## ASSIGNMENT

Pursuant to my obligation to SUNSTAR AMERICAS, INC. (hereinafter referred to as "Assignee"), a Delaware corporation having its principal place of business at:

301 E. Central Road  
Schaumburg, Illinois 60195  
US

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Leoncio Angel GONZALEZ  
0 North 240 Leonard St.  
Winfield, Illinois 60190  
US

("Assignor") confirms my obligation to and hereby irrevocably transfer, assign and convey unto Assignee, and its successors and assigns, my entire worldwide right, title, and interest, free and clear of all liens, encumbrances or other obligations:

(1) in and to a new, original and ornamental design titled "FLOSSER" for which I filed United States Patent Application No. 29/719,036, on December 31, 2019, (Atty. File No. 200700-9721-US01) (hereinafter the "U.S. design patent application")

(2) in and to the U.S. design patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, and reissue applications) based upon said design, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications or design registrations filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. design patent application and agree that any patent applications or design registrations of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on the U.S. design patent application.

(5) in and to all rights of any kind whatsoever of Assignors accruing before, on, or after the dates of execution below under any of the foregoing provisions provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world, acknowledging that some rights may have already accrued to the Assignee under such applicable laws; and

(6) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on, or after the dates of execution below, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

Assignors hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of our application after execution of this Assignment. Assignors hereby agrees that Assignors will, upon demand of Assignee, its successors, assigns, or legal

representatives, and without further consideration to Assignors, execute any and all papers and do all other lawful acts that may be deemed necessary by Assignee, its successors, assigns, or legal representatives, to complete fulfillment of the intent and purposes of this Assignment in any country throughout the world. Any expenses incident to the execution of such papers and performance of such acts shall be paid by the Assignee, its successors, assigns, or legal representatives.

Assignors hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office and the appropriate official of any foreign patent or intellectual property office to issue all patents as shall be granted upon the assigned patent applications to Assignee, its successors, assigns, or legal representatives.

Date

6/22/20
