## ASSIGNMENT

WHEREAS, we, **Michale Goldberger** of Skokie, IL, **Aardra Rajendran** of Lewisville, NC and **Adam Weisel** of Teaneck, NJ, have invented certain new and useful inventions invention entitled:

### CONTAMINANT MONITOR SYSTEM AND METHOD

**U.S. Patent Application No.: 15/491,918. Filed April 19, 2017**

and for which we are about to make or have made application for Letters Patent of the United States; and

WHEREAS, **Ariana Schanzer**, a co-inventor and individual having a residence address of 380 Broad Ave., Apt. 1H, Englewood, New Jersey (07631), is desirous of acquiring all right, title, and interest in and to said inventions, said application(s), and in and to any and all Letters Patents which may be granted for or upon said inventions and application(s) in the United States of America and anywhere in the world.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, **Michale Goldberger**, **Aardra Rajendran** and **Adam Weisel** have sold, assigned and transferred, and hereby sell, assign and transfer unto the said **Ariana Schanzer** the full and exclusive right, title, and interest, throughout the world, in, to and under the following:

- (a) all inventions as set forth and described, for example, in the patent application specification(s) identified above;
- (b) all patent application(s) identified above;
- (c) any and all patent applications, including Patent Cooperation Treaty (PCT) applications, and any and all applications for utility models, directed to the inventions as set forth and described, for example, in the patent application specification(s) identified above;
- (d) any and all refilings, divisionals, continuations, and continuations-in-part of those patent applications and applications for utility models;

- (e) any and all patents of the United States of America which may issue from any of the above items;
- (f) any and all reissue and reexamination certificates of those patents;
- (g) any and all applications for the inventions filed in any and all countries foreign to the United States of America;
- (h) any and all refilings, divisionals, and continuations of those foreign-filed applications;
- (i) any and all patents, certificates, registrations, and utility models of countries foreign to the United States of America which may issue from those foreign-filed applications, refilings, divisionals, and continuations;
- (j) any and all extensions of, and additions to, the foreign-filed applications and patents, certificates, registrations, utility models, and applications for utility models related thereto;
- (k) the right to claim priority to any of the foregoing; and
- (l) any and all claims, causes of action, and damages for past, present, and future infringement or other unauthorized use of the above items, along with the right to sue and to collect damages and other relief from any and all parties.

We, **Michale Goldberger, Aardra Rajendran** and **Adam Weisel**, further agree that we will promptly execute and deliver to **Ariana Schanzer** any and all papers, instruments, and affidavits required to apply for, obtain, maintain, issue, and enforce all of the items listed above.

All of the above shall be held and enjoyed by **Ariana Schanzer** and their successors and assigns for their own use and benefit, for the full term for which the protections listed above may be granted, and we, **Michale Goldberger, Aardra Rajendran** and **Adam Weisel**, authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patents granted for said inventions, whether on an application for said invention set forth above, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other related application, to **Ariana Schanzer** and their

successors and assigns, as the assignees of their entire interest in said inventions and applications.
