ASSIGNMENT

Robert Bosch Tool Corporation (hereinafter referred to as "Assignor"), having its principal place of business at:

2800 South 25th Avenue
Broadview, IL 60155

hereby assigns and conveys its entire right, title and interest to "Assignee":

Robert Bosch Power Tools GmbH
Max-Lang-Strabe 40-46
Leinfelden-Echterdingen
Germany 70771

(1) in and to an invention entitled "Pneumatic Linear Fastener Driving Tool", United States application serial No. 16/258293 filed January 25;

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), reissue applications, and international patent applications designating the United States) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted; and

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, including patent applications filed under the Patent Cooperation Treaty, the European Patent Convention or any other international treaty, and including the right to claim priority of said United States application, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted.

Assignor will execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and

purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by Assignor.
