Assignment

WHEREAS, Jeffrey Daniel Betts, a citizen of the United States of America and a resident of Newtown, Pennsylvania; Gregory John Tudryn, a citizen of the United States of America and a resident of Hadley, Massachusetts and Courtney Elizabeth Hart, a citizen of the United States of America and a resident of Adams, Massachusetts have invented new and useful improvements in

Process for Production of Mycelial Composite Surfaces in a Roll-to-Roll Format
for which a United States Patent Application was authorized on even date herewith.

WHEREAS, Ecovative Design LLC, a limited liability company organized under and by virtue of the laws of the State of New York and having an office at Green Island, New York is desirous of obtaining the entire right, title and interest in and to the said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained.

NOW, THEREFORE, in consideration of One Dollar (\$1) and other valuable consideration, we, the undersigned, have sold, assigned and transferred and do hereby sell, assign and transfer unto the said Ecovative Design LLC , its successors and assigns, the entire right, title and interest in and to the said application and the invention therein contained, including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and to claim for such foreign applications the priority date of the United States application under the International Convention of 1883 and later modifications thereof, and any Letters Patent that may be issued thereon or therefor, in the United States and foreign countries, and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, the same to be held and enjoyed by the said Ecovative Design LLC, its successors and assigns, the same as it would have been held and enjoyed by us if this assignment and sale had not been made.

AND WE HEREBY authorize and request the Director of the United States Patent and Trademark Office to issue all such Letters Patent to the said Ecovative Design LLC in accordance with this instrument of Assignment.

WE FURTHER covenant and agree, in consideration of the premises, that we or our executors and administrators, will execute and deliver to the said Ecovative Design LLC, its successors and assigns, any further documents or instruments, and do any and all further acts that may be deemed necessary by the said Ecovative Design LLC, its successors and assigns, to file applications for the said improvements and invention in any country where it may elect to file such applications, and that may be necessary to vest in the said Ecovative Design LLC, its successors and assigns, the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

AND WE FURTHER covenant and agree, in consideration of the premises, that we or our executors and administrators, will at any time upon request communicate to the said Ecovative Design LLC, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to us or to our executors and administrators, and that we will testify as to the same in any interference or other litigation when requested so to do by the said Ecovative Design LLC, it being understood that Ecovative Design LLC will compensate us for our expenses reasonably incurred in complying with its requests.
