**CONFIRMATION OF ASSIGNMENT**  
**Inventor to PolyU Technology and Consultancy Company Limited**

WHEREAS, I, **Annie Yu**, an inventor or joint inventor (hereinafter "Inventor") have made, during the term of and as part of my employment with PolyU Technology and Consultancy Company Limited, certain new and useful inventions relating to **HEADGEAR WITH COVERED EDGE**, (hereinafter "Inventive-Subject matter") which is described in and for which application has been made as follows:

- A Provisional Application filed on 11 April 2016 in United States of America and designated as Application No. 62/321053.

WHEREAS, **PolyU Technology and Consultancy Company Limited**, (hereinafter "**Assignee**"), a wholly owned subsidiary of the Hong Kong Polytechnic University, having its registered office at QR603, 6/F, QR Core, The Hong Kong Polytechnic University, Hung Hom, Kowloon, Hong Kong, is desirous of confirming its acquisition of the entire right, title and interest in and to said Inventive Subject-Matter, during the term of my employment, including without limitation said application(s), for every jurisdiction, including without limitation the United States of America and all other countries, and any benefits of or to be obtained therefrom.

NOW THEREFORE, for good and valuable consideration received during the term of my employment, the receipt and sufficiency of which are hereby acknowledged, and on the Effective Date herein, Inventor hereby confirms the Inventor has sold, assigned, and set over and/or to any extent not previously, by these presents does hereby sell, assign and set over unto Assignee and Assignee's legal representatives, successors and assigns, Inventor's entire right, title and interest in and to said Inventive Subject-Matter for every jurisdiction, including without limitation the United States of America and all other countries, said application(s) and any benefits of or to be obtained therefrom, including without limitation any continuation, or divisional application, renewal or substitute thereof, international, foreign and regional applications corresponding or claiming priority thereto pursuant to any law or treaty, including the right to claim such priority or benefit, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or re-examination thereof, and Assignee hereby accepts them, and Inventor does hereby authorize and request the U.S. Commissioner of Patents and any other country's Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, Inventor hereby covenants and agrees with Assignee that Inventor has not and will not execute any writing or do any act whatsoever conflicting with these presents, and that Inventor will, at any time upon request, without further or additional consideration, but at the expense of Assignee, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignee's or Assignee's assign's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, or divisional application, renewal, reissued or extended Letters Patent of the United States, or of any and all other countries, on said Inventive Subject-Matter, and in enforcing any rights or chose in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties.

This Confirmation of Assignment may be executed in any number of counterparts and the executed counterparts together constitute an original.
