ASSIGNMENT

For good and valuable consideration, I (We),

André Fischbach, residing at Hasenbergstrasse 36, Steinhausen, 6312, CH, citizen of CH

hereafter individually or collectively referred to as "Assignor(s)";

Hereby, (I) acknowledge having previously assigned, sold and transferred to **Siemens Schweiz AG**, a corporation organized and existing under the laws of SWITZERLAND, having its principal place of business at Freilagerstrasse 40, Zürich, 8047, hereinafter "Assignee", its successors, assigns and legal representatives, or to a predecessor of Assignee, pursuant to (A)(i) the laws of SWITZERLAND or (ii) a Patent & Secrecy Agreement or similar legal document such as, without limitation, an employee agreement executed at the time of entering into the employment of, or executed as a condition of continuing employment with, the Assignee or a predecessor of the Assignee, the entire right, including any and all priority rights, title and interest, in and for the United States and all foreign countries, in and to any and all inventions/designs or improvements which are disclosed in an invention disclosure and/or in the below-identified documents currently filed with this Assignment, already filed or granted for Letters/Design Patent (in which case, any provision of the subject Assignment that is in conflict with or is in addition to any provision in the prior agreement(s) or assignment(s) then this Assignment shall govern, take precedence, and be of legal effect), or

(B)(i) to the extent such laws of SWITZERLAND or such Patent & Secrecy Agreement or similar legal document failed or fails, in whole or part, to have assigned, sold or transferred the entire right (including priority rights), title and interest, in and for the United States and all foreign countries, in and to all inventions or improvements which are disclosed in the below-identified application(s) or pending application(s) or granted Letters Patent, or (ii) if no such agreement(s) exist assigning, selling or transferring any such right (including priority rights), title or interest; then for good and valuable consideration, Assignor(s) now and hereby, effective Nunc Pro Tunc on the filing date of the below identified patent application(s), pending patent application(s) or granted Letter Patent(s), assign, sell and transfer(s) to Assignee, its successors, assigns and legal representatives, the entire right, (including all priority rights), title and interest in and for the United States and all foreign countries, in and to any and all inventions/designs and/or improvements which are disclosed in the following identified; patent/design patent application(s), pending patent/design patent application(s) or granted Letter/Design Patent(s)

Patent Application Title: **Scheduler GUI Design**

Filing Date: **09 Nov 2017**

Filing Number: **DM/099 559 & US35/504,879**

Internal Case Number(s): **2017M23474WO & 2017M23474WOUS**

and in and to said application(s) or granted patents/design patents and all applications claiming priority to said application or granted patent/design patent, including, without limitation, and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters/Design Patent which have been or shall be filed in the United States and all foreign countries on any of the inventions/designs and/or improvements; and in and to all original and reissued patents/design patents which have been or shall be filed in the United States and all foreign countries on the inventions/designs and/or improvements;

(II) Agree that said Assignee may apply for and receive Letters/Design Patent for said inventions/designs and/or improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives,

to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent/design patent applications on any and all said inventions/design and/or improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said inventions/designs and/or improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and/or improvements and for vesting title to said inventions/designs and or improvements and all applications for patents/designs and all patents/designs on said invention/designs and/or improvements, in said Assignee, its successors, assigns and legal representatives; and

(III) Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
