**ASSIGNMENT**

WHEREAS WE, Bradley C LIANG, Abhinav RAMANI, Brian T. KANNARD, Peter Luke SANTA MARIA, Scott JANIS, Colton SANFORD, and Isamu TAGUCHI ("ASSIGNORS"), are inventors of the invention for PATIENT TEMPERATURE AND BLOOD FLOW MANAGEMENT, described in an application for a Patent of the United States

- ☒ which is identified by Atty. Docket No. FT-001US
- ☒ which was filed on January 31, 2020, Application No. 16/777,894

and WHEREAS **FLOTherm, INC.**, having a place of business at 1100 Wilshire Blvd., Suite 2105, Los Angeles, CA 90017 ("ASSIGNEE"), is desirous of obtaining our entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, let it be known that for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said United States application and all non-provisional patent applications, divisional patent applications, continuation patent applications, and reissue patent applications thereof, and all Patents of the United States which may be granted thereon and/or claiming priority thereto, and all reissues and extensions thereof; and all applications for intellectual property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application and said United States provisional patent application(s), if any, under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of intellectual property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof.

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of intellectual property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, we hereunto set our hands and seal the day and year set opposite our respective signatures.
