A S S I G N M E N T

WHEREAS, We, Stephen P. Adams, residing at 3421 East McDowell Road, Mesa, Arizona, 85213, James V. Rhodes, residing at 1908 North 101st Place, Mesa, Arizona 85207, Arthur A. Wilkes, residing at 516 West El Prado Road, Chandler, Arizona 85225, and Darin M. Carpenter, residing at 725 South Hualapai Way, Apartment #2039, Las Vegas, Nevada 89145, have made an invention in:

METHOD AND APPARATUS FOR AN INDOOR HORTICULTURAL FACILITY

and have made application for United States Patent therefor, the same having been filed in the United States Patent and Trademark Office on November 24, 2017, as United States Patent Application No. 15/822,074; and

WHEREAS, Illum Technology, LLC, a limited liability company existing under the laws of Arizona and having an office and place of business at 4641 East Ivy Street, Mesa, AZ 85205 is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said Illum Technology, LLC, its successors, assigns and legal representatives, all right, title and interest in and to said invention that we own and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations-in-part, and divisions thereof, and any substitute applications therefor,

and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all right, title and interest that we own in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, continuations-in-part and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said Illum Technology, LLC, as the assignee of our interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our name on the date indicated hereinafter.
