(hereafter jointly and severally referred to as the undersigned), are inventors of the invention entitled SYNCHRONOUS RECTIFICATION OF LLC CONVERTERS BASED ON HOMOPOLARITY, for which the undersigned have filed a Canadian Patent Application No. 3,044,742 (hereinafter referred to as the priority application) and for which a U.S. Patent Application will be filed, claiming priority to the priority application.

WHEREAS the undersigned do hereby confirm that for good and valuable consideration, the receipt and sufficiency of which is acknowledged and intending to be legally bound, that they did previously sell, assign and transfer to The University of British Columbia, located at 103-6190 Agronomy Road Vancouver, B.C. V6T1Z4, (hereafter referred to as the assignee), and assignee's successors, assigns and legal representatives, the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the priority application, and all patent applications claiming the benefit thereof, and divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

The undersigned confirms that that the rights and property herein were conveyed free and clear of any encumbrance.

This Confirmation of Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this Confirmation of Assignment.

Additionally, we hereby authorize our attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this Confirmation of Assignment.

If this Confirmation of Assignment is signed electronically (e.g., via DocuSign, Adobe Sign, Hello Sign, electronically drawn, or the like), by signing this Confirmation of Assignment electronically, the undersigned agree that the undersigned's electronic signature is the legal equivalent of the undersigned's manual signature on this Confirmation of Assignment. The undersigned further agree that use of a touch pad, keyboard, key pad, mouse or other device to select a signature item, button, icon or a similar act/action constitutes the undersigned's signature as if manually signed by the undersigned.
