ASSIGNMENT OF OWNERSHIP RIGHTS TO INVENTION

WHEREAS, I, Jason Moldthan, a citizen of the United States, residing at 6 Riverton Court, Greer, SC 29605; as assignor, have made an invention entitled

“SPRAY VALVE FACE PLATE”

as described in a patent application, the specification of which:

- is attached hereto.
- was filed on June 28, 2019 as U.S. Application Serial No. 29/696,630.
- was filed on _____ as PCT Application Serial No. _____.

WHEREAS, T & S BRASS AND BRONZE WORKS, INC., Delaware Corporation, whose post office address is 2 Saddleback Cove, Post Office Box 1088, Travelers Rest, South Carolina 29690-1088, as assignee, is desirous of securing the entire right, title and interest in and to this invention in the United States of America, and in and to the patent application on this invention and any Letters Patent to be issued upon this patent application;

NOW, THEREFORE, be it known that for good and valuable consideration the receipt of which from assignee is hereby acknowledged, I, as assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention and this patent application in the United States of America, and all divisions, and continuations thereof, and all Letters Patent which may be granted thereon, and all reissues thereof, and all rights to claim priority in the United States of America on the basis of such applications, and all applications for Letters Patent which may hereafter be filed for this invention in the United States of America and all Letters Patent which may be granted on this invention in the United States of America, and all extensions, renewals, and reissues thereof, and all rights to sue and recover for past, present, and future infringement thereof, and I hereby authorize and request the Commissioner for Patents of the United States, to issue all Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Assignment, and I hereby authorize the assignee, its successors and assigns, and the attorney(s) of record in applications as described above to modify this Assignment, subsequent to its execution, to more specifically identify the application as described above.

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed, and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of this invention in said assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States of America, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns.

IN WITNESS WHEREOF, the Assignors have executed this document on the date indicated below:
