PATENT ASSIGNMENT

This Patent Assignment ("Assignment"), effective as of the date of last signature below, is by and between by and between **Milo Medical IP, LLC**, an Ohio corporation, having its principal place of business at 285 Lake Pointe Drive, Akron, Ohio 44333 (hereinafter "**Assignor**"), and **ConceptsM LLC**, an Ohio corporation, having its principal place of business at 285 Lake Pointe Drive, Akron, Ohio 44333 (hereinafter "**Assignee**").

WHEREAS, Assignor is the owner by assignment of all right, title, and interest to the following patents and patent applications including all of their corresponding foreign patents/applications and related provisional patent applications: United States Patent No. 9,896,116, issued February 20, 2018, titled **WHEELBARROW WITH AUXILIARY STORAGE**; and United States Provisional Patent Application Serial No. 62/938,468, filed November 21, 2019, titled **WHEELBARROW MODULAR ATTACHMENTS**; all patent applications claiming the benefit of and/or priority to these patents/patent applications, the provisional applications that these patents/patent applications claim priority to, and/or any related patents or patent applications, all inventions therein, and all patents issuing therefrom (hereinafter the "Wheelbarrow IP"); and

WHEREAS, Assignor has agreed to assign to Assignee all of its right, title, and interest in and to the Wheelbarrow IP; and

WHEREAS, Assignee is entitled to own all right, title, and interest in and to said Wheelbarrow IP.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, transfer, and assign to the aid Assignee, its successors, assigns and other legal representatives, for the territory of the United States of America and throughout the world, its entire right, title and interest in and to the Wheelbarrow IP, and the inventions therein, together with any and all reissues, reexaminations, statutory invention registrations, modifications and extensions thereof, together with any and all continuations, divisions, continuations-in-part and reissues, all related patents or applications and all of the inventions relating to the foregoing, and hereby authorizes and requests the Commissioner of Patents for the country involved to issue any and all patents on inventions resulting from the Wheelbarrow IP or other applications to Assignee as Assignee of the entire

right, title and interest therein, all of the foregoing to be held and enjoyed by Assignee for its own use and for the use of its successors, assigns or other legal representatives, together with all of the income, royalties, damages and payments now or hereafter due or payable with respect thereto, and all claims for damages by reason of past, present and future infringement of the rights assigned under this Assignment with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this transfer to Assignee had not been made.

Assignor covenants that it will, when requested and at its expense, execute, deliver and acknowledge all such further instruments of conveyance and do and perform all such other acts and things as Assignee may reasonably require to more effectively accomplish the assignment, transfer and recordation thereof of said Wheelbarrow IP. Assignor covenants that it will, when requested and at Assignee's reasonable expense, assist with and cooperate with Assignee and with Assignee's attorneys with respect to the maintenance, transfer, or enforcement of, or resolution of any dispute about, the Wheelbarrow IP.

Assignee's authority hereunder shall include, without limitation, the authority to execute and receive any certificate of ownership or other document to transfer title to any Wheelbarrow IP rights assigned pursuant to this Assignment, and to take any other actions necessary or incident to the powers granted to Assignee in this Assignment.
