ASSIGNMENT

WHEREAS, WE, James Siminoff, Mark Siminoff, and Christopher Loew (Assignor(s)) have invented certain new and useful improvements that are described and claimed in U.S. Design Application No. 29/558,589, filed on March 18, 2016, entitled

WIRELESS ENTRANCE COMMUNICATION DEVICE

WHEREAS, **BOT Home Automation, Inc.**, a Delaware corporation having a place of business at 1523 26th Street, Santa Monica, CA 90404 (Assignee), is desirous of acquiring the entire interest in and to said invention, said application, and all patents to be obtained therefrom.

NOW, THEREFORE, for and in consideration of valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we have sold, assigned, and set over, and by these presents do hereby sell, assign, and set over unto said Assignee, and said Assignee's legal representatives, successors, and assigns, the entire right, title and interest, for the whole world, in and to said invention and said application, as well as any subsequent application(s) that claim(s) priority based upon the filing date of said application and the patents, both domestic and foreign, that may or shall result therefrom, including the right to claim in respect of any subsequent United States and foreign patent applications and patents, the priority date of any of said applications under any United States statute and/or international convention or treaty; and we do hereby authorize and request the issuance of said patents, domestic and foreign, conformably to the terms of this Agreement.

UPON SAID CONSIDERATION, we do hereby covenant and agree with said Assignee that we will not execute any writing nor do any act whatsoever conflicting with these presents, and that we will at any time upon request, without further or additional consideration, but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect said Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining provisional, original, continuation, continuation-in-part, divisional, reissued, re-examined or extended patents of the United States or of any and all foreign countries on said

invention, and in enforcing any rights or causes of action accruing as a result of such applications or patents, including but not limited to, giving testimony in any proceedings or transactions involving such applications or patents, and executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of all parties hereto.
