declare that we have made together an invention regarding "**MICROPUMP**" described in PCT patent application PCT/EP2018/084247 filed on 10<sup>th</sup> December 2018 claiming priority from European patent application EP17209179.5 filed on 20<sup>th</sup> December 2017) (hereinafter the "Invention").

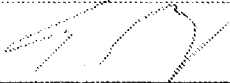

We believe that we are each an original joint inventor of a claimed invention in the application. We further hereby confirm that the invention has been conceived in the course and within the scope of our employment duties towards our Employer. Pursuant to Swiss employment law and our employment contracts with our Employer, we hereby confirm that, as concerns our respective contribution to the developpement of the invention, all shares of rights to the Invention have been automatically assigned to our Employer at the time the invention was made.

For the avoidance of doubt and to the extent that any rights may not have been assigned, we hereby assign and confirm assignment of the entire rights and interest in and to said Invention, including all rights to file patent applications regarding the invention and the rights to claim priority from those patent applications in any country in the world, to our Employer at the time the invention was made who accepts the Assignment without any restrictions and with all rights and obligations deriving therefrom, in consideration of the sum of ten Swiss Francs (CHF10.00) to each of us and other good and valuable consideration now paid by SENSILE MEDICAL AG ("The Employer"), the receipt and sufficiency of which we hereby acknowledge.

We agree to testify and execute any papers for the Employer, its successors, assigns and legal representatives, deemed essential by the Employer to the Employer's protection and title in and to the shares of rights to the invention hereby transferred.

We also agree that the SENSILE MEDICAL AG solely executes registration of this assignment before the Patent Offices.
