ASSIGNMENT

WHEREAS, I, Jun XU of Jiangsu, China ("Assignor"), am the inventor of an invention entitled " DATA PROCESSING METHOD AND SYSTEM FOR 2R1W MEMORY" that is the subject matter of:

a U.S. application for Letters Patent which claims the priority Chinese Patent Application No. 201610606967.3 filed on July 28, 2016

an application made under the Patent Cooperation Treaty which is identifiable at WIPO by Application No. PCT/CN2017/073646 filed on February 15, 2017;

an application for Letters Patent which is identifiable in the Patent Office of the U.S. by Application No. 16/319,297 filed on January 18, 2019

WHEREAS, CENTEC NETWORKS (SU ZHOU) CO., LTD., a Corporation organized and existing under the laws of China ("Assignee"), and having offices at 4th Floor, Building B, No. 5 Xinghan Street, Suzhou Industrial Park, Jiangsu Province, 215021 China is desirous of acquiring the entire right, title and interest in and to the invention, the applications, and any and all Letters Patent or similar foreign or domestic legal protection

☒ in the United States
☐ in all other countries or jurisdictions;

"NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged,

a) Assignor agrees to transfer, and
b) Assignor does hereby transfer,

to Assignee, its successors and assigns, effective as of July 28, 2018, *nunc pro tunc*, Assignor's entire right, title and interest in the above-named countries and jurisdictions in and to the following including the right to sue for past infringement: the invention, the above-identified applications, all applications from which any of the above-identified applications claim priority, corresponding U.S. and non-U.S. applications, any continuation, continuation-in-part, division, renewal, or substitute for the applications, all Letters Patent for the applications, any reissue, re-examination, or similar legal protection issuing related to the Letters Patent, and all rights and benefits under any applicable treaty or convention, and Assignor authorizes the Director of the United States Patent and Trademark Office or foreign equivalent to issue the Letters Patent or similar legal protection to the Assignee.

Assignor authorizes the U.S. attorneys handling the above application(s) or patent(s) for the invention and the Assignee, its successors and assigns, to insert in this instrument the filing date(s), and application and patent number(s) when ascertained, for the above applications and patents and to insert any necessary missing titles. Assignor further authorizes the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection in its own name if desired, in the above-named countries and jurisdictions and appoint Assignee the common representative in the above-identified international application and any international application for the invention.

Assignor represents to the Assignee, its successors and assigns, that Assignors shall not execute any writing or do any act whatsoever conflicting with this Assignment. Assignor, its executors or administrators, will at any time upon request, without additional consideration, but at the reasonable expense of the Assignee, its successors and assigns, execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making

application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries and jurisdictions, including without limitation providing testimony in any related interference, litigation or proceeding. To the extent that Assignor, its executors or administrators are unable or unavailable to execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as Assignee, its successors and assigns may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries and jurisdictions, Assignor, our executors or administrators hereby authorize Assignee, its successors and assigns to act on Assignor's behalf.

If any provision of this Assignment is held unenforceable or in conflict with the law of any jurisdiction, the validity of the remaining provisions will not be affected by such holding and the part held unenforceable in or in conflict with the law of one jurisdiction will remain in effect for other jurisdictions until held unenforceable or in conflict with the law of that jurisdiction.

Assignor and Assignee hereby irrevocably waive and agree not to assert in any suit, action, or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action, or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof (certified or registered mail, return receipt requested, or any foreign equivalent of such mail service if the address in effect for notices is in a foreign country or territory) to such party at the address in effect for notices to it under this assignment and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law.

Assignor agrees not to take any action, or to assist or request any third party in challenging or opposing Assignee's rights granted hereunder. Assignor further acknowledges that Assignee's patent counsel does not represent Assignor personally and acknowledge that Assignor has the right to seek independent counsel.
