**ASSIGNMENT**

This Assignment is made on the date indicated below, by **THORSTEN GANGLBERGER** and **MICHAEL REISINGER** Assignors, to **HEXCEL COMPOSITES GMBH & CO KG**, Assignee, having a place of business at **INDUSTRIEGELAENDE 2, NEUMARKT A 4720, AUSTRIA**.

**WHEREAS**, Assignors have invented a new and useful **PARTICULATE CURING COMPONENTS** for which an application under the European Patent Office was filed on June 27, 2016, assigned Application No. **16176461.8** (Hexcel Docket No. A16-10EP); and for which a Patent Cooperation Treaty (PCT) was filed on May 26, 2017, assigned International Application No. **PCT/EP2017/062781** (Hexcel Docket No. A16-10WO); and for which a United States National Stage application was filed on December 21, 2018, assigned Application No. 16/312,451 (Hexcel Docket No. A16-10US).

**WHEREAS**, Assignors believe to be the original inventors of the invention disclosed and claimed in said application for Letters Patent; and

**WHEREAS**, the parties desire to have a recordable instrument assigning the Assignors entire right, title and interest in and to said invention, said International PCT application and any Letters Patent that may be granted for said invention in Europe, the United States and throughout the world;

**NOW, THEREFORE**, in accordance with the obligations to assign the invention and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors sells, assign, and transfer to Assignee, the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claims for any such foreign applications of any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent

in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed divisional, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as to the Assignee of the entire interest in said invention.

We hereby authorize and request my attorney, Mark Bielawski, to insert on this assignment the application number and filing date when known.
