Assignment

WHEREAS, I/WE

**Charles Eric ANDERSON, Jr., Michael George WANDELL and
Randall Wayne JONES**

have invented certain new and useful inventions and/or improvements in

**SYSTEMS AND METHODS FOR TARGETED DEEP HYPERTHERMIA BY
TIME-SHARED RF INDUCTIVE APPLICATORS**

(hereinafter the "Invention"), filed on July 18, 2017 with the U.S. Receiving Office (RO/US) under the Patent Cooperation Treaty (PCT), and with the U.S. Patent and Trademark Office, referenced as C085413/0558312 and C085413/0558313, respectively, copies of which are attached.

NOW, THEREFOR, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/we hereby assign to

NEOTHERMA ONCOLOGY, INC.

having its principal offices at: P.O. Box 487, Wichita, Kansas 67201, USA, (hereinafter the "Assignee"), and the Assignee's successors, assigns, or legal representatives, all of my/our right, title and interest, in and to the Invention within the United States of America and its territories and possessions and all foreign countries, and in and to any patent application, including the above-identified U.S. and International applications and any other provisional or utility applications based on the Invention, and in and to any Letters Patent of the United States of America and all foreign countries, including utility models, inventor's certificates and like government grants, and in and to all divisions, reissues, reexaminations, continuations, continuations-in-part, and extensions thereof that may be granted therefor, and the right to apply for Letters Patent(s) in foreign countries with full benefit of such priorities as may now or hereafter be granted to me/us by local laws or by treaty, including any international conventions, for the protection of industrial property, together with the right to extend the protection of the U.S. Letters Patent(s) to the various territorial possessions now owned or which may be hereafter acquired by the United States of America, all the rights to be held and enjoyed by the Assignee for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the full end of the term for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me/us if this assignment had not been made. And, I/we do hereby request and authorize the Commissioner of Patents and Trademarks, U.S.A., to issue any U.S. Letters Patent, when granted, in accordance with this assignment.

UPON SAID CONSIDERATION, I/we do hereby covenant and agree with the Assignee that I/we will not execute any writing or do any act whatsoever conflicting with the foregoing, and that I/we will at any time upon request without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of

this grant, and render all necessary assistance in making application for and obtaining original, continuing, divisional, reissued, reexamined, or extended Letters Patent(s) of the United States of America on the Invention or like protection in any foreign country, and in enforcing any rights or choses in action accruing as a result of such applications or patents, including but not limited to, giving testimony in any proceedings or transactions involving such applications or patents, and executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the successors, assigns, or legal representatives of all parties hereto.
