Intellectual Property Agreement

In consideration of my employment or consulting services retained by Research In Motion Corporation (the "Company") that:

- a) I will perform for the Company such duties as may be designated by the Company from time to time. I will communicate to the Company all inventions or improvements made or conceived by me either solely or jointly with others while in the employ of the Company, that are within the existing or contemplated scope of the Company's business and investigation (such inventions referred to in this agreement as "Inventions"). I acknowledge a duty to assist, and will assist to the best of my ability, the Company and its nominees in every proper way in the preparation and execution, at the Company's expense, of any documents that the Company deems necessary to secure any patent, copyright registration, or industrial design rights, and when required I will execute all papers used to apply for and obtain such patents, registrations or industrial design rights as the Company may desire. By this document I assign, and agree to assign all Inventions and to execute assignments of each Invention for the benefit of the Company or its nominees.
- b) I also assign and agree to assign, to the extent permissible by law, all my copyrights in any Expression. Expression means any original tangible expression (including, without limitation, software I create) that I create solely or jointly with others while in the employ of the Company to the extent such expressions are within the existing or contemplated scope of the Company's business and investigation. I further acknowledge and agree that all Inventions and Expressions are, will be and shall remain the property of the Company and its nominees, whether patented or not, and that I will cooperate fully in any action by the Company to enforce its rights to any Invention or any copyright against any third party. I irrevocably waive any and all moral rights arising under the Copyright Act (Canada) or any rights to similar effect in any country or at common law that I may have with respect to any Expression.
- c) I further agree that I will not undertake any action with respect to any matter relating to the Company's existing or contemplated business that would impair or injure the Company's existing or contemplated business or reputation.
- d) I will not disclose to any person, without the Company's consent, any information concerning its inventions, processes, methods, trade secrets, or secret procedures owned or used by the Company or any confidential information in any way relating to the Company's business or affairs.
- e) While in the employ of or consulting for the Company, I undertake not to perform work for any other person or organization within the existing or contemplated scope of the Company's business or investigations without written permission of the Company.

WORLDWIDE ASSIGNMENT

WHEREAS, I/WE, (hereinafter referred to as the “ASSIGNOR(S)”):

Adrian BUCKLEY, 2200 University Ave. East, Waterloo, ON, N2K 0A7, Canada

**Jan Hendrik Lucas BAKKER, 2200 University Ave. East, Waterloo, ON, N2K 0A7,
Canada**

am an/are inventor(s) of an invention entitled **SUPPORTED EXTENDED EMERGENCY INFORMATION TYPE** (“Invention”) for which one or more applications for patent, design registration, utility model registration, or other form of protection, rights, or title have been or will be made in certain countries (“Applications”), as further described below:

U.S. application no. 16/397606, filed on April 29, 2019

AND WHEREAS, **BLACKBERRY CORPORATION**, (hereinafter referred to as the “ASSIGNEE”), a company organized under the laws of the State of Delaware, U.S.A., having a place of business at 3001 Bishop Drive, Suite 400, San Ramon, California, 94583, U.S.A., is desirous of acquiring the full and exclusive right, title and interest in and to said Invention, said Applications inclusive of all ancillary rights relating thereto, any and all priority rights derived from said Applications, and all patents, design registrations, utility model registrations and other forms of protection, rights and titles relating to said Invention, in any country or countries and in respect of the whole or any part or parts of or improvements to the Invention;

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR(S) does/do hereby confirm that ASSIGNOR(S) has/have transferred, conveyed and assigned, and by way of further assurance does/do hereby transfer, convey and assign, any and all of ASSIGNOR(S)’s respective rights, title and interest in and to: the Invention; the Applications; inclusive of any and all priority rights, including the right to claim priority, derived from the Applications; any further applications for patent, design registration, utility model registration or other forms of protection, rights or titles for the whole or any part or parts of or improvements to the Invention in any country or countries (“Further Applications”) together with the right to file divisional applications, substitute applications and continuation applications of any one or more of the Applications and Further Applications (“Divisionals”); the right to obtain patents, design registrations, utility model registrations and all other forms of protection, rights and titles relating to the Invention; the right in and to any patent or reissue patent relating to the Applications, Further Applications and Divisionals (“Grants”); and the right to obtain any extensions / supplementary protection certificates (“Extensions”); together with the right to bring proceedings to recover damages and/or to obtain other remedies for acts committed in respect of one or more of the aforesaid Invention, Applications, Grants, Further Applications, Divisionals and Extensions, whether such acts are committed before or

after the date of this Worldwide Assignment; with the intent that the Invention, Applications, Grants, Further Applications, Divisionals and Extensions are owned and enjoyed by ASSIGNEE absolutely to the full end of the term or terms for same.

ASSIGNOR(S) does/do hereby agree, upon request, to provide assistance and to execute any and all further documents, at the expense of ASSIGNEE and/or its successors and assigns (as applicable), which may be necessary or desirable to enable ASSIGNEE, and/or its successors and assigns (as applicable), to file, prosecute, bring proceedings and take other actions with respect to any and all of the Invention, Applications, Further Applications, Divisionals, Grants and Extensions, and any and all patents and registrations granted thereon and other forms of protection, rights and titles relating thereto, and ASSIGNOR(S) further agrees/agree to execute, upon request and at the expense of ASSIGNEE and/or its successors and assigns (as applicable), any and all further documents which may be necessary or desirable to vest or perfect the title of ASSIGNEE therein.

ASSIGNOR(S) does/do hereby authorize ASSIGNEE or its patent agents or attorneys to insert, above, the jurisdictions, application numbers, filing dates and any other indicia identifying the Applications when such information is available for the purpose of recording this assignment.

ASSIGNOR(S) does/do hereby authorize and request The Commissioner of Patents or any equivalent authority to issue to ASSIGNEE each and every patent, registration and other form of protection, right, and title granted upon the Applications, Further Applications, Divisionals and Extensions.

THIS WORLDWIDE ASSIGNMENT shall inure to the benefit of ASSIGNEE and its successors and assigns, and shall be binding upon ASSIGNOR(S) and their successors and permitted assigns.
