ASSIGNMENT

THIS ASSIGNMENT, by PROTHENA BIOSCIENCES INC, a corporation duly organized under and pursuant to the laws of Delaware, and having its principal place of business at 331 Oyster Point Boulevard, South San Francisco, CA 94080 (hereinafter referred to as "Assignor"), witnesseth:

WHEREAS, Assignor is the owner of the undivided right, title and interest in and to the invention set forth as follows:

Title of Invention: Anti-Transferrin Antibodies

PCT Application (to be submitted) and claiming priority to:

US provisional application No. 62/569,436 filed October 6, 2017; and

US provisional application No. 62/598,965 filed December 14, 2017.

WHEREAS, PROTHENA BIOSCIENCES LIMITED, a private limited company incorporated under the laws of Ireland, and having its registered office at Adelphi Plaza, Upper George's Street, Dun Laoghaire, Co. Dublin, A96 T927, Ireland (hereinafter referred to as "Assignee"), pursuant to the Research and Development Agreement effective December 21, 2012 (hereinafter referred to as "the R&D Agreement") between Assignor and Assignee, has acquired Assignor's right, title, and interest in and to the above-mentioned application and invention, the right to file applications on said invention, and the right, title and interest in and to any applications, including provisional applications, on said invention for Letters Patent of the United States or other countries, and any applications claiming priority to said applications, and in and to any Letters Patent or Patents of any country, to be obtained therefor and thereon;

NOW, THEREFORE, pursuant to the R&D Agreement, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has assigned, transferred, and set over, and by these presents does assign, transfer, and set over unto Assignee, and Assignee's successors, legal representatives, and assigns, all of Assignor's right, title, and interest in and to the above-mentioned invention and application, the right to file applications on said invention and the right, title and interest in and to any such applications, including provisional applications, and any applications claiming priority from said applications for Letters Patent of the United States or other countries, and any and all Letters Patent or Patents of the United States of America and all foreign countries that have been or may be granted therefor and thereon, and in and to any and all divisions, renewals, substitutions, conversions, continuations, and continuations-in-part of said applications, and reissues, prolongations and extensions of said Letters Patent or Patents, and all rights under the Paris Convention for the Protection of Industrial Property, including the right to claim priority, the same to be held and enjoyed by Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by Assignor had its assignment not been made;

AND Assignor hereby covenants that Assignor has the full right to convey the interest assigned by this Assignment, and Assignor has not executed and will not execute any agreement in conflict with this Assignment;

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives, and assigns, that Assignor shall, whenever counsel of Assignee, or the counsel of its successors, legal representatives, and assigns, advises that any proceeding in connection with said invention or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said invention in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said applications, division, continuation, continuation-in-part, substitution or conversion of any applications for Letters Patent or Patents, or any reissue, prolongation or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents for said invention, without charge to Assignee, but at the cost and expense of Assignee, its successors, legal representatives, and assigns;

AND Assignor hereby requests the Commissioner of Patents to issue any and all said Letters Patent or Patents of the United States to Assignee as the assignee of said invention and the Letters Patent or Patents issued and to be issued thereon for the sole use and behalf of Assignee, its successors, legal representatives, and assigns;
