ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we, as below named Assignors, hereby full, assign, and transfer the entire and exclusive right, title, and interest in the following to NXP B.V., having a place of business at High Tech Campus 66, NL 5656 AG, Eindhoven, NL, its successors, assigns, and legal representatives, including any nominees (collectively "the Assignee"):

(1) our invention relating to "COMPRESSOR OF DATA EMPLOYING VARIABLE MANTISSA SIZE" for which the following patent application(s) have/have been filed (we hereby authorize and request my our attorneys associated with U.S. Patent & Trademark Office Case/ser Number 6591) to insert below the filing date and application number of the U.S. application when known:

Country	Application No.	Filing Date (month/year)	Claim Priority of
---------	-----------------	--------------------------	-------------------

(2) the foregoing application(s) and all other United States, foreign and international patent applications associated therewith, based thereon, or claiming priority therefrom including, but not limited to, any and all provisional, non-provisional, divisions, continuations, amendments in part, re-examinations, renewals, and continuations thereof; and

(3) the right to claim priority therein, and the entire and exclusive right, title, and interest in and to any and all patents granted on these applications.

We authorize and request that the Patent Office officials in the United States and in any and all foreign countries to issue any and all Letters Patent when granted, solely to NXP B.V., for its sole use, and that of its successors, assigns, and legal representatives.

We will provide our cooperation to enable the Assignee to enjoy the foregoing right, title, and interest to the fullest extent. Upon request at the expense of the Assignee, we agree to execute all papers, take all rightful action, serve in all legal proceedings (including patent prosecution actions and infringement actions), and do all other such acts which may be necessary, desirable, or convenient for securing and maintaining patents on the foregoing invention or for performing title thereto in the Assignee.

We certify that we have the full right to convey the above rights.
